1     **I.       INTRODUCTION AND SUMMARY**

2             **A.       INTRODUCTION**

3                     On June 13, 2016 (the "Petition Date"), Peak Web LLC ("Debtor," "Peak," or  
4     the "Company") filed a voluntary petition under Chapter 11 of Title 11 of the United States  
5     Bankruptcy Code (the "Bankruptcy Code"). On ~~January 31~~February 10, 2017, Debtor filed  
6     this Revised Second Amended Disclosure Statement (the "Disclosure Statement") with the  
7     U.S. Bankruptcy Court for the District of Oregon (the "Bankruptcy Court") and its Second  
8     Amended Plan of Reorganization (the "Plan"). A copy of the Plan is attached hereto as  
9     **Exhibit 1.**

10                    This Disclosure Statement is being provided to you by Debtor to enable you to  
11    make an informed judgment about the Plan. This Disclosure Statement has been prepared to  
12    disclose information that in Debtor's opinion is material, important, and helpful to evaluate  
13    the Plan. Among other things, this Disclosure Statement describes the manner in which  
14    Claims and Equity Securities will be treated. This Disclosure Statement summarizes the  
15    Plan, explains how the Plan will be implemented, outlines the risks of and alternatives to the  
16    Plan, and outlines the procedures involved in confirmation of the Plan. The description of  
17    the Plan contained in this Disclosure Statement is intended as a summary only and is  
18    qualified in its entirety by reference to the Plan itself. If any inconsistency exists between the  
19    Plan and this Disclosure Statement, the terms of the Plan shall control. You are urged to  
20    review the Plan and, if applicable, consult with your own counsel about the Plan and its  
21    impact on your legal rights before voting on the Plan.

22                    Capitalized terms used but not defined in this Disclosure Statement shall have  
23    the meanings assigned to such terms in the Plan or the Bankruptcy Code. Factual  
24    information contained in this Disclosure Statement is the representation of Debtor only and  
25    not of its attorneys, consultants or accountants. The information has been obtained from the  
26    books and records of Debtor as well as other sources deemed reliable. Debtor has prepared

1 the information contained herein in good faith, based on information available to Debtor.

2 The information herein has not been subject to a verified audit. No representation  
3 concerning Debtor or the Plan is authorized by Debtor other than as set forth in this  
4 Disclosure Statement.

5 The statements contained in this Disclosure Statement are made as of the date  
6 hereof, unless another time is specified herein, and the delivery of this Disclosure Statement  
7 shall not imply that there has been no change in the facts set forth herein since the date of this  
8 Disclosure Statement and the date the material relied on in preparation of this Disclosure  
9 Statement was compiled.

10 This Disclosure Statement may not be relied on for any purpose other than to  
11 determine how to vote on the Plan. Nothing contained herein shall constitute an admission of  
12 any fact or liability by any party, or be admissible in any proceeding involving Debtor or any  
13 other party, or be deemed advice on the tax or other legal effects of the Plan on the holders of  
14 Claims or Equity Securities.

15 This Disclosure Statement has been approved by Order of the Bankruptcy  
16 Court as containing information of a kind and in sufficient detail to enable a hypothetical  
17 reasonable investor typical of holders of Claims or Equity Securities of relevant classes to  
18 make an informed judgment concerning the Plan. The Bankruptcy Court's approval of this  
19 Disclosure Statement, however, does not constitute a recommendation by the Bankruptcy  
20 Court either for or against the Plan.

21 The Bankruptcy Court has scheduled a hearing on confirmation of the Plan to  
22 commence on \_\_\_\_\_, 2017 at \_\_\_\_\_ Pacific time. That hearing  
23 will be held at the U.S. Bankruptcy Court for the District of Oregon, 1001 SW Fifth Avenue,  
24 Courtroom 1, Portland, Oregon 97204, before the Honorable Peter C. McKittrick. The  
25 hearing on confirmation may be adjourned from time to time by the Bankruptcy Court  
26

1 without further notice except for an announcement made at the hearing on any adjournment  
2 thereof.

3 A ballot has been enclosed with this Disclosure Statement for use in voting on  
4 the Plan. In order to be tabulated for purposes of determining whether the Plan has been  
5 accepted or rejected, ballots must be received at the address indicated on the ballot no later  
6 than 4:00 p.m. on \_\_\_\_\_, 2017. Debtor believes that confirmation of the Plan is  
7 in the best interests of the holders of Claims and urges you to accept the Plan.

8 This Disclosure Statement contains projected financial information and  
9 estimates that demonstrate the feasibility of the Plan of Reorganization and Peak's ability to  
10 continue operations upon emergence from proceedings under the Bankruptcy Code. Peak  
11 prepared such information for the limited purpose of furnishing information to Creditors to  
12 allow them to make an informed judgment regarding acceptance of the Plan of  
13 Reorganization. The projections and estimates of value should not be regarded for the  
14 purpose of this Disclosure Statement as representations or warranties by Peak as to the  
15 accuracy of such information or that any such projections or valuations will be realized.  
16 Actual results could vary significantly from these projections.

## 17 **B. SUMMARY OF THE PLAN**

18 A copy of the Plan is attached hereto as **Exhibit 1** and discussed in detail later  
19 in this Disclosure Statement. The following description of the Plan is intended as a summary  
20 only and is qualified in its entirety by reference to the Plan. Debtor urges each holder of a  
21 Claim to carefully review the Plan, together with this Disclosure Statement, before voting on  
22 the Plan.

23 The Plan establishes a Litigation Trust into which Debtor's claims in the  
24 Machine Zone Litigation, Debtor's assets related to the Machine Zone Litigation, Debtor's  
25 claims against other parties, and claims for avoidance and recovery under Chapter 5 of the  
26 Bankruptcy Code will be placed. The Machine Zone Litigation is described in Sections III.C

1 and V.D. of this Disclosure Statement. Proceeds, if any, from the Litigation Trust Assets will  
2 be paid to Creditors in the same priority as provided in the Bankruptcy Code. As of the date  
3 of this Disclosure Statement, the total amount of Claims filed by Creditors, scheduled by  
4 Debtor, or expected to be incurred as administrative expenses that will have claims against  
5 the Litigation Trust Assets is approximately \$62,000,000. Additional Rejection Claims or  
6 other Claims may be filed by creditors once all equipment is returned and Creditors have  
7 amended their Claims or filed Rejection Claims. If Debtor is successful on its claims in the  
8 Machine Zone Litigation, then all Allowed Claims of Creditors will be paid in full. If Debtor  
9 is not successful in its litigation against Machine Zone or the liquidation of other assets  
10 transferred into the Litigation Trust, then the recovery to Creditors will be significantly  
11 diminished. In that event, the source of payments will be from Reorganized Debtor.

12 With respect to payments from Reorganized Debtor, each Unsecured Creditor  
13 will receive a Pro Rata share of 50% of the Adjusted Net Income of Reorganized Debtor on a  
14 semi-annual basis for four years. The other 50% of Adjusted Net Income of Reorganized  
15 Debtor will be available for distribution to Reorganized Debtor's Series A Preferred Unit  
16 holders and then to Common Unit holders or be retained and reinvested in the company for  
17 future operations. "Adjusted Net Income" is defined as Reorganized Debtor's Adjusted Net  
18 Income from operations measured over a semi-annual calendar period after certain  
19 deductions and adjustments as defined in the Plan. Debtor's projections of the amounts  
20 available to be paid to Unsecured Creditors from the Adjusted Net Income of Reorganized  
21 Debtor are attached hereto as **Exhibit 2**.

22 Alternatively, Creditors with Allowed Claims may elect to convert their debt  
23 into equity in the form of Common Units in Reorganized Debtor as described in detail below  
24 and in the Plan. Any debt converted to equity will no longer be entitled to distributions from  
25 the Litigation Trust or debt payments from Reorganized Debtor. Until equipment vendors  
26 file their amended Claims after the return and liquidation of their equipment and Creditors

1 have made an equity election, Debtor is unable to estimate the total amount of Unsecured  
2 Claims of Creditors who will receive a Pro Rata share of Adjusted Net Income, however the  
3 final percentage distribution to each Creditor from Reorganized Debtor's operations is likely  
4 to be small. As of the date of this Disclosure Statement, the total amount of Unsecured  
5 Claims scheduled by Peak or filed by Creditors is approximately \$55,000,000, including the  
6 claim of Machine Zone in the approximate amount of \$23,000,000. The total number of  
7 unsecured creditors who have filed claims or were scheduled by Debtor is approximately  
8 110.

9 **C. BRIEF EXPLANATION OF CHAPTER 11**

10 Chapter 11 is the principal reorganization provision of the Bankruptcy Code.  
11 Pursuant to Chapter 11, a debtor attempts to reorganize its business for the benefit of Debtor,  
12 its creditors, and other parties in interest.

13 The formulation and confirmation of a plan of reorganization is the principal  
14 purpose of a Chapter 11 case. A plan of reorganization sets forth the method for  
15 compensating the holders of claims and interests in Debtor. If the plan is confirmed by the  
16 Bankruptcy Court, it will be binding on Debtor, its creditors, and all other parties in interest.  
17 A claim or interest is impaired under a plan of reorganization if the plan provides that the  
18 legal, equitable, or contractual rights of the holder of such claim or interest are altered. A  
19 holder of an impaired claim or interest is entitled to vote to accept or reject the plan.

20 Chapter 11 does not require all holders of claims and interests to vote in favor of a plan in  
21 order for the Bankruptcy Court to confirm it. However, the Bankruptcy Court must find that  
22 the plan meets a number of statutory tests before it may approve the plan. These tests are  
23 designed to protect the interests of holders of claims or interests who do not vote to accept  
24 the plan, but who will nonetheless be bound by the plan's provisions if it is confirmed by the  
25 Bankruptcy Court.

1 An Unsecured Creditors' Committee was appointed by the U.S. Trustee's  
2 office early in this case pursuant to 11 U.S.C. §§ 1102(a) and (b). The Committee was  
3 appointed to generally represent the interests of General Unsecured Creditors and to  
4 participate in Debtor's Chapter 11 case with respect to, among other things, the formulation  
5 of a plan of reorganization. The Committee is comprised of:

6 Themesoft, Inc. (Co-Chair)  
7 c/o Sasikanth Nagasubramaniam

## 20 **II. VOTING PROCEDURES AND CONFIRMATION OF PLAN**

### 21 **A. BALLOTS AND VOTING DEADLINE**

22 A ballot to be used for voting to accept or reject the Plan is enclosed with each  
23 copy of this Disclosure Statement. After carefully reviewing this Disclosure Statement and  
24 its exhibits, including the Plan, please indicate your acceptance or rejection of the Plan by  
25 voting in favor or against the Plan on the enclosed ballot as directed below.  
26

1 The Bankruptcy Court has directed that, to be counted for voting purposes,  
2 ballots for the acceptance or rejection of the Plan must be received by Debtor no later than  
3 4:00 p.m. Pacific time on \_\_\_\_\_, 2017 at the following address:

4 Tonkon Torp LLP,  
5 Attention: Spencer Fisher  
6 1600 Pioneer Tower  
888 SW Fifth Avenue  
Portland, OR 97204-2099

7 or via facsimile transmission to Spencer Fisher at (503) 972-3867.

8 Holders of each Claim scheduled by Debtor or with respect to which a Proof  
9 of Claim has been filed will receive ballots and are permitted to vote based on the amount of  
10 the Proof of Claim, except as discussed below. If no Proof of Claim has been filed, then the  
11 vote will be based on the amount scheduled by Debtor in its Schedules. The Bankruptcy  
12 Code provides that such votes will be counted unless the Claim has been disputed,  
13 disallowed, disqualified, or suspended prior to computation of the vote on the Plan. A Claim  
14 to which an objection has been filed is not allowed to vote unless and until the Bankruptcy  
15 Court rules on the objection. Holders of disputed Claims who have settled their dispute with  
16 Debtor are entitled to vote the settled amount of their Claim. The Bankruptcy Code and rules  
17 provide that the Bankruptcy Court may, if timely requested to do so by the holder of such  
18 Claim, estimate or temporarily allow a disputed Claim for the purposes of voting on the Plan.

19 If a person holds Claims in more than one Class entitled to vote on the Plan,  
20 such person will be entitled to complete and return a ballot for each Class. If you do not  
21 receive a ballot or if a ballot is damaged or lost, please contact:

22 Tonkon Torp LLP  
23 Attention: Spencer Fisher  
24 1600 Pioneer Tower  
888 SW Fifth Avenue  
Portland, OR 97204-2099  
Telephone: (503) 802-2167

1 All persons entitled to vote on the Plan may cast their vote for or against the  
2 Plan by completing, dating, and signing the enclosed ballot and returning it, by First Class  
3 mail or hand delivery, to Debtor at the address indicated above. In order to be counted, all  
4 ballots must be executed and received at the above address no later than 4:00 p.m. Pacific  
5 time on \_\_\_\_\_, 2017. Any ballots received after 4:00 p.m. Pacific time on  
6 \_\_\_\_\_, 2017 will not be included in any calculation to determine  
7 whether the parties entitled to vote on the Plan have voted to accept or reject the Plan.

8 Ballots may also be received by Debtor by facsimile transmission to Tonkon  
9 Torp LLP, Attention: Spencer Fisher, at (503) 972-3867. Ballots sent by facsimile  
10 transmission will be counted if faxed to Mr. Fisher and received by 4:00 p.m. Pacific time on  
11 \_\_\_\_\_, 2017.

12 WHEN A BALLOT IS SIGNED AND RETURNED WITHOUT FURTHER  
13 INSTRUCTION REGARDING ACCEPTANCE OR REJECTION OF THE PLAN,  
14 DEBTOR WILL SEEK THAT THE SIGNED BALLOT SHALL BE COUNTED AS A  
15 VOTE ACCEPTING THE PLAN. WHEN A BALLOT IS RETURNED INDICATING  
16 ACCEPTANCE OR REJECTION OF THE PLAN BUT IS UNSIGNED, THE UNSIGNED  
17 BALLOT WILL NOT BE INCLUDED IN ANY CALCULATION TO DETERMINE  
18 WHETHER PARTIES ENTITLED TO VOTE ON THE PLAN HAVE VOTED TO  
19 ACCEPT OR REJECT THE PLAN. WHEN A BALLOT IS RETURNED WITHOUT  
20 INDICATING THE AMOUNT OF THE CLAIM OR INDICATING AN INACCURATE  
21 AMOUNT, THE AMOUNT SHALL BE AS SET FORTH ON DEBTOR'S SCHEDULES  
22 OR ANY PROOF OF CLAIM FILED WITH RESPECT TO SUCH CLAIM OR ORDER  
23 OF THE BANKRUPTCY COURT.

24 **B. PARTIES ENTITLED TO VOTE**

25 Pursuant to Section 1126 of the Bankruptcy Code, each Class of impaired  
26 Claims or Equity Security Holders that is not deemed to reject the Plan is entitled to vote to

1 accept or reject the Plan. Any holder of an Allowed Claim that is in an impaired Class under  
2 the Plan, and whose Class is not deemed to reject the Plan, is entitled to vote. A Class is  
3 "impaired" unless the legal, equitable, and contractual rights of the holders of Claims in that  
4 Class are left unaltered by the Plan or if the Plan reinstates the Claims held by members of  
5 such Class by (1) curing any defaults; (2) reinstating the maturity of such Claim;  
6 (3) compensating the holder of such Claim for damages that result from the reasonable  
7 reliance on any contractual provision or law that allows acceleration of such Claim; and  
8 (4) otherwise leaving unaltered any legal, equitable, or contractual right of which the Claim  
9 entitles the holder of such Claim. Because of their favorable treatment, Classes that are not  
10 impaired are conclusively presumed to accept the Plan. Accordingly, it is not necessary to  
11 solicit votes from the holders of Claims in Classes that are not impaired. Classes of Claims  
12 or Interests that will not receive or retain any money or property under a Plan on account of  
13 such Claims or Interests are deemed, as a matter of law under Section 1126(g) of the  
14 Bankruptcy Code, to have rejected the Plan and are likewise not entitled to vote on the Plan.  
15 Classes 1 through 10 are impaired under Debtor's Plan; Class 11 is unimpaired under  
16 Debtor's Plan.

17 **C. VOTES REQUIRED FOR CLASS ACCEPTANCE OF THE PLAN**

18 As a condition to confirmation, the Bankruptcy Code requires that each  
19 impaired Class of Claims or Interests accept the Plan, subject to the exceptions described  
20 below in the section entitled "Cram Down of the Plan." In a "Cram Down," at least one  
21 impaired Class of Claims must accept the Plan in order for the Plan to be confirmed.

22 For a Class of Claims to accept the Plan, Section 1126 of the Bankruptcy  
23 Code requires acceptance by Creditors that hold at least two-thirds in dollar amount and a  
24 majority in number of the Allowed Claims of such Class, in both cases counting only those  
25 Claims actually voting to accept or reject the Plan. The holders of Claims who fail to vote  
26 are not counted as either accepting or rejecting the Plan. If the Plan is confirmed, the Plan

1 will be binding with respect to all holders of Claims and Interests in each Class, including  
2 Classes and members of Classes that did not vote or that voted to reject the Plan.

3 **D. "CRAM DOWN" OF THE PLAN**

4 If the Plan is not accepted by all of the impaired Classes of Claims and  
5 Interests of Debtor, the Plan may still be confirmed by the Bankruptcy Court pursuant to  
6 Section 1129(b) of the Bankruptcy Code's "Cram Down" provision if the Plan has been  
7 accepted by at least one Impaired Class of Claims, without counting the acceptances of any  
8 Insiders of Debtor, and the Bankruptcy Court determines, among other things, that the Plan  
9 "does not discriminate unfairly" and is "fair and equitable" with respect to each  
10 non-accepting Impaired Class of Claims or Interests. Debtor believes the Plan can be  
11 confirmed even if it is not accepted by all impaired Classes of Claims and hereby requests the  
12 Bankruptcy Court to confirm the Plan in accordance with Section 1129(6) of the Bankruptcy  
13 Code or otherwise modify the Plan in the event any Class of Creditors does not accept the  
14 Plan.

15 **E. CONFIRMATION HEARING**

16 The Bankruptcy Court has scheduled a hearing on confirmation of the Plan to  
17 commence on \_\_\_\_\_, 2017, at \_\_\_\_\_ Pacific time. The confirmation  
18 hearing will be held at the U.S. Bankruptcy Court for the District of Oregon, Courtroom 1,  
19 1001 SW Fifth Avenue, Portland, Oregon, before the Honorable Peter C. McKittrick, United  
20 States Bankruptcy Judge. At the hearing, the Bankruptcy Court will consider whether the  
21 Plan satisfies the various requirements of the Bankruptcy Code, including whether it is  
22 feasible and whether it is in the best interests of the Creditors of Debtor. Prior to the hearing,  
23 Debtor will submit a report to the Bankruptcy Court concerning the votes for acceptance or  
24 rejection of the Plan by the persons entitled to vote thereon.

25 Section 1128(b) of the Bankruptcy Code provides that any party in interest  
26 may object to confirmation of the Plan. Any objections to confirmation of the Plan must be

1 made in writing and filed with the Bankruptcy Court and received by counsel for Debtor and  
2 counsel for the Committee no later than \_\_\_\_\_, 2017, by 4:00 p.m. Pacific  
3 time. Unless an objection to confirmation is timely filed and received, it will not be  
4 considered by the Bankruptcy Court.

13 completely identify, architect, build out, and maintain hosting networks. It takes care of all  
14 the technical needs. As its motto says, "Everything but your code @." Peak has provided the  
15 servers, storage, network, datacenter, and staff for some of the largest online businesses.  
16 Peak's hosting business is essentially a "cloud" service provider for companies that do not  
17 want to build out an operations department to run all of these elements themselves.

18 Peak uses its confidential and proprietary trade secret technology and  
19 know-how to create network architectures that support the growth and volume of user data  
20 exchanged, stored, and processed through its clients' network applications. The complex  
21 network architectures are designed and built by Peak and have thousands of physical  
22 components and corresponding software that are uniquely configured to operate online  
23 applications at high rates of speed without latency, jitters, corruption, or failure. Peak  
24 developed its trade secret network architecture over more than fifteen years, with tens of  
25 thousands of engineering and architectural hours, and millions of dollars invested in its  
26 research and development.

1                   **B.       DEBTOR'S GROWTH**

2                   Peak was founded by Jeffrey Papen in 2001. Over the course of thirteen  
3 years, Peak's revenue grew to approximately \$1 million per month. Starting in 2013, a single  
4 customer, Machine Zone, Inc. ("Machine Zone"), grew Peak to \$5 million in revenue  
5 per month over a 14-month period. To support its work for Machine Zone, Peak purchased  
6 over \$35 million in hardware (approximately \$25 million of which was personally  
7 guaranteed by Mr. Papen) and significantly increased its staff. By 2015, Peak employed  
8 approximately 185 people. Peak's equipment purchases and employee growth was done in  
9 reliance on Machine Zone's promise to pay the monthly recurring network hosting charges  
10 through 2017.

11                   **C.       MACHINE ZONE LITIGATION**

12                   Machine Zone is the developer of Game of War and Mobile Strike, mobile  
13 gaming apps that are played by millions of people around the world who talk, collaborate,  
14 and compete in an expansive virtual environment 24 hours a day, seven days a week, using  
15 their handheld devices. Although free to download, the game is designed to encourage  
16 players to make in-game purchases to gain power and more quickly advance through the  
17 game. Game of War was an instant success and is one of the top grossing mobile gaming  
18 apps, generating millions of dollars in revenue per day and \$600 million annually. Machine  
19 Zone grew rapidly and had a purported valuation of at least \$10 billion.

20                   Peak believes its network architecture is particularly valuable to Machine  
21 Zone because of Peak's thousands of unique design choices, configurations, and command  
22 codes that improve Game of War's speed and reliability, both of which are critical to Game  
23 of War's success and profitability.

24                   Pursuant to the parties' written non-disclosure and network hosting  
25 agreements, Peak permitted Machine Zone to run Game of War using Peak's proprietary and  
26 trade secret network architecture while the parties' hosting contract was in effect. In

1 exchange, Machine Zone agreed to pay Peak monthly recurring charges of approximately  
2 \$4.08 million through at least October 1, 2017. Machine Zone also agreed that if it  
3 terminated the agreement early for convenience, Machine Zone was required to pay the  
4 remaining recurring monthly payments through the full term of the agreement and to cease  
5 using Peak's proprietary and trade secret architecture. Peak believes that shortly after the  
6 parties executed an extended network hosting agreement in February 2015, Machine Zone  
7 induced Peak to allow Machine Zone to copy its trade secret network architecture by falsely  
8 representing that it was building a back-up data center in Las Vegas to serve as a disaster  
9 recovery to Peak's primary data center in Dallas. Machine Zone disputes this. Pursuant to  
10 Machine Zone's representations and subject to the limitations in the parties' written  
11 agreements, Peak provided Machine Zone with its trade secret network topology,  
12 configurations, command codes, and other confidential know-how that, Peak believes,  
13 Machine Zone copied to build an identical network architecture in Machine Zone's  
14 Las Vegas data center.

15 On October 27, 2015, Peak contends that a previously unknown and  
16 undocumented Cisco Systems, Inc. ("Cisco") software bug caused a Cisco Nexus switch in  
17 Peak's network system to malfunction, resulting in a Game of War outage. Cisco, a  
18 third-party vendor, with the help of Peak, immediately began an investigation to determine  
19 what triggered, and how to fix, the previously unknown Cisco bug. Cisco confirmed in  
20 writing that the outage was Cisco's fault and caused by the software bug ID CSCux02122 in  
21 its Nexus switch. Cisco has since released a software patch to fix the bug. The agreement  
22 between Peak and Machine Zone expressly provides that: (1) Peak is not responsible for  
23 network outages caused by vendor software bugs, and (2) a single outage is not grounds to  
24 terminate the agreement. Nevertheless, on October 28, 2015, the day after the network  
25 outage, and without knowing what caused the outage, Peak contends that Machine Zone  
26 notified Peak it was terminating the agreement, claiming that Peak had materially breached

1 the agreement due to the October 27th outage. Peak believes Machine Zone terminated the  
2 agreement early and without cause because it had already obtained and used Peak's trade  
3 secrets, confidential information, and technical know-how to duplicate Peak's network  
4 system and manage its network operations in-house. Machine Zone disputes this.

5 Machine Zone gave formal written notice of termination on October 29, 2015,  
6 but demanded that Peak continue to host Game of War through Peak's Dallas data center  
7 until December 27, 2015. Peak believes this gave Machine Zone sufficient time to transfer  
8 Game of War to its Las Vegas data center without incurring significant revenue loss by  
9 taking the game offline for several weeks. Although Peak could have shut down Game of  
10 War's network operations after being wrongfully terminated, costing Machine Zone tens  
11 of millions of dollars in lost revenue, Peak continued to provide network hosting services in  
12 good faith until December 27, 2015. In doing so, Peak incurred significant dollars in  
13 overhead costs which otherwise would not have been incurred. Machine Zone accepted these  
14 services but concealed for months that it never intended to pay Peak the money owed for  
15 network hosting services from October 1 through December 27, 2015, despite continuing to  
16 accept Peak's performance of its services and generate millions of dollars a day by using  
17 Peak's trade secrets and confidential know-how in Machine Zone's Las Vegas data center.

18 Machine Zone was 80% of Peak's business, and Peak relied on Machine  
19 Zone's promise to pay the remaining \$4.08 million per month in recurring network hosting  
20 charges through the full term of the agreement. In addition to the amounts owed for October  
21 through December 27, 2015, the agreement provides that because Machine Zone terminated  
22 the agreement early and for convenience, Machine Zone must pay Peak the amounts owed  
23 for the remaining term of the agreement (from the date of termination through October 1,  
24 2017), for a total in excess of \$100 million in damages. Under the contract, Peak is also  
25 entitled to pre-judgment interest at the rate of 10% per annum and to recover its attorneys'  
26 fees in the suit. Further, although the agreement requires Machine Zone to cease all use of

1 Peak's trade secrets and confidential information upon termination of the agreement  
2 regardless of whether it was terminated for cause or convenience, Peak believes Machine  
3 Zone is continuing to use Peak's trade secrets and confidential information without  
4 authorization. Finally, based on its investigation, Peak also believes that Machine Zone  
5 breached other provisions of the agreement, including provisions related to the use of  
6 confidential information and to the payments owed on the equipment purchased by Peak to  
7 perform the contract. Peak believes that these breaches, as well as the misrepresentations  
8 that Machine Zone made, provide separate and additional grounds for seeking substantial  
9 damages from Machine Zone.

10 On November 25, 2015, Machine Zone filed a complaint against Peak in the  
11 Superior Court of California, County of Santa Clara, Case No. 1-15-cv-288498. Machine  
12 Zone alleges causes of action for: (1) Breach of Contract; (2) Declaratory Relief of Right to  
13 Terminate MSA; (3) Breach of Covenant of Good Faith and Fair Dealing; (4) Fraudulent  
14 Inducement; (5) Rescission; (6) Negligent Misrepresentation; and (7) Promissory Estoppel.  
15 Machine Zone alleges that Peak Hosting's network architecture failed to meet industry  
16 standards, causing Game of War to have numerous network outages. Machine Zone is  
17 seeking \$23 million in compensatory and consequential damages based on the amounts paid  
18 to Peak Hosting prior to its termination notice.

19 On December 3, 2015, Peak filed its complaint against Machine Zone and  
20 Epic War in the complex department of the Superior Court of California, County of Santa  
21 Clara, Case No. 1-15-cv-288681. Peak alleges causes of action for: (1) Misappropriation of  
22 Trade Secrets; (2) Breach of Contract; (3) Breach of the Implied Covenant of Good Faith and  
23 Fair Dealing; (4) Negligent Misrepresentation; (5) Fraudulent Inducement; (6) Unfair  
24 Competition; (7) Promissory Estoppel; (8) Conversion; and (9) Declaratory Relief. Peak  
25 alleges that Machine Zone's claims that Peak materially breached the Agreement was a  
26 pretext for Machine Zone's decision to terminate the Agreement after building its own data

1 center using Peak's trade secrets and confidential know-how. Peak seeks to recover more  
2 than \$100 million in damages and other relief, including \$97.3 million in liquidated damages  
3 under the contract as well as millions of dollars in pre-judgment interest and contractual  
4 attorneys' fees. Peak also seeks substantial additional monetary and injunctive relief,  
5 including disgorgement of profits, based on its claim that Machine Zone and Epic War  
6 misappropriated Peak's trade secrets to facilitate and expedite Machine Zone's transition to a  
7 new data center in Las Vegas.

8           On December 4, 2015, Peak offered to consolidate the two actions in the  
9 Superior Court's complex civil Litigation department, and proposed the parties stipulate to  
10 maintaining the status quo and preserving all rights while they attempted to mediate the  
11 dispute. On December 23, 2105, Machine Zone stipulated to consolidation of the actions.  
12 On January 4, 2016, the Superior Court issued an order deeming the cases complex within  
13 the meaning of California Rule of Court 3.400. As such, the cases would have a single judge  
14 for all purposes, including trial, and since the judge only handles complex civil litigation, the  
15 trial date would not be postponed due to priority of criminal trials, which frequently occurs in  
16 other civil departments.

17           On January 15, 2016, the Superior Court issued an order consolidating the  
18 cases in the complex department. The same day Peak served its trade secret disclosure  
19 statement with notice to Machine Zone that it intended to appear *ex parte* on January 20,  
20 2016 for hearing on Peak's application for Temporary Restraining Order ("TRO") and Writ  
21 of Attachment ("Writ"). On January 20, 2106, the Superior Court held a hearing on Peak's  
22 TRO and Writ. The Court denied the TRO and Writ without prejudice, and set an early  
23 hearing on Peak's motion for preliminary injunction and permitted limited discovery  
24 concerning Peak's trade secret claims subject to any objections by Machine Zone to Peak's  
25 trade secret disclosure statement. The Court also suggested that the parties pursue an earlier  
26 mediation. Machine Zone agreed to mediation, and on March 8, 2016, the parties attended

1 mediation with the Hon. James Kleinberg (Ret.) at JAMS. The parties did not reach a  
2 settlement.

3 On March 25, 2016, the parties attended the Initial Case Management  
4 Conference ("CMC"). At the CMC, Peak stated it would take its motion for preliminary  
5 injunction off calendar if the Superior Court lifted the stay on discovery and set an early  
6 March 6, 2017 trial date. Machine Zone objected to setting a trial date, and instead requested  
7 phased discovery and motion practice limited to Peak's trade secret claims. The Superior  
8 Court adopted Peak's request and set trial for March 6, 2017, lifting the stay on all discovery,  
9 which was to proceed in accordance with the California Code of Civil Procedure. Thereafter,  
10 the parties exchanged and responded to extensive written discovery, including form and  
11 special interrogatories, requests for production, and requests for admission. The parties also  
12 subpoenaed Cisco, which is located in Northern California and thus within the state court's  
13 jurisdiction, for documents and depositions related to the Cisco software bug.

14 Using outside eDiscovery vendors, the parties engaged in collecting the  
15 substantial volume of electronically stored information ("ESI") from numerous custodians  
16 and datasets, and agreed to produce documents pursuant to mutually agreeable search terms.  
17 The parties extensively met and conferred with Cisco's retained counsel to obtain responsive  
18 documents and deposition dates regarding one of the central liability issues in the case. The  
19 parties also met and conferred on issues related to party discovery, and after Peak served an  
20 amended trade secret disclosure statement to address Machine Zone's objections, the parties  
21 agreed to proceed while reserving right to avoid burdening the Superior Court with discovery  
22 disputes. When Peak filed for bankruptcy, the parties were in the process of preparing to  
23 produce documents and schedule depositions, including Cisco's deposition following Cisco's  
24 production. The status of the litigation following the bankruptcy filing is further described  
25 below.  
26

1 As a result of Machine Zone's departure, Peak's business needs dramatically  
2 changed. For example, Peak initially reduced its work force from approximately 185 people  
3 to less than 50 people; it consolidated its data centers from five to one; it has had to spend  
4 considerable time analyzing its current equipment needs and returning equipment it no longer  
5 required; and it moved out of its prior office space.

6 Mr. Papen and others at Peak have spent and continue to spend significant  
7 time participating in the litigation with Machine Zone and pursuing a judgment against  
8 Machine Zone.

9 **D. CORPORATE OFFICERS, DIRECTORS AND MANAGEMENT**  
10 **TEAM**

11 Peak's management team is currently comprised of (1) Jeffrey Papen, Chief  
12 Executive Officer and founder; (2) Jon Billow, President and Chief Technology Officer; and  
13 (3) Lisa Bunday, Chief Financial Officer; all of whom are located in Oregon. Post-  
14 confirmation, Mr. Billow will serve as the President and principal active manager of  
15 Reorganized Debtor. Mr. Papen will not be part of the management team or receive a salary  
16 but will continue to be involved in the company to generate sales and to focus on the  
17 Machine Zone Litigation. To the extent Mr. Papen generates sales, he is expected to receive  
18 a commission on the same basis as other sales personnel. Sales commissions are generally  
19 calculated at 10% of net revenue received on a contract-by-contract basis.

20 Mr. Billow is responsible for leading Peak in developing an effective strategic  
21 plan to advance its mission and objectives. He provides leadership for all aspects of the  
22 company, including product, system, network, software, customer engineering, sales and  
23 marketing, and operations. His experience in ensuring production efficiency, quality, service,  
24 and cost-effective management of resources is critical to the ongoing success of Peak.

25 Mr. Billow is an experienced executive leader with over 20 years' success as a  
26 C-level executive with companies such as Vircon, Reipan, CPP, and NameSecure.com.

1 Additionally, he has built and sold several IT consultancy companies and worked with many  
2 Fortune 100 companies. Mr. Billow received his master's and bachelor's degrees in  
3 Information Systems from Corlins University. He served in the U.S. Army as a second  
4 lieutenant in the 75th Regiment, 3rd Ranger Battalion. Mr. Billow will remain as President  
5 of Reorganized Debtor, be issued equity of 500 Common Units and be paid an annual  
6 compensation of \$280,000, plus \$50,000 available as incentive bonuses for achieving  
7 revenue and profitability thresholds. All Debtor's employees are at-will employees.  
8 Reorganized Debtor's new equity holders will have the authority to appoint or change  
9 management in accordance with the terms of the LLC Agreement and consistent with the  
10 objectives of the Plan, meaning that Reorganized Debtor's objective must remain to  
11 implement the Plan and make required payments to creditors. There are no retiree benefits to  
12 be paid by Reorganized Debtor.

#### 13 **IV. EVENTS LEADING TO THE BANKRUPTCY FILING**

14 Peak's bankruptcy filing was precipitated by Machine Zone's actions, and the  
15 resulting financial loss to Peak, as described above.

16 As a result of Machine Zone's actions, and before filing its Bankruptcy Case,  
17 Peak made significant cuts in staffing and worked to negotiate payment plans and/or the  
18 return of equipment with many of its lenders and lessors. However, it was unable to reach  
19 agreements with all of its lessors and lenders, and could not afford to continue making  
20 payments on the equipment it leased or financed to support its former customer, Machine  
21 Zone. Machine Zone, for its part, breached its obligations to negotiate in good faith to take  
22 over Peak's payments to the lenders and lessors. As a result, Peak filed for Chapter 11  
23 bankruptcy protection.

1     **V.     SIGNIFICANT POST-PETITION EVENTS**

2             **A.     FIRST DAY MOTIONS**

3             Early in the case, Peak obtained a number of Bankruptcy Court orders  
4     designed to ensure a smooth transition through Chapter 11. These orders authorized Peak to,  
5     among other items, pay employees, make utility deposits, and obtain funds for continued  
6     operations. Peak obtained court approval to use the cash collateral of Bank of the West to  
7     pay the ongoing Chapter 11 expenses through cash collateral orders. The Court entered an  
8     Interim Order Authorizing the Use of Cash Collateral on June 15, 2016 and a Final Order  
9     Authorizing the Use of Cash Collateral on August 4, 2016.

10            **B.     DEBTOR-IN-POSSESSION LOANS**

11            As part of its early transition into bankruptcy, Peak also obtained post-petition  
12     financing to support business operations and fund the out-of-pocket costs associated with the  
13     Machine Zone Litigation. A detailed description of these two loans can be found at  
14     bankruptcy docket numbers 207 and 220 or by contacting counsel for Peak. A summary of  
15     the material terms of the loans is as follows:

16                   **1.     Operating Loan**

17            Peak entered into an agreement with PSA 9, LLC ("PSA 9") whereby PSA 9  
18     agreed to loan Peak up to \$500,000 to support Peak's operations as set forth in the Final  
19     Order Authorizing Debtor to Obtain Unsecured Credit Pursuant to Bankruptcy Rule 4001  
20     (Operating Loan) [ECF No. 207] ("Operating Loan"). PSA 9 is owned by Vernon Ventures,  
21     LLC, which is the sole member and sole manager of PSA 9. Vernon Ventures, LLC is solely  
22     owned by Joyce Chang, who is the wife of the owner of the entity that owns a 20% interest in  
23     Peak. Peak has drawn the entire \$500,000 of the Operating Loan from PSA 9.

24            Pursuant to the terms of Peak's agreement with PSA 9, PSA 9 has an  
25     unsecured Administrative Expense Claim under Section 503(b)(1) of the Bankruptcy Code,  
26     which shall be subject and subordinate only to (a) unpaid fees of the U.S. Trustee pursuant to

1 11 U.S.C. § 1930(a), and (b) unpaid Administrative Expense Claims for professional fees and  
2 expenses to the extent allowed pursuant to 11 U.S.C. § 330 and incurred prior to the entry of  
3 any order converting this case to a case under Chapter 7 of the Bankruptcy Code. The  
4 Operating Loan stated that it may be converted to equity in Reorganized Debtor upon  
5 confirmation of a plan of reorganization. Debtor's Plan provides the terms for conversion of  
6 the Operating Loan to new preferred equity in Reorganized Debtor.

## 7 **2. Litigation Loan**

8 As described below, Peak is represented by Susman Godfrey and Ropers  
9 Majeski in its litigation with Machine Zone. Susman Godfrey is being paid on a contingent  
10 fee basis; Ropers Majeski is being paid by Peak's insurer. Although Peak is not obligated to  
11 pay its legal fees in the litigation as they are incurred, it is obligated to pay out-of-pocket  
12 costs incurred by Susman Godfrey as they are incurred. Accordingly, Peak entered into an  
13 agreement with PSA 9 whereby PSA 9 agreed to loan Peak up to \$1.5 million to cover Peak's  
14 out-of-pocket costs and expenses in the litigation. On August 9, 2016, the Bankruptcy Court  
15 entered a Final Order Authorizing Debtor to Obtain First Priority Secured Credit (Litigation  
16 Loan) [ECF No. 220] (the "Litigation Loan"). As Debtor has represented to the Court, once  
17 funds become available to Mr. Papen, the Debtor intends to seek Court approval for Mr.  
18 Papen to participate in the Litigation Loan by loaning his personal funds to Peak. Although  
19 there was no written agreement between PSA 9 and Mr. Papen, it was the expectation of the  
20 parties that Mr. Papen would fund a portion of the Litigation Loan once his divorce was  
21 finalized, which Debtor anticipates will occur soon. PSA 9 has no other relationship with  
22 Mr. Papen. The Litigation Loan funds will enable Peak's legal counsel to properly prepare  
23 the prosecution and defense of the litigation in a timely manner.

24 Pursuant to the terms of the Litigation Loan, PSA 9 obtained a perfected,  
25 first-position security interest and continuing lien on Peak's right, title, and interest in the  
26 Machine Zone Litigation, which lien is prior to any and all other liens. To date, Peak has

1 drawn \$200,000 of the Litigation Loan from PSA 9. The Litigation Loan will be transferred  
2 to the Litigation Trust and be paid as a Secured Creditor from the proceeds of the Machine  
3 Zone Litigation or, if sufficient proceeds are not available, then as a general Unsecured  
4 Creditor from the other Litigation Trust Assets or Reorganized Debtor. For the avoidance of  
5 any doubt, PSA 9's lien is limited to the proceeds from the Machine Zone Litigation and  
6 does not extend to any proceeds of avoidance actions or proceeds recovered from other  
7 actions commenced by the Litigation Trust.

### 8 **C. RELIEF FROM STAY**

9 Peak has been returning significant amounts of equipment to equipment  
10 vendors both pre- and post-petition. In order to help vendors reduce expenses and be able to  
11 promptly proceed with the liquidation of returned equipment, Peak sought and obtained an  
12 order granting relief from the automatic stay of the bankruptcy to allow each vendor with  
13 equipment that was returned to it by Peak to liquidate that equipment in a commercially  
14 reasonable manner. The relief from stay is not to obtain equipment from Debtor, but to  
15 dispose of any equipment that is voluntarily returned by Debtor to an equipment vendor.

16 In order for Machine Zone's claims against Peak in the litigation to proceed  
17 during Peak's Chapter 11 case, Peak and Machine Zone have entered into a stipulated order  
18 to modify the automatic stay imposed by 11 U.S.C. § 362, such that Peak and Machine Zone  
19 can fully prosecute and defend all claims and defenses in their litigation.

### 20 **D. REMOVAL AND REMAND**

21 The Machine Zone Litigation was originally filed in Superior Court of  
22 California, in Santa Clara County. The case was specially assigned to the complex case  
23 department, given a specific judge, and a date certain trial date was set. The case was to go  
24 to trial in March 2017. After the Bankruptcy Case was filed, Machine Zone filed a Notice of  
25 Removal removing the consolidated Machine Zone action to the United States Bankruptcy  
26 Court for the District of Northern California, Case No. 16-05045 (the "Northern District

1 Action"). The state court subsequently vacated all dates, including trial, and all party and  
2 third-party discovery was put on hold.

3 On July 8, 2016, the parties submitted a stipulation and proposed order in the  
4 Northern District Action, requesting a transfer of venue to the United States District Court  
5 for the District of Oregon under 28 U.S.C. § 1412. The transfer order was entered on  
6 July 15, 2016. On July 22, 2016, Peak filed a Motion for Abstention and to Remand the case  
7 back to state court. On August 29, 2106, the Bankruptcy Court agreed with Peak and entered  
8 an order remanding the proceeding back to California state court. Machine Zone ~~has~~  
9 appealed the Bankruptcy Court's order and the appeal was heard ~~is currently pending~~ in the  
10 United States District Court for the District of Oregon. ~~The matter has been fully briefed.~~  
11 Oral argument ~~is set for~~ was held on February 6, 2017, ~~and~~ on February 7, 2017, the District  
12 Court issued an Opinion and Order denying the appeal and affirming the Bankruptcy Court's  
13 remand order.

14 ~~Peak believes the Bankruptcy Court's remand order will be upheld by the~~  
15 ~~District Court on appeal, and that t~~ The litigation will continue to proceed in California state  
16 court. It is Peak's desire to proceed with the litigation on the merits as quickly as possible. A  
17 case management conference was held in the state court litigation on October 28, 2016. At  
18 that time the state court scheduled a trial in the Machine Zone Litigation to commence on  
19 July 10, 2017. The July trial date was subsequently taken off of the court's docket by the  
20 California state court. Peak believes the trial will now occur in the fall of 2017.

21 On December 5, 2016, the parties engaged in mediation in Newport Beach,  
22 California. All statements and communications made in connection with the mediation  
23 process are strictly confidential and cannot be disclosed. The case did not settle at the  
24 mediation but additional mediation sessions may be held. Subsequent to, and outside of the  
25 mediation, Machine Zone made a settlement offer to Peak on December 8, 2016, which was  
26 not accepted.

1 On December 20, 2016, Machine Zone filed a substitution of attorney in the  
2 Machine Zone Litigation; Machine Zone is now represented by Gibson, Dunn & Crutcher  
3 LLP in the Machine Zone Litigation.

4 **E. RETURN OF EQUIPMENT**

5 As described above, as a result of Machine Zone's departure, Peak's  
6 equipment needs dramatically changed. Since the Petition Date, Peak has continued to spend  
7 considerable time analyzing its current equipment needs and returning equipment it no longer  
8 requires. This has been a time-consuming and difficult process due to operational and  
9 logistical issues. The equipment that has been returned and continues to be returned is being  
10 packaged and located at a third-party warehouse. That warehouse has certain limitations,  
11 including, but not limited to, how much palletized equipment can be on the floor at any one  
12 time. Peak is prohibited from operating the forklifts at the warehouse location; only the third  
13 party is authorized to do so. Once the pallets for a creditor are pulled and staged, all  
14 organization of other creditors' equipment must stop until the first creditor picks up its  
15 equipment. Once the equipment is pulled off the shelf, the final inventory for the pallet is  
16 completed and the pallets are shrink-wrapped to help protect the inventory. These steps take  
17 time and if a creditor does not show up to pick up the inventory on specified date, the process  
18 is delayed. Also, some leases have been assigned to other parties. Where that occurs, pallets  
19 need to be taken apart and resorted so that the equipment can be separated and go to the new  
20 assignee. This all takes time given the significant amount of equipment being returned.

21 **F. CLOSING OF HOSTING BUSINESS AND ASSIGNMENT OF**  
22 **CONTRACTS**

23 Peak's lease for its remaining hosting site expired at the end of 2016. Due to the loss  
24 of the Machine Zone business, Peak needed to downsize the amount of space it leased at that  
25 location. Peak was unable to negotiate an extension of the lease for less space. As a result,  
26 Peak vacated the premises by December 31, 2016 and terminated its hosting. Consequently,

1 Peak is also returning all equipment associated with the hosting operations to the various  
2 equipment lessors and secured creditors. All equipment was removed from the premises by  
3 December 31, 2016 and has been or will be returned to Creditors..

4 Peak entered into an agreement with IT Lynk to assume and assign the Peak hosting  
5 contracts to IT Lynk. In exchange, Peak will receive 5.5% of the monthly recurring revenues  
6 received by IT Lynk for a period of time under those contracts. On December 9, 2016, Peak  
7 filed a Motion to Assume and Assign Executory Contracts (Hosting Agreements) [ECF  
8 No. 428] with the Bankruptcy Court to approve the assumption and assignment, which  
9 Motion was subsequently granted. The transaction with IT Lynk closed by the end of 2016.  
10 Now that the hosting location is closed and the hosting contracts have been assigned to  
11 IT Lynk, Peak will focus exclusively on managed services and consulting work.

#### 12 **G. PAPEN INJUNCTION**

13 Mr. Papen, as founder and 80% owner of Peak, signed numerous personal  
14 guarantees on loans and leases with various vendors. Two of the vendors filed lawsuits to  
15 pursue claims against Mr. Papen on his guarantee during the pendency of the Bankruptcy  
16 Case. Peak believes that Mr. Papen's time, money, and energy is best spent reorganizing  
17 Peak and prosecuting the Machine Zone Litigation. That will result in the highest and best  
18 return to all creditors. Consequently, Peak sought and obtained a preliminary injunction  
19 prohibiting those vendors from pursuing lawsuits or other collection actions against  
20 Mr. Papen pending confirmation of a plan of reorganization. The injunction is presently set  
21 to expire on February 28, 2017, but Debtor ~~will seek~~has requested an extension through the  
22 date a Plan of Reorganization is confirmed.

#### 23 **H. AVOIDABLE LIENS AND PREFERENCES**

24 Peak has not yet undertaken a comprehensive preference analysis, but has  
25 conducted a preliminary analysis. To date, Peak has identified three avoidable liens. At this  
26 time, Peak has entered into stipulated orders with Capital Community Bank and Data Sales

1 Co., Inc. avoiding the liens on the Machine Zone Litigation that were granted to them within  
2 90 days of the Petition Date. Peak attempted to reach a similar order with Collins  
3 Technology Park Partners, LLC and Digital Loudoun Parkway Center North  
4 ("Digital/Collins"), but has been unable to do so to date. On December 2, 2016, Debtor filed  
5 an adversary proceeding against Digital/Collins to avoid its lien and seek the return of funds  
6 paid to it within 90 days of the Petition Date. Peak is not aware of any additional avoidance  
7 actions at this time, but further analysis may disclose avoidance actions not currently  
8 contemplated. The Digital/Collins adversary proceeding and all other preference claims and  
9 other avoidance and recovery claims under Chapter 5 of the Bankruptcy Code will be  
10 transferred to the Litigation Trust.

#### 11 **I. EMPLOYMENT OF PROFESSIONALS**

12 Debtor has retained Tonkon Torp LLP as its general counsel in this case.  
13 Debtor also sought and obtained Bankruptcy Court approval for the employment of  
14 (1) Cascade Capital Group, LLC as a business and financial consultant; (2) Susman Godfrey  
15 LLP ("Susman Godfrey"), as special Litigation counsel, to be paid on a contingent fee basis;  
16 (3) Ropers Majeski Kohn Bentley PC ("Ropers Majeski"), as special Litigation counsel, to be  
17 paid by Debtor's insurance; (4) Henderson Bennington Moshofsky, P.C. and Isler Northwest  
18 LLC, as Debtor's accountants; and (5) Acme Financial, LLC as a valuation consultant.

#### 19 **J. BUSINESS ADJUSTMENTS**

20 Since filing for Chapter 11 protection, Peak has re-evaluated its business  
21 needs and options. First and foremost, as a result of Machine Zone's conduct, Peak was  
22 immediately forced to reduce its data centers from five to one. As stated above, Peak's lease  
23 with its remaining data center expired at the end of 2016. Peak explored numerous options  
24 for extending this lease or moving to a new data center but was unable to do either on a  
25 profitable basis. Because of its loss in revenue due to Machine Zone's actions, Peak  
26 determined that it could not extend its lease for the remaining data center and temporarily

1 ceased providing hosting services. However, Peak will continue operations and reorganize  
2 its business focused on managed services and consulting pending the results of the Machine  
3 Zone Litigation.

4 The move to managed services and consulting will eliminate many fixed  
5 costs. Peak will continue to assess and adjust its staff size, while being careful to retain key  
6 personnel necessary to pursue the Machine Zone Litigation. Peak will retain only a limited  
7 amount of equipment needed for the consulting operations. Peak intends to resume providing  
8 managed hosting services when it receives a recovery in the Machine Zone Litigation or  
9 other opportunities are sufficient to recapitalize the hosting operations.

## 10 **VI. ASSETS AND LIABILITIES**

### 11 **A. ASSETS**

#### 12 **1. Personal Property**

13 As of the Petition Date, Peak's hard assets consisted primarily of  
14 computer-related equipment. A detailed list (120 pages in length) of this equipment can be  
15 found at Schedule B, Attachment #3 [Docket No. 113]. The equipment was either leased  
16 pursuant to true leases or financed pursuant to capital leases. To the extent a portion of  
17 equipment under a lease is being retained, Peak will pay the present value of that equipment  
18 as a Secured Claim. As of the Effective Date, Peak will have returned all equipment that is  
19 not necessary for its continued operations. As of the Petition Date, Peak also had some  
20 miscellaneous office furniture and capital equipment with little market value. A list of those  
21 items can be found at Schedule B, Attachments #1 and #2 [Docket No. 113]. Peak also had  
22 cash and accounts receivable as of the Petition Date, including a receivable from Mr. Papen  
23 in the amount of \$262,032.58. Peak has made demand for payment of Mr. Papen's receivable  
24 and expects to be paid prior to confirmation.

25 Peak's primary asset is its claims against Machine Zone in the Machine Zone  
26 Litigation: (a) misappropriation of trade secrets, (b) breach of contract, (c) breach of the

1 implied covenant of good faith and fair dealing, (d) negligent misrepresentation,  
2 (e) fraudulent inducement, (f) unfair competition, (g) promissory estoppel, (h) conversion,  
3 and (i) declaratory relief. The basis for these claims is described in detail in Section III.C  
4 above. Peak's contract damages in the Machine Zone Litigation are in excess of  
5 \$100 million, plus interest and attorneys' fees, and Peak may be amending its claims after  
6 additional discovery to increase the amount of the claims asserted against Machine Zone.

## 7 **B. LIABILITIES**

### 8 **1. Bank of the West**

9 According to the proof of claim filed by Bank of the West, the amount of debt  
10 owing to Bank of the West as of the Petition Date is \$6,278,189.39 in principal, plus  
11 \$21,627.07 in interest, and \$8,855.67 in late charges. The obligations of Peak to Bank of the  
12 West are secured by a perfected blanket security interest in Peak's inventory, equipment,  
13 accounts, general intangibles, and the contract claims in the Machine Zone Litigation, among  
14 other things.

### 15 **2. Equipment Lenders**

16 **a. Operating Leases.** Peak had operating leases for equipment  
17 with numerous lessors. Peak has rejected all of its operating leases pursuant to an Order  
18 Granting Debtor's Motion to Reject Executory Contracts and Unexpired Leases entered on  
19 September 15, 2016 [ECF No. 290]. It initially retained certain equipment with various  
20 lessors pursuant to stipulated adequate protection orders. However, with the closing of the  
21 hosting business, Peak will only be retaining certain laptops, desktops and miscellaneous  
22 equipment for use in its ongoing consulting business. All other equipment is no longer being  
23 used by Peak and has been, is in the process of being, or will be returned to the equipment  
24 vendors. The lessors will have Unsecured Claims for any deficiency balance owing after  
25 mitigating their damages by liquidating the returned equipment. The equipment lessors with  
26 leases that have been rejected include the following:

- Banc of America has an operating lease (assigned from Winthrop) identified by Debtor as PE040115-001 and PE040115-A01.
- Bank of the West has an operating lease (sold by Western (assigned from VAR)) identified by Debtor as DAL2 Build Sch 7.
- Data Sales Co. has an operating lease identified by Debtor as Lease #54-10159 Sch 10, Lease #54-10159 Sch 6, Lease #54-10159 Sch 7, Lease #54-10159 Sch 8, and Lease #54-10159 Sch 9.

- Ever Bank has an operating lease (assigned from VAR) identified by Debtor as DAL2 Build Sch 4.
- HP Financial Services has an operating lease identified by Debtor as Sch 1, Sch 2, Sch 3, Sch 4, Sch 5, Sch 6, Sch 7, and Sch 8.
- NFS has an operating lease identified by Debtor as 2014-205 Sch 3, 900-6454564-542, 900-6454564-544, 900-6454564-545, 900-6454564-547, and 900-6454564-548.

- Winthrop Resources Corporation has an operating lease identified by Debtor as PE040115-A02.

Debtor has determined it will retain certain equipment previously leased from Data Sales. Data Sales will be treated as a Class 4 Claim to the extent of the retained equipment.

**b. Capital Leases and Secured Loans.** Peak also has capital leases for equipment with numerous secured lenders. Capital leases are disguised financing agreements in which the lessors are actually lenders. The Claims of those creditors are classified as Secured Claims to the extent equipment is being retained and unsecured for the balance of their claim. Certain parties dispute Debtor's characterization of capital leases as disguised financing agreements. Peak has returned, is in the process of returning, or will return to its lenders all of the equipment related to the hosting business so most issues over the characterization as a true lease or disguised financing agreement will not be material.

The capital lease equipment lenders as of the Petition Date were as follows:

- Axis Capital Inc. and Debtor are parties to a secured financing agreement identified by Debtor as Axis Sch 1, and Axis Sch 2.
- Balboa Capital Corporation has a capital lease (assigned from VAR) identified by Debtor as 173339-001, Splunk 1, and Splunk 2.

Debtor has determined that it will retain certain equipment from US Bank, Huntington Technology, and Bank of the West for continued use in the consulting business. US Bank will be treated as a Class 3 Claim, Huntington Technology as a Class 2 Claim, and Bank of the West as a Class 1 Claim with respect to the retained equipment.

### **3. Unsecured Creditors**

The total number of unsecured creditors who were either scheduled by Peak or filed claims is approximately 110. The total amount of Unsecured Claims scheduled by Peak or filed by Creditors is approximately \$55,000,000 (including the approximately \$23,000,000 claim of Machine Zone) as of the date of this Disclosure Statement. This amount excludes any duplication for scheduled and filed claims. Peak estimates that additional Rejection Claims will be filed after the return and liquidation of the equipment which may substantially increase the claims amounts. Peak is unable to estimate the amount of Rejection Claims at this time as Peak's books and records reflect monthly amounts previously owing to lessors and not total payments for the entire duration of the lease. Consequently, Peak is unable to estimate at this time what will be the final total amount of all Unsecured Claims.

Peak expects it will prevail in the Machine Zone Litigation in an amount that will provide for payment in full to Unsecured Creditors and result in a distribution to Interest holders. If Peak does not prevail in the Machine Zone Litigation, General Unsecured Creditors will still be entitled to distributions from Reorganized Debtor's operations. Assuming that Peak distributes ~~\$767,000~~\$891,930 of Adjusted Net Income -from 2017 through 2021, as it projects, and assuming there are Allowed Claims of \$55 million, General Unsecured Creditors will receive a distribution from Reorganized Debtor of approximately

1.41.6%. If the Allowed Claim amounts are more or less than \$55 million, the distributions to General Unsecured creditors will increase or decrease accordingly. Notably, the \$55 million in claims schedule by Peak or filed by creditors includes Machine Zone's claim filed in the approximate amount of \$23 million to which Debtor has filed an objection. The actual distribution to Unsecured Claims will not be known until all Rejection Claims have been filed and all Claim objections have been resolved. Alternatively, Creditors are given the right to convert their debt into equity in Reorganized Debtor. However, such an investment should be based on the long-term future of Reorganized Debtor as the projections indicate that any return on investment to Common Unit holders would not begin to be realized until the year 2021. Prior to that time all funds are projected to be distributed to Creditors or in payment of the Series A Preferred Unit holder.

## VII. DESCRIPTION OF PLAN

### A. BRIEF EXPLANATION OF CHAPTER 11

Chapter 11 is the principal business reorganization chapter of the Bankruptcy Code. Under Chapter 11, a debtor is authorized to reorganize its business for the benefit of itself, its creditors, and equity holders. In addition to permitting rehabilitation of Debtor, another goal of Chapter 11 is to promote equality of treatment of creditors and equity holders of equal rank with respect to the distribution of a debtor's assets. In furtherance of these two goals, upon the filing of the reorganization under Chapter 11, Section 362 of the Bankruptcy Code generally provides for an automatic stay of substantially all acts and proceedings against Debtor and its property, including all attempts to collect debts or enforce liens that arose prior to commencement of Debtor's case under Chapter 11.

The confirmation of a plan of reorganization is the principal objective of a Chapter 11 reorganization case. A plan of reorganization sets forth the means for satisfying claims against, and interests in, a debtor. Confirmation of a plan of reorganization by a bankruptcy court makes the plan binding upon Debtor, any issuer of securities under the plan,

1 any person acquiring property under the plan, and any creditor and any equity holder of  
2 Debtor. Subject to certain limited exceptions provided by the Bankruptcy Code, and except  
3 as specifically provided in the plan of reorganization, the confirmation order discharges  
4 Debtor from any debt that arose prior to the date of such confirmation and order and  
5 substitutes therefore the obligations specified in the plan.

6 **B. SOLICITATION AND CLASSIFICATION AND TREATMENT OF**  
7 **CLAIMS AND EQUITY SECURITIES**

8 **1. General**

9 Pursuant to Section 1123(a)(1) of the Bankruptcy Code, a Plan of  
10 Reorganization must designate classes of Claims and classes of interest. The Plan classifies  
11 all Claims and Interests into eleven classes, including a class of Small Unsecured Claims for  
12 administrative convenience pursuant to Section 1122(b) of the Bankruptcy Code. The  
13 classification of Claims and Interests is made for the purpose of voting on the Plan and  
14 making distributions thereunder, and for ease of administration of the Plan. A Claim or  
15 Interest is classified in a particular Class only to the extent that the Claim or Interest qualifies  
16 within the description of that Class and is classified in a different Class to the extent that the  
17 Claim or Interest qualifies within the description of such different Class. A Claim or Interest  
18 is entitled to vote in a particular Class and to receive distributions in such Class only to the  
19 extent that such Claim or Interest is an Allowed Claim or Allowed Interest in that Class and  
20 has not been paid prior to the Effective Date. Under the Plan, a Claim or Interest is an  
21 Allowed Claim against or an Allowed Interest in Debtor to the extent that (a) proof of the  
22 Claim or Interest was (1) timely filed, or (2) deemed filed under applicable law by reason of  
23 an order of the Bankruptcy Court; or (3) scheduled by Debtor on its Schedules of Liabilities  
24 as neither contingent, unliquidated or disputed; and (b) (i) no party in interest has filed an  
25 objection within the time fixed by the Bankruptcy Court; or (ii) the Claim or Interest is  
26 allowed by Final Order; and (iii) with respect to an application for compensation or

1 reimbursement of an Administrative Expense Claim, the amount of Administrative Expense  
2 Claim has been approved by the Bankruptcy Court.

## 3                   **2.       Unclassified Claims**

4                   Administrative Expense Claims and Priority Tax Claims are not classified.  
5                   An Administrative Expense Claim is a Claim against Debtor constituting an expense of  
6 administration of the Bankruptcy Case allowed under Section 503(b) of the Bankruptcy Code  
7 including, without limitation, the actual and necessary costs and expenses of preserving the  
8 estate and operating Debtor's business during the Bankruptcy Case; claims for the value of  
9 goods received by Debtor within 20 days before the Petition Date sold in the ordinary course  
10 of business; any indebtedness or obligations incurred by Debtor during the pendency of the  
11 Bankruptcy Case in connection with the provision of goods or services to Debtor;  
12 compensation for legal and other professional services and reimbursement of expenses; and  
13 statutory fees payable to the U.S. Trustee.

14                   A "Priority Tax Claim" is a Claim of a governmental unit of the kind entitled  
15 to priority under Section 507(a)(8) of the Bankruptcy Code or that would otherwise be  
16 entitled to priority but for the Secured status of the Claim. Each holder of an Allowed  
17 Priority Tax Claim shall be paid by Reorganized Debtor, commencing on the 12th day of the  
18 first full month following the Effective Date or the date the Claim is Allowed, the full  
19 amount of its Allowed Priority Tax Claim as allowed by 11 U.S.C. § 1129(a)(9)(C) and (D)  
20 in equal amortizing monthly payments of principal and interest at the non-default rate  
21 determined under applicable non-bankruptcy law or, if there is no such defined rate, then at a  
22 rate equal to the prime rate plus 1% fixed as of the Confirmation Date, or such other rate as  
23 determined by the Bankruptcy Court, over a period ending June 12, 2021. There have been  
24 Property Tax Claims filed in the amount of \$48,128.

25                   Pursuant to the Plan of Reorganization, Administrative Expense Claims will  
26 be paid in full on the later of the Effective Date or the date on which any such Administrative

Expense Claim becomes an Allowed Claim unless such holder shall agree to a different treatment of such Claim (including, without limitation, any different treatment that may be provided for in any documentation, statute, or regulation governing such Claim). However, the Administrative Expense Claims representing liabilities incurred in the ordinary course of business (including amounts owed to vendors and suppliers that have sold goods or furnished services to Debtor after the Petition Date), if any, will be paid in accordance with the terms and conditions of the particular transactions and any other agreements relating thereto. Debtor will include the estimated amount of such expenses in the Report of Administrative Expense Claims to be filed prior to the hearing on confirmation.

### 3. Classified Claims

The following summary of distributions under the Plan to Classified Claims does not purport to be complete and is subject to, and is qualified in its entirety by reference to, the Plan attached hereto as **Exhibit 1**.

**a. Class 1 (Bank of the West).** Bank of the West ("BOW") asserts a blanket lien on substantially all of Debtor's assets, including Peak's contract claims in the Machine Zone Litigation, to secure its Allowed Secured Claim.

BOW will retain its interest in its Collateral with the same priority that it had on the Petition Date except that BOW's lien in the Litigation Trust shall be subordinate to the Litigation Loan pursuant to the Final Order Authorizing Debtor to Obtain First Priority Secured Credit (Litigation Loan) [ECF No. 220]. BOW will retain its lien on all assets transferred into the Litigation Trust including, but not limited to, Peak's account receivable due from Machine Zone, Peak's contract causes of action against Machine Zone and other parties, and Peak's intellectual property assets. BOW will be repaid the full amount of its Allowed Secured Claim from the Litigation Proceeds as, and to the extent, such funds become available. In addition, BOW will have a Secured Claim against Reorganized Debtor's assets equal to the greater of (a) \$803,449 that consists of \$781,149 (representing

Debtor's accounts receivable as of the Petition Date minus offsets), plus \$22,300 (representing the fair market value calculated at 20% of the original purchase price) of equipment collateral being retained by Reorganized Debtor comprised of Thunderbolt (S/N C02KL6Z1F2GC), Thunderbolt Display (S/N C02KL6YUF2GC), Macbook Air 13 (S/N C1MP3CZ5G085), Thunderbolt (S/N C02MR8JVF2GC), Macbook Pro 15 (S/N C02Q421XG8WL), Thunderbolt (S/N C02MH4VZF2GC), Macbook Pro 15 (S/N C02PV9DMG8WN), Asus (S/N ECLMTF164922), Asus (S/N ECLMTF164929), MacBook Pro 15 (S/N C02PX1V0G8WL), Thunderbolt Display (S/N C02GP8MBDJGR), MacBook Pro (S/N C02PW5CXG8WN), Asus Display (S/N F7LMTF165239), Asus Display (S/N FLMTF165265), MacBook Pro 15 (S/N C02Q32GHG8WL), Asus Display (S/N F7LMTF164718), Macbook Pro (S/N C02PX97ZG8WN), Thunderbolt Display (S/N C02ML8CQF2GC), Thunderbolt Display (S/N C02ML4PTF2GC), Macbook Pro (S/N C02PNYG0G8WN), Thunderbolt Display (S/N C02MH4WAF2GC), MacBook Pro (S/N C02PJ2CKG3QN), Asus Display (S/N ECLMTF111848), ASUS Display (S/N ECLMTF164638), MacBook Pro (S/N C02Q3DW0G8WN), Thunderbolt Display (S/N C02L83A4F2GC), Thunderbolt Display (S/N C02M70PNF2GC), Macbook Pro (S/N C02PJ2DCG3QN), Lenovo (S/N PFOABTOE), Asus Display (S/N F7LMTF165272), Thunderbolt Display (S/N C02NX4YMF2GC), Macbook Pro (S/N C02PJ22YG3QN), Lenovo (S/N pf08mvlrPF9XB5528090), Asus (S/N F7LMTF165274), Thunderbolt Display (S/N C02NL3T8F2GC), Asus Display (S/N F4LMTF158717), MacBook (S/N C02Q2006G8WP), Macbook Pro (S/N C02H70CQDW48), Thunderbolt Display (S/N C02N80UCF2GC), MacBook (S/N C02PL1TWG3QN), Thunderbolt Display (S/N C02NK4A9F2GC), Thunderbolt Display (S/N C02PP421F2GC), Asus Display (S/N F4LMTF158727), Asus Display (S/N F4LMTF159323), Macbook Pro (S/N C02PL1PEG3QN), Macbook Pro (S/N C02Q50T9G8WL), Thunderbolt (S/N C02NR1BXF2GC), Thunderbolt (S/N C02MH5CYF2GC), Thunderbolt (S/N

3 value of BOW's collateral being retained by Reorganized Debtor as of the Effective Date as  
4 determined in accordance with 11 U.S.C. § 506(a). BOW has not yet indicated if it agrees or  
5 disagrees with this estimated value of the equipment being retained by Debtor. All BOW's  
6 remaining equipment collateral will be surrendered to BOW. The proceeds, after liquidation  
7 of BOW's equipment collateral, shall reduce BOW's total Allowed Claim but not the secured  
8 amount to be paid by Reorganized Debtor. Reorganized Debtor will pay the greater of  
9 \$803,449 or, in the event of a dispute regarding the value, the value of the collateral being  
10 retained by Reorganized Debtor as determined in accordance with 11 U.S.C. § 506(a) in  
11 monthly payments of interest only commencing on the 15th day of the first full month  
12 following the Effective Date and continuing on the 15th day of each month thereafter for the  
13 first 12 months and thereafter in equal amortizing payments of principal and interest at a  
14 fixed rate of 4.5% per annum, or, in the event of a dispute over the applicable interest rate, at  
15 such other rate fixed by the Bankruptcy Court at confirmation for an additional 36 months.  
16 In the event the Litigation Proceeds distributed to BOW and payments from Reorganized  
17 Debtor are insufficient to pay BOW's claim in full, BOW will have an unsecured Deficiency  
18 Claim for the unpaid balance.

19 BOW will also retain its lien on Peak's contract claims in the Machine Zone  
20 Litigation transferred into the Litigation Trust, which lien shall be a second lien position on  
21 the Litigation Proceeds, subject only to the Litigation Loan. In the event the Litigation is not  
22 successful, BOW will have an unsecured deficiency claim against Reorganized Debtor for  
23 the unpaid balance of its Claim.

24 Alternatively, at the time it files its ballot accepting or rejecting Debtor's Plan,  
25 BOW may elect to convert some or all of its Allowed Claim into Common Units of  
26 Reorganized Debtor. The conversion rate shall be 1 Common Unit issued for each \$1,000 of

1 Allowed Claim, subject to a minimum conversion requirement of \$10,000 for 10 Common  
2 Units of Reorganized Debtor.

3 **b. Class 2 (Huntington Technology Finance, Inc.).** Prior to the  
4 Petition Date, Huntington Technology Finance, Inc., as assignee of Fort Capital Resources,  
5 LLC, ("Huntington") entered into Equipment Finance Agreement No. xxx3161 with Debtor  
6 dated March 16, 2015, Equipment Finance Agreement No. xxx3261 with Debtor dated  
7 April 1, 2015, and Equipment Finance Agreement No. xxx4291 with Debtor dated April 29,  
8 2015, under which Huntington financed the purchase of certain equipment by Debtor.  
9 Huntington perfected its security interest in that equipment collateral as set forth in UCC 15-  
10 7462623612 filed in California on May 1, 2015.

11 Debtor intends to keep the following equipment that was financed by  
12 Huntington:

13 Macbook Pro: C02NR0NZG3QN

14 MacBook: C02NV046G9JN

15 Thunderbolt: SC02NJ4RYF2GC

16 Macbook Pro: SC02PC0FXG3QN

17 The equipment that Debtor intends to keep is worth \$4,500 based on Debtor's  
18 estimate of the fair market value of the retained equipment, which was calculated at 20% of  
19 the original purchase price. Huntington has not yet indicated if it agrees or disagrees with  
20 this estimated value. All remaining collateral has been or will be surrendered to Huntington.  
21 Huntington will have a first priority lien position on the equipment retained as its collateral.  
22 Huntington will have an Allowed Secured Claim [against Reorganized Debtor](#) in the amount  
23 of \$4,500 or in the event of a dispute over the value of the equipment retained by  
24 Reorganized Debtor, then the value as determined in accordance with 11 U.S.C. § 506(a).  
25 Reorganized Debtor will pay that amount in monthly payments of interest only commencing  
26 on the 15th day of the first full month following the Effective Date and continuing on the

1 15th day of each month thereafter for the first 12 months, and thereafter in equal amortizing  
2 monthly payments of principal and interest at the 4.5% per annum or, in the event of a  
3 dispute over the applicable interest rate, at such other rate fixed by the Bankruptcy Court at  
4 confirmation, for an additional 24 months.

5 Alternatively, to the extent Huntington's Allowed Claim equals or exceeds  
6 \$10,000, Huntington may, at the time it casts its ballot accepting or rejecting Debtor's Plan,  
7 elect to convert some or all of its Allowed Claim into Common Units of Reorganized Debtor.  
8 The conversion rate shall be 1 Common Unit in Reorganized Debtor for each \$1,000 of  
9 Allowed Claim, subject to a minimum conversion requirement of \$10,000 for 10 Common  
10 Units of Reorganized Debtor.

11 c. **(U.S. Bank Equipment Finance)**. Prior to the Petition Date,  
12 Debtor leased certain equipment from U.S. Bank, N.A. d/b/a/ U.S. Bank Equipment Finance,  
13 as assignee of VAR Resources Inc. ("US Bank") pursuant to five capital lease agreements in  
14 2013 and 2014. US Bank perfected its security interest in that collateral as set forth in  
15 UCC 13785441258 filed in California on November 6, 2013, UCC 137389145485 filed in  
16 California on December 4, 2013, UCC 137389443496 filed in California on December 5,  
17 2013, UCC 147424065134 filed in California on August 11, 2014, and UCC 15-7446200049  
18 filed in California on January 21, 2015. Debtor intends to keep the following equipment for  
19 use in ongoing operations:

20 Macbook Pro: C02NR0PEG3QN

21 Macbook Pro: SC02NT2N2G3QN

22 Macbook Pro: SC02NT26EG3QN

23 Thunderbolt: SC02NL1NMF2GC

24 Thunderbolt: SC02NL1SFF2GC

25 The equipment that Debtor intends to keep is worth \$3,000 based on Debtor's  
26 estimate of the fair market value of the retained equipment, which was calculated at 20% of

1 the original purchase price. US Bank has not yet indicated if it agrees or disagrees with this  
2 estimated value. All remaining collateral has been or will be surrendered to US Bank. US  
3 Bank will retain its first priority lien position on the equipment retained as its collateral. US  
4 Bank will have an Allowed Secured Claim against Reorganized Debtor in the amount of  
5 \$3,000 or in the event of a dispute over the value of the equipment retained by Reorganized  
6 Debtor, then the value as determined in accordance with 11 U.S.C. § 506(a). Reorganized  
7 Debtor will pay that amount in monthly payments of interest only commencing on the 15th  
8 day of the first full month following the Effective Date and continuing on the 15th day of  
9 each month thereafter for the first 12 months, and thereafter in equal amortizing monthly  
10 payments of principal and interest at 4.5% per annum or, in the event of a dispute over the  
11 applicable interest rate, at such other rate fixed by the Bankruptcy Court at confirmation, for  
12 an additional 24 months.

13 Alternatively, at the time it files its ballot accepting or rejecting Debtor's Plan,  
14 US Bank may elect to convert some or all of its Allowed Claim into Common Units of  
15 Reorganized Debtor. The conversion rate shall be 1 Common Unit issued for each \$1,000 of  
16 Allowed Claim, subject to a minimum conversion requirement of \$10,000 for 10 Common  
17 Units of Reorganized Debtor.

18 **d. Class 4 (Data Sales Co., Inc.).** Prior to the Petition Date,  
19 Debtor and Data Sales Co., Inc. ("Data Sales") entered into Master Equipment Lease No. 54-  
20 10159 dated July 15, 2010, under which Data Sales leased certain equipment to Debtor.  
21 Thereafter, Debtor and Data Sales Company of the Netherlands B.V. ("Data Sales BV")  
22 entered into a Master Equipment Lease Agreement No. 54-80005 dated January 10, 2014,  
23 under which Data Sales BV leased certain separate equipment to Debtor. Data Sales and  
24 Data Sales BV are affiliated entities. Debtor, Data Sales, and Data Sales BV entered into a  
25 Cross-Default and Cross-Collateral Agreement dated January 10, 2014, with respect to  
26 Master Equipment Lease No. 54-10159 and Master Equipment Lease Agreement No. 54-

1 80005. Pursuant to a series of equipment schedules, Data Sales and Data Sales BV leased  
2 equipment to Debtor. Data Sales filed nine UCC Financing statements in California on  
3 May 27, 2015 perfecting its interest in the equipment. Debtor has rejected the Data Sales  
4 Master Equipment Lease and Data Sales BV Master Equipment Lease Agreement, and all  
5 equipment that Debtor leased from Data Sales BV will be returned, except Debtor intends to  
6 keep the following equipment for use in ongoing operations:

7 Macbook Air 13: C02MN0L4FH00

8 Thunderbolt: C02MC0FWF2GC

9 Thunderbolt Display: C02MC0G6F2GC

10 Thunderbolt Display: C02MT02QF2GC

11 Thunderbolt Display: C02LC43SF2GC

12 MacBook: C02M516QFD58

13 Thunderbolt Display: C02MT01RF2GC

14 Macbook Pro 13: C02MM3G7FH00

15 Macbook Pro 13: C02N11UWFH00

16 The equipment that Debtor intends to keep is worth \$10,000 based on  
17 negotiations with Data Sales over the fair market value of the equipment and change from an  
18 operating lease to a secured claim. Notwithstanding the negotiations between Debtor and  
19 Data Sales as to the fair market value of the retained equipment, Data Sales has not yet  
20 indicated if it will ultimately agree or disagree with this estimated value. All remaining  
21 equipment has been or will be surrendered to Data Sales. Data Sales will have a first priority  
22 lien upon the equipment retained as its collateral. Data Sales will have an Allowed Secured  
23 Claim against Reorganized Debtor in the amount of \$10,000 or in the event of a dispute over  
24 the value of the equipment retained by Reorganized Debtor, then the value as determined in  
25 accordance with 11 U.S.C. § 506(a). Reorganized Debtor will pay that amount in monthly  
26 payments of interest only commencing on the 15th day of the first full month following the

Effective Date and continuing on the 15th day of each month thereafter for the first 12 months, and thereafter in equal amortizing monthly payments of principal and interest at 4.5% per annum or, in the event of a dispute over the applicable interest rate, at such other rate fixed by the Bankruptcy Court at confirmation, for an additional 24 months.

Alternatively, at the time it files its ballot accepting or rejecting Debtor's Plan, Data Sales may elect to convert some or all of its Allowed Claim into Common Units of Reorganized Debtor. The conversion rate shall be 1 Common Unit issued for each \$1,000 of Allowed Claim, subject to a minimum conversion requirement of \$10,000 for 10 Common Units of Reorganized Debtor.

e. **Class 5 (Digital Loudoun Parkway Center, North, LLC and Collins Technology Park Partners, LLC).** Digital Loudoun Parkway Center, North, LLC ("Loudoun") and Collins Technology Park Partners, LLC ("Collins") (together, "Digital/Collins") were parties to datacenter lease agreements with Debtor. Specifically, Loudoun and Debtor entered into a Deed of Datacenter Lease Agreement and related documents for a datacenter located in Virginia on December 2, 2012; Collins and Debtor entered into a Datacenter Lease Agreement and related documents for a datacenter located in Texas with an effective date of April 29, 2014.

Digital/Collins and Debtor entered into an Agreement Terminating Leases on or after March 18, 2016, pursuant to which Debtor (i) paid Digital/Collins \$30,000, (ii) granted to Digital/Collins a security interest in and lien on Debtor's claims against Machine Zone, Inc. and Epic War LLC in the litigation styled *Peak Web LLC v. Machine Zone, Inc. and Epic War LLC* pending in Superior Court of California, County of Santa Clara, Case No. 1-15-cv-288681 (the "Litigation") to secure indebtedness then owing by Debtor to Digital/Collins, and (iii) granted Digital/Collins a priority distribution scheme from the proceeds of the Litigation. Debtor scheduled Digital/Collins as a precautionary creditor. Digital/Collins did not file a proof of claim. Digital/Collins now assert a secured claim of

1 approximately \$8 million pursuant to the Agreement Terminating Leases. Debtor filed  
2 adversary proceeding number 16-03145-pcm against Digital/Collins to avoid the Agreement  
3 Terminating Leases as a preference and Debtor disputes that Digital/Collins have a valid  
4 secured claim. Digital/Collins filed an answer to the adversary proceeding. To the extent  
5 Digital/Collins prevail in the adversary proceeding, they will receive payments pursuant to  
6 the terms of the Agreement Terminating Leases, as described above, which payments will be  
7 subordinate to the Litigation Loan and Bank of the West and senior to payments to  
8 Unsecured Creditors. To the extent Debtor prevails in the adversary proceeding, and if  
9 Digital/Collins has an Allowed Claim, it will be treated as a Class 8 Unsecured Creditor.

10 Alternatively, at the time it files its ballot accepting or rejecting Debtor's Plan,  
11 Digital/Collins may elect to convert some or all of its Allowed Claim into Common Units of  
12 Reorganized Debtor. The conversion rate shall be 1 Common Unit issued for each \$1,000 of  
13 Allowed Claim, subject to a minimum conversion requirement of \$10,000 for 10 Common  
14 Units of Reorganized Debtor.

15 **f. Class 6 (Richardson Independent School District of Texas).**

16 Richardson Independent School District ("Richardson") has filed a secured proof of claim in  
17 the amount of \$6,777.60 for unpaid ad valorem property taxes secured by personal property.  
18 Pursuant to sections 32.01, 32.05, and 32.07 of the Texas Property Tax Code, Richardson's  
19 claim is automatically perfected as a matter of law and remains perfected even if Debtor no  
20 longer owns the personal property in question. Richardson shall be paid its Allowed Secured  
21 Claim in equal amortizing monthly payments of principal and interest at the annual rate of  
22 12%, or if the applicable interest rate is in dispute, at such other rate as determined by the  
23 Bankruptcy Court, commencing on the 12th day of the first full month following the  
24 Effective Date or the date the Claim is Allowed, over a period ending June 12, 2021.

25 Alternatively, at the time it files its ballot accepting or rejecting Debtor's Plan,  
26 Richardson may elect to convert some or all of its Allowed Claim into Common Units of

1 Reorganized Debtor. The conversion rate shall be 1 Common Unit issued for each \$1,000 of  
2 Allowed Claim, subject to a minimum conversion requirement of \$10,000 for 10 Common  
3 Units of Reorganized Debtor.

4 **g. Class 7 (Dallas County Texas).** Dallas County (Texas) has  
5 filed a secured proof of claim in the amount of \$3,652.81 for unpaid ad valorem taxes  
6 secured by personal property. Pursuant to sections 32.01, 32.05, and 32.07 of the Texas  
7 Property Tax Code, Dallas County's claim is automatically perfected as a matter of law and  
8 remains perfected even if Debtor no longer owns the personal property in question. Dallas  
9 County shall be paid its Allowed Secured Claim in equal amortizing monthly payments of  
10 principal and interest at the annual rate of 12%, or if the applicable interest rate is in dispute,  
11 at such other rate as determined by the Bankruptcy Court, commencing on the 12th day of  
12 the first full month following the Effective Date or the date the Claim is Allowed over a  
13 period ending June 12, 2021.

14 Alternatively, at the time it files its ballot accepting or rejecting Debtor's Plan,  
15 Dallas County may elect to convert some or all of its Allowed Claim into Common Units of  
16 Reorganized Debtor. The conversion rate shall be 1 Common Unit issued for each \$1,000 of  
17 Allowed Claim, subject to a minimum conversion requirement of \$10,000 for 10 Common  
18 Units of Reorganized Debtor.

19 **h. Class 8 (General Unsecured Claims).** Each General  
20 Unsecured Claim will be paid (i) its Pro Rata share of the Unsecured Creditor Proceeds of the  
21 Litigation Trust, plus (ii) its Pro Rata share of 50% of the Adjusted Net Income of  
22 Reorganized Debtor calculated over a semi-annual calendar period, with payments to be  
23 made on the 45th day following the end of each full semi-annual calendar period after the  
24 Effective Date and continuing on each February 15th and August 15th thereafter until 50% of  
25 Adjusted Net Income for eight full semi-annual calendar periods has been paid, plus  
26 (iii) interest, if applicable, on its Allowed Claim at the federal judgment rate [or, in the event](#)

1 [of a dispute over the applicable interest rate, as determined by the Bankruptcy Court](#), up to  
2 the full amount until its Allowed Claim.

3 Alternatively, at the time it files its ballot accepting or rejecting Debtor's Plan,  
4 to the extent a General Unsecured Creditor's Allowed Claim equals or exceeds \$10,000, that  
5 General Unsecured Creditor may elect to convert some or all of its Allowed Claim into  
6 Common Units of Reorganized Debtor. The conversion rate shall be 1 Common Unit issued  
7 for each \$1,000 of Allowed Claim, subject to a minimum conversion requirement of \$10,000  
8 for 10 Common Units of Reorganized Debtor.

9 **i. Class 9 (Administrative Convenience Claims).** Class 9  
10 consists of all Allowed Unsecured Claims in the amount of \$3,000 or less, or that have been  
11 reduced to \$3,000 by timely election of the holders thereof. Each holder of a Class 9 Claim  
12 will be paid (i) 25% of its Allowed Claim in cash within nine months after the Effective  
13 Date, plus (ii) its Pro Rata Share of the Unsecured Creditor Proceeds of the Litigation Trust,  
14 ~~plus (iii) including-~~ interest on its Allowed Claim at the federal judgment rate, [or, in the event](#)  
15 [of a dispute over the applicable interest rate, as determined by the Bankruptcy Court](#), up to  
16 the full amount of its Allowed Claim. Debtor anticipates that there will be approximately 31  
17 to 45 Administrative Convenience Claimants, which will result in a total initial payment of  
18 approximately \$6,700 - \$16,888.

19 **j. Class 10 (Equity Security Holders).** Class 10 consists of the  
20 Interests held by the Equity Security Holders of Debtor as of the Petition Date. All existing  
21 equity Interests in Debtor shall be cancelled and extinguished as of the Effective Date as to  
22 Reorganized Debtor. New equity in Reorganized Debtor will be issued as set forth in  
23 Section VII.E.2.a below. Interest holders are entitled to receive distributions from the  
24 Litigation Trust only after all Trust expenses and all Allowed Claims have been paid in full,  
25 with interest.

26 **k. Class 11 (Other Secured Claims).** Class 11 consists of

1 Allowed Secured Claims not otherwise classified or provided for under the Plan. Debtor will  
2 surrender the equipment or other tangible collateral securing the Allowed Secured Claim of  
3 each Class 11 Creditor to that Creditor in full satisfaction of each Class 11 Creditor's  
4 Allowed Secured Claim. To the extent that a Class 11 Creditor has an Allowed Deficiency  
5 Claim, any such Claim will be treated as a Class 8 or Class 9 Claim. Any and all setoff  
6 rights of Class 11 Creditors are preserved subject to Section 553 of the Bankruptcy Code and,  
7 if applicable, in accordance with Section 2.4.2 of the Litigation Trust Agreement.

### 8 C. ADMINISTRATIVE EXPENSES

9 Debtor has retained the following professionals: (a) Tonkon Torp LLP as its  
10 general counsel in this case; (b) Cascade Capital as its consultant and chief restructuring  
11 officer, (c) Susman Godfrey and Ropers Majeski as its special Litigation counsel, and  
12 (d) Henderson Bennington Moshofsky, P.C. and Isler Northwest LLC as its accountants. The  
13 Unsecured Creditors' Committee has retained Ball Janik LP as its counsel. Certain Creditors  
14 may also file Administrative Expense Claims. The total amount of Administrative Expense  
15 Claims is uncertain at this time but Debtor anticipates Administrative Claims at confirmation,  
16 including approximately \$642,000 in claims of professionals (net of retainers), to be  
17 approximately \$742,000, except to the extent Administrative Claims not yet filed may  
18 subsequently be filed. It is anticipated that some professionals may agree to defer payment  
19 of their Administrative Claim, if necessary. Debtor's Plan provides the terms for conversion  
20 of the Operating Loan to new preferred equity in Reorganized Debtor so the Operating Loan  
21 will not be treated as an Administrative Expense Claim. In accordance with local rules,  
22 Debtor will file a report setting forth estimated amounts for Administrative Expense Claims  
23 prior to the plan confirmation hearing.

24 Winthrop Resources Corporation ("Winthrop") filed an administrative  
25 expense claim for \$144,802.37; Presidio Technology Capital, LLC ("Presidio") filed an  
26 administrative expense claim for \$124,121.90; Banc of American Leasing & Capital, LLC

1 ("Banc of America") filed an administrative expense claim for more than \$80,000. Debtor  
2 has filed objections to Winthrop, Presidio and Banc of America's administrative expense  
3 claims and believes they are entitled to no administrative expense claims. To the extent other  
4 equipment vendors may seek to file an administrative expense claim, Debtor intends to file  
5 an objection. Debtor's estimate of administrative expense claims at confirmation excludes  
6 administrative expense claims filed by Winthrop, Presidio and Banc of America.

7 **D. EXECUTORY CONTRACTS**

8 The Bankruptcy Code gives debtors the right, after commencement of their  
9 Chapter 11 Cases, subject to the approval of the Bankruptcy Court, to assume or reject  
10 executory contracts and unexpired leases. Generally, an "executory contract" is a contract  
11 under which material performance (other than the payment of money) is still due by each  
12 party. To the extent they have not been rejected already, the Plan provides for the rejection  
13 by Debtor of all its executory contracts with equipment vendors except those subject to a  
14 motion or order to assume or to assume and assign pending as of, or entered prior to, the  
15 Effective Date. Debtor is not aware of any defaults in executory contracts that it is assuming  
16 that would require it to make cure payments.

17 If an executory contract or unexpired lease is or has been rejected, the  
18 Creditor may file a proof of claim for damages resulting from such rejection. An Order  
19 Granting Debtor's Motion to Reject Executory Contracts and Unexpired Leases [ECF  
20 No. 290] was entered on September 15, 2016 and provided that any rejection Claims or  
21 Administrative Claims by equipment lessors identified therein must be filed on or before  
22 October 13, 2016 or such Claim would be barred. The Plan provides that all other contracts  
23 rejected through the Plan file a Proof of Claim with respect to any such rejection Claim  
24 within 30 days of the Bankruptcy Court's approval of the rejection of the relevant executory  
25 contract or unexpired lease. Any such Claim shall constitute a Class 8 or Class 9 Claim to  
26 the extent that such Claim is finally treated as an Allowed Claim. To the extent Debtor

1 rejects an unexpired lease of nonresidential real property, the Claim for damages resulting  
2 from such rejection will be limited to the amount allowed under the Bankruptcy Code.

3 **E. IMPLEMENTATION OF THE PLAN**

4 Implementation of the Plan will be in two components: the creation of and  
5 transfer of certain assets to a Litigation Trust and, separately, the continued business  
6 operations of Reorganized Debtor.

7 **1. Litigation Trust**

8 A Litigation Trust shall be established in the form attached to the Plan as  
9 **Exhibit A** or a trust agreement substantially similar thereto as approved by the Bankruptcy  
10 Court. The Litigation Trust shall hold (a) Peak's claims against Machine Zone in *Peak Web*  
11 *LLC v. Machine Zone, Inc., Epic War LLC and Does 1 through 10, inclusive*, Santa Clara  
12 County Superior Court Case No. 1-15-cv-288681 and all other claims Debtor may have  
13 arising out of or related to any of the facts, circumstances, events or issues raised therein  
14 against Machine Zone, Inc., Epic War LLC, and Does 1 through 10 inclusive; (b) any and all  
15 other claims or causes of action in any way related to or arising out of the facts,  
16 circumstances, events, or issues described therein whether against Machine Zone, Epic War,  
17 or any other party, whether or not that party is or may become a party to the above-captioned  
18 litigation or another action that may be subsequently filed, including, but not limited to, all  
19 the assets listed in question #74 of Debtor's Second Amended Schedule B; (c) all Debtor's  
20 intellectual property rights and trade secrets as of the Confirmation Date; (d) all claims for  
21 avoidance and recovery under Chapter 5 of the Bankruptcy Code, and (e) any other claims or  
22 assets transferred to the Litigation Trust pursuant to the Plan, Confirmation Order, or the  
23 Litigation Trust Agreement, and any income, proceeds, profits, revenue, or assets generated  
24 therefrom. The transfer shall be made pursuant to 11 U.S.C. §§ 1123(a)(5)(B) and  
25 1123(b)(3)(B) of the Bankruptcy Code. The purpose of the Litigation Trust is to prosecute  
26 the Machine Zone Litigation and other assets through trial or otherwise litigate and liquidate

1 Debtor's claims and distribute the proceeds to the Creditors of Debtor in the same order of  
2 priority as set forth in the Bankruptcy Code. The Litigation Trust Agreement provides that  
3 Mr. Mark Calvert will be the initial Litigation Trustee. Debtor believes Mr. Calvert is well  
4 qualified to act as the Litigation Trustee. Mr. Calvert is the Managing Director of Cascade  
5 Capital Group, a boutique investment banking firm that has experience with a wide variety of  
6 matters. Mr. Calvert is a Certified Public Accountant (CPA), Certified Insolvency and  
7 Recovery Advisor (CIRA), Certified Turnaround Professional (CTP), and a Certified Fraud  
8 Examiner (CFE). He has over 35 years of experience working with troubled companies, and  
9 in the past 10 years has restructured in excess of \$5 billion in debt in and outside of formal  
10 bankruptcy proceedings. He has an extensive understanding of business, financial matters,  
11 and litigation.

12 Mr. Calvert has been involved in over 80 litigation matters where the amounts  
13 in dispute involved hundreds of millions of dollars. Notably, Mr. Calvert has acted in a  
14 trustee capacity in the past where he was required to assume responsibilities similar to those  
15 of the Litigation Trustee in this case. For example, in *In re Consolidated Meridian Funds*,  
16 (Bankr. E.D. Wash, Case No. 10-17952), Mr. Calvert was appointed as the liquidating trustee  
17 to oversee the liquidation of the four consolidated debtors' assets, including two lawsuits  
18 seeking damages in excess of \$100 million each against an accounting firm and a bank, both  
19 with attorneys on a success fee basis. He also oversaw 60 avoidance lawsuits (and resulting  
20 mediation) and retained and managed attorneys both on an hourly and success fee basis.

21 Mr. Calvert also worked as the trustee in *In re Natural Molecular Testing*  
22 *Corporation* (Bankr. W.D. Wash., Case No. 13-19298). In his role as trustee, he oversaw  
23 numerous avoidance actions and the litigation of a more than \$80 million dispute with the  
24 U.S. Department of Justice. Again, Mr. Calvert managed attorneys on this matter.

25 Mr. Calvert has also acted as a damages expert, including the matter of  
26 *Shahinian et al. v. Kimberly-Clark Corporation et al.* (C.D. Cal., Case No. CV 14-8390

DMG), a multi-party matter in which the plaintiffs assert fraud and violations of unfair competition law claims and seek damages in hundreds of millions of dollars, and the matter of *Biloxi Freezing & Processing, Inc., et al. v. Mississippi Power Company* (Harrison County Circuit Court, Miss. Case No. A2401-16-45), in which the plaintiffs seek damages for alleged unfair business practices and fraud. Mr. Calvert is well qualified to act as the Litigation Trustee.

The Litigation Trustee will act in consultation with and at the direction of the Litigation Trust Committee. The Litigation Trust Committee will consist of Mr. Papen, one person designated by the Litigation Loan Lender, and one person designated by the Unsecured Creditors' Committee. The Litigation Trust shall have the full authority to take all necessary actions and steps to fully liquidate and distribute the Litigation Trust Assets, to incur debt to the extent necessary to prosecute the claims assigned to the Litigation Trust and to retain professionals as needed. The existing Litigation Loan and the contingency fee agreement with Susman Godfrey shall be assigned to the Litigation Trust and shall remain in full force and effect. The BOW junior secured lien on the contractual claims and other assets in the Litigation Trust shall remain in full force and effect. Any offset rights of Machine Zone shall be preserved pursuant to Section 2.4.2 of the Litigation Trust Agreement. The Litigation Trust will be separate and distinct from Debtor and Reorganized Debtor and be fully governed by the terms of the Litigation Trust Agreement.

## **2. Reorganized Debtor Operating Company**

Reorganized Debtor shall be comprised of the operating company which will consist of all remaining assets of Debtor not transferred to the Litigation Trust. Reorganized Debtor shall continue to operate and make payments to Creditors from future operations as otherwise described in this Disclosure Statement and the Plan.

**a. New Equity.** On the Effective Date, all existing equity will be deemed cancelled in Reorganized Debtor. Reorganized Debtor will issue new Series A

1 Preferred Units and new Common Units. The Operating Loan Lender will be issued 500,000  
2 Series A Preferred Units of Reorganized Debtor in full satisfaction of its Operating Loan.  
3 Reorganized Debtor's management will initially be issued 500 Common Units. Those units  
4 will be issued to Mr. Billow. Creditors will have the option to convert their Allowed Claims  
5 into Common Units. For the avoidance of any doubt, Creditors who have Allowed Claims or  
6 Claims subject to an objection may make the election to convert their Claims to equity but  
7 only creditors with finally Allowed Claims will be issued Common Units. A Creditor may  
8 convert \$1,000 of its Allowed Claim into 1 Common Unit of Reorganized Debtor, subject to  
9 a minimum conversion requirement of \$10,000 for 10 Common Units of Reorganized  
10 Debtor. If a Creditor elects to convert its Allowed Claim from debt to equity in Reorganized  
11 Debtor then the Creditor will no longer be entitled to any distributions from the Litigation  
12 Trust or receive debt payments from Reorganized Debtor on account of the Claim amount  
13 converted to equity. THE ELECTION TO CONVERT ALL OR A PORTION OF AN  
14 ALLOWED CLAIM TO COMMON UNITS IN REORGANIZED DEBTOR MUST BE  
15 MADE BY THE CREDITOR AT THE SAME TIME IT DELIVERS ITS BALLOT TO  
16 DEBTOR; A CREDITOR'S ELECTION TO CONVERT ALL OR A PORTION OF AN  
17 ALLOWED CLAIM TO COMMON UNITS IN REORGANIZED DEBTOR IS  
18 INDEPENDENT OF A CREDITOR'S DECISION TO SUBMIT A BALLOT TO ACCEPT  
19 OR REJECT THE PLAN. Debtor believes that holders of Common Units will not receive  
20 any economic benefit for at least four years from the Effective Date, during which time  
21 Reorganized Debtor's Adjusted Net Income will be used to pay General Unsecured Creditors  
22 and the holders of the Series A Preferred Units. Any conversion by a Creditor of its Claim  
23 from debt to equity in Reorganized Debtor should be considered a long-term investment.  
24  Creditors may contact Spencer Fisher in Debtor's counsel's office at  
25 503-802-2167 or spencer.fisher@tonkon.com to receive a copy of a discounted cash flow  
26 analysis of future revenue of the Company as of April 1, 2017. Creditors who are interested

1 in converting Allowed Claims to Common Units in Reorganized Debtor, as set forth herein,  
2 can receive additional information to the extent it exists, is relevant, and is appropriate to be  
3 provided, by contacting Spencer Fisher in Debtor's counsel's office at 503-802-2167 or  
4 spencer.fisher@tonkon.com, verifying that the request for additional information is solely for  
5 purposes of deciding whether to convert an Allowed Claim to Common Units, and entering  
6 into a standard form confidentiality agreement with Debtor agreeing that any information  
7 provided will be used solely for purposes of evaluating whether to convert their claim from  
8 debt to Common Units of equity in Reorganized Debtor.

9           The rights, preferences, and privileges of equity unit holders are set out in the  
10 Amended and Restated Limited Liability Company Agreement of Peak Web, LLC ("LLC  
11 Agreement") attached to the Plan as **Exhibit B**. The following is a summary of certain  
12 material terms of the LLC Agreement. This summary does not purport to describe all the  
13 terms of the LLC Agreement. This summary is qualified by reference to the complete LLC  
14 Agreement, which is attached as **Exhibit B** to the Plan and incorporated by reference. All  
15 creditors are urged to read the LLC Agreement carefully and in its entirety. Capitalized  
16 terms not otherwise defined below are as defined in the LLC Agreement.

17                           **(i) Rights Of Members**

18           The Company is a limited liability company and will issue units and its  
19 owners will be called members. The rights of the members will be governed by the LLC  
20 Agreement and the California Revised Uniform Limited Liability Company Act.

21                           **(ii) Classes of Membership Units**

22           The Company will be able to issue two classes of units: Series A Preferred  
23 Units and Common Units. The LLC Agreement authorizes up to 800,000 Common Units, of  
24 which ~~179,500~~119,500 are reserved for issuance to employees, officers, directors, or  
25 managers of the Company under a Unit Plan ("Reserved Units"), and 500,000 Series A  
26 Preferred Units.

PSA 9 will receive all 500,000 Series A Preferred Units in the Company in full satisfaction of its Operating Loan. PSA 9, as the holder of all the Series A Preferred Units, will have voting rights and will have an initial capital account currently estimated to equal \$510,974.84, representing amounts due under the Operating Loan as of April 1, 2017.

The Common Units of the Company (other than the Reserved Units) will be offered to creditors of the Company with Allowed Claims. Such creditors will be allowed to convert a minimum of \$10,000 in Allowed Claims for 10 Common Units, and thereafter, \$1,000 in Allowed Claims for each additional 1 Common Unit. Based on ~~the~~ a discounted cash flow valuation analysis of future revenue of the Company as of April 1, 2017, 1 Common Unit of the Company shall represent an initial Capital Account value as of April 1, 2017 of ~~\$1,491.50~~ \$1,491.50 on a fully diluted basis.

The Company will issue 500 Common Units to Jon Billow, as President of the Company.

### **(iii) Board of Managers**

The Company will be managed by a Board of Managers, which will have three managers, each with one vote. The LLC Agreement provides that the initial Board of Managers will be comprised of one person selected by PSA 9 as the Series A Preferred Unit holder, one manager selected by Majority Approval of the Common Members, and the third manager to be the President of the Company, initially Jon Billow.

The Board of Managers of the LLC will have complete authority to manage and control the Company and its business, subject only to rights reserved to the Members as discussed below and under the California Uniform Limited Liability Company Act. Decisions of the Board require the affirmative vote of a majority of managers present at a meeting at which a quorum is in attendance. A quorum will be present if a majority of the managers are present.

1 In addition, Cash Available for Distribution shall be distributed in such  
2 amounts and at such times as determined by the Board of Managers and the Series A  
3 Preferred Member. If distributions of Cash Available for Distribution are made, it shall be  
4 distributed to Members as follows: (i) First, to the Series A Preferred Member until the  
5 Series A Preferred Member has received an amount equal to 4.5% interest per annum,  
6 compounded monthly, on its initial Capital Account balance, until fully paid (the "Preferred  
7 Return"); (ii) Second, to the Series A Preferred Member until the Series A Preferred Member  
8 has received an amount equal to its initial Capital Account balance; and (iii) Third, to the  
9 Common Members in proportion to their respective Percentage Interests of Common Units.  
10 Upon the Company's distribution to the Series A Preferred Member an amount, together with  
11 all prior amounts distributed, such that the Series A Preferred Member has collectively  
12 received from all such distributions an amount equal to its initial Capital Account plus the  
13 Preferred Return), then such final distribution will be in full payment and liquidation of the  
14 Series A Preferred Units, and upon such distribution the rights and privileges of the Series A  
15 Preferred Member as a Member and holder of Series A Preferred Units will cease without  
16 any further action on the part of the Company or the Series A Preferred Member.

17 **(vi) Transfer Restrictions**

18 No holder of Units will be permitted to Transfer Units except as provided  
19 under the LLC Agreement. A holder of Units may transfer Units to (i) the Company, or  
20 (ii) any Person approved by the Company through written action of the Board of Managers.

21 **b. Section 1145 Exemption**

22 Pursuant to section 1145 of the Bankruptcy Code, the issuance of the Series A  
23 Preferred Units and Common Units are exempt from, among other things, the registration  
24 requirements of section 5 of the Securities Act and any other applicable United States, state,  
25 or local law requiring registration for offer or sale of a security or registration or licensing of  
26 an issuer of, underwriter of, or broker or dealer in, a security.

1 c. Section 701 Exemption

2 The 500 Common Units being issued to Mr. Billow are part of his  
3 compensation, so pursuant to SEC Rule 701, the issuance of those Common Units is exempt  
4 from the registration requirements of section 5 of the Securities Act.

5 **e.d. Reorganized Debtor's Operations.** In the past, Debtor  
6 provided both hosting and consulting services. The business model going forward is based  
7 only upon operations as a managed services and consulting business. The hosting business is  
8 very capital-intensive, and is based on an economy of scale concept. There is a minimum  
9 revenue level required to maintain a profitable hosting business based on the fixed costs of a  
10 data center, operational support personnel, and shared infrastructure (network bandwidth and  
11 equipment, etc.). Once that minimum break-even threshold has been exceeded, the  
12 incremental cost to add revenue is small, and as such the profitability of a hosting business  
13 scales very well. Consulting, on the other hand, is much simpler; there is a linear  
14 relationship between revenue and costs with consulting, as every dollar of consulting is tied  
15 to an hourly labor rate. There are fewer opportunities to increase marginal profitability in  
16 consulting as opposed to hosting, but a consulting business can be profitable at almost any  
17 revenue level. As Peak focuses more on consulting opportunities however, it believes that  
18 hosting opportunities will continue to be present. As soon as Peak has the financial ability  
19 from the Litigation Proceeds, or capital investments, or finds a large enough opportunity to  
20 cross that minimum profit barrier, it expects to return to a blended hosting/consulting  
21 business model to leverage the overall profitability of Reorganized Debtor.

22 The managed services and consulting business has historically been profitable  
23 for Peak and can continue to be so. While every company, regardless of its industry is  
24 becoming more dependent on technology, their ability to hire and retain technology staff is  
25 not keeping pace. There is no software or hardware that is able to run itself without human  
26 intervention during the configuration, implementation, or troubleshooting/maintenance

1 phases. All technology, especially cloud technology, needs talented and experienced  
2 engineers to be successful. Managed services and consulting are another way of saying  
3 "outsourcing," where companies trade off W2 employees for 1099 contractors and service  
4 contracts. This provides companies an opportunity to selectively employ talented engineers  
5 that they could not afford or keep busy on a full-time basis. It also allows for companies to  
6 retain specific transitory skill sets on a per-project basis.

7 Peak has over 15 years of experience in the managed services and consulting  
8 space. Peak's expertise includes managing Amazon Web Services (AWS) Cloud  
9 implementation, as well as the implementation of most enterprise and data center server,  
10 storage, and network solutions. Peak has a particularly strong reputation for unsurpassed  
11 network engineering capabilities. Peak has successfully performed managed services and  
12 consulting work for a number of entities including JDate, MySpace, Facebook, YouTube,  
13 Hi5, Hulu, AppNexus, Veoh, SMS.ac, and Oversee.

14 The managed services model Reorganized Debtor will be providing is similar  
15 to the services Peak has offered for the last 15 years, except now the hardware and data  
16 center will be owned by the customer, instead of Peak. This positions Peak well to be able to  
17 leverage its expertise and best practices, while at the same time not incurring the high fixed  
18 overhead and necessity for scale to offer profitable managed hosting.

19 The primary productized services to be offered by Reorganized Debtor will be  
20 global network assessment, architecture design, operational remediation, and software-  
21 defined networking engagements. Computer and telephone networks are the backbone of  
22 global enterprises, and the evolving complexity, regulatory requirements, and demands on  
23 these networks is increasing at an extraordinary rate. Additionally, the advent of "Software  
24 Defined Networking" has allowed companies to view their network as software to be  
25 manipulated, automated, and managed in an entirely new way. Peak has the industry  
26 expertise to capitalize on these opportunities in a way that very few other firms are able.

1 Peak already has several Fortune 100 customers who are consuming these services, and this  
2 is the target client base for the services moving forward. These companies have the scale,  
3 complexity, and reliance on their network, paired with the financial wherewithal to recognize  
4 the value Peak provides.

5 Of Peak's projected revenue for April through December, 2017, 46%  
6 [\(\\$1,589,760\)](#) is based on signed contracts with existing customers. In addition to these  
7 signed contracts, an additional 40% [\(\\$1,382,400\)](#) of Peak's projected revenue for April  
8 through December, 2017 is based on anticipated contracts with existing customers who enter  
9 into quarterly or job specific contracts with Peak.

10 ~~d.e.~~ **Reorganized Debtor's Personnel.** Jon Billow will be the  
11 president and principal active manager of Reorganized Debtor. Mr. Billow has extensive  
12 experience in the consulting industry, having worked primarily in this field for his entire  
13 career spanning over 24 years. He was a founding partner of Napier Corporation, a project-  
14 based technology consulting firm. He grew the firm over four years from two people to over  
15 100 billable engineers, and in 1998, successfully sold the firm to Exodus Communications.  
16 Customers were primarily Fortune 1000 clients in the areas of Network infrastructure  
17 deployment, data center migrations, and information security audit and intrusion detection  
18 analysis.

19 Subsequent to that, Mr. Billow became the Chief Information Officer for  
20 NameSecure Inc. – a network domain registration company. While there, he oversaw the  
21 development of the technology platform and professional services team. When the company  
22 was acquired by Network Solutions, the valuation for the acquisition was primarily based on  
23 this technology platform and engineering team. In 2002, Mr. Billow founded Reipan  
24 International (an IT consulting firm), and over the course of eight years built the firm to over  
25 300 billable engineers. In 2010, Reipan was sold to an international IT consulting firm  
26 looking to expand by acquiring industry leaders in enterprise IT security. Through these

1 acquisitions, Mr. Billow has generated over \$125 million in shareholder value, and has  
2 established a successful track record of doing so via organically growing firms in a self-  
3 funded, profitable manner.

4 Reorganized Debtor will substantively be following this same proven,  
5 successful recipe that Mr. Billow has used his entire career – the products, services,  
6 methodology, targeted customer base, and growth model are identical to the firms where  
7 Mr. Billow has historically generated significant shareholder value. As stated above,  
8 Mr. Billow will initially receive 500 Common Units in Reorganized Debtor.

9 Mr. Papen will also assist in the growth and development of the consulting  
10 business. Mr. Papen started Peak Web LLC as a network consulting company (Peak Web  
11 Consulting), with Mr. Papen having spent significant time developing the global network  
12 strategy, design, and implementations for companies such as Yahoo, MySpace, etc. As such,  
13 Mr. Papen has over 20 years' experience working side-by-side with management at these  
14 companies; individuals who have subsequently founded their own companies, and have  
15 become extremely influential in the industry. Mr. Papen maintains these relationships and,  
16 combined with his reputations and experience as a keynote speaker at industry events, has the  
17 ability to gain access to decision makers and senior level buyers in target customer prospect  
18 companies for Reorganized Debtor. Mr. Papen will not receive any ownership units in  
19 Reorganized Debtor.

20 Additional management for Reorganized Debtor will be Erin Stadick, who has  
21 been with Peak for three years, and has a long tenure in network engineering. Mr. Stadick is  
22 the Director of Strategic Development. Michelle Koert, who has been with Peak for two  
23 years and has significant experience with professional services with IBM/Sungard, will be a  
24 sales executive.

25 **e.f. Reorganized Debtor's Operating Projections.** Peak will  
26 provide consulting and managed services as a profitable and growing business. Peak projects

1 that it will generate approximately \$3.5 million in 2017 (\$4.5 million annualized), growing to  
2 an annual revenue of approximately \$7.5 million by the end of 2020. The projected revenue  
3 increase is based upon expectations from a proven, experienced sales force and consultants  
4 with the experience customers are looking for. ~~The projections are not based on third party~~  
5 ~~analyses or market studies.~~ Peak's financial projections do not reflect the additional revenue  
6 that would be earned once it returns to the hosting business after its anticipated recovery in  
7 the Machine Zone Litigation. Reorganized Debtor's projected operating revenue and  
8 expenses are attached hereto as **Exhibit 2** and explained below. (Reorganized Debtor's  
9 projected Adjusted Net Income, 50% of which will be paid to Unsecured Creditors semi-  
10 annually for four years, are also attached hereto as **Exhibit 2**.)

11 (i) **General Methodology and Assumptions.** The projections are  
12 based upon existing consulting contracts and Debtor's expectations of developing future  
13 business with existing contacts and others within the industry as guided by management  
14 knowledge, expectations, and experience. The projections were prepared by management of  
15 the Company with the help of Mr. Calvert, the CRO. The projections include a number of  
16 assumptions, all based upon anticipated revenue growth as determined by management. The  
17 major assumption is sales growth. The final projections are conservative, reasonable, and are  
18 achievable.

19 (ii) **Overview.** The projected revenue assumes that the Company  
20 exited the managed hosting space by December 31, 2016 due to the loss of the primary data  
21 center space. By the Confirmation Date, the Debtor will have shifted its full focus to a  
22 consulting model. Debtor for the past several years performed consulting services for both  
23 managed hosting customers and non-hosting pure consulting clients. As such, the revision in  
24 the business model is not a new business venture, but rather a focus on the consulting side of  
25 the business. Additionally, the consulting business enjoys scalability while costs are variable  
26 based upon active contracts and sales. Thus, the business is scalable.

1                   **(iii) Sales.** The success of meeting the revenue forecast sits with  
2 the sales team, who have a proven track record and strong commission incentives to drive  
3 sales. The sales team will be focused on selling consulting engagements and will no longer  
4 be pulled between selling managed hosting and consulting. Debtor expects that each  
5 consulting engagement will have a duration of approximately three to four months with an  
6 average engagement generating approximately \$300,000 in gross revenue. [Debtor currently](#)  
7 [does not have any binding contracts beyond 2017.](#) Management used its personal business  
8 experience and current sales pipeline reports to extrapolate sales projections based on its  
9 number of sales representatives and estimating the potential of its accounts. In addition,  
10 Debtor believes that it will need to be competitively priced for the first year or two. As the  
11 client base continues to build in the industry (and the negative of the bankruptcy dissipates)  
12 Reorganized Debtor will be able to be more selective in clients and rates charged will  
13 improve accordingly. Peak projects that its billing rates will decrease from 2017 to 2018 by  
14 3.3% and then increase from 2018 to 2019 by 4.1%, and increase from 2019 to 2020 by  
15 1.2%. As such, the gross profit on revenue will improve. Lastly, the consulting business  
16 model will afford Reorganized Debtor the opportunity to engage clients that previously  
17 would have been unattainable as they were not in need of managed hosting but do engage  
18 consultants to assist in managing their infrastructure and development.

19                   **(iv) Cost of Sales.** With a consulting model, the largest cost of  
20 sales is labor, which is fully variable depending on the growth in sales. Reorganized Debtor  
21 will have the ability to scale up labor as needed to service revenue as it comes in rather than  
22 hiring and hoping the revenue will come. Debtor's existing talent base described in Section c  
23 above and their connections will ensure the ability to attract quality personnel and clients.

24                   **(v) Overhead.** Operating expenses remain minimal under the  
25 consulting model. Significant support is not needed on the administration side so labor has  
26 been reduced accordingly. The engineering team will be performing the engagements

1 primarily at client locations, reducing the need for a large office space. Capital equipment is  
2 at a minimum. The primary overhead expenses are related to the selling of new engagements  
3 in the form of travel expenses, investing in existing talent to keep skills sharp and leading  
4 edge, and maintaining appropriate levels of business insurance. Most of the overhead is  
5 fixed in nature. Debtor sees the potential to almost double sales while limiting growth in  
6 overhead expenses thereby allowing for increased revenue and increased Adjusted Net  
7 Profits.

8 ~~(v)~~(vi) Debtor's statements with respect to its ability to be selective  
9 with respect to taking on clients, setting billing rates, and attracting personnel, as well as  
10 Debtor's statements regarding its prospects to increase sales and limit growth in overhead  
11 expenses are based on the opinions and experience of Debtor's current management. The  
12 projections for the Reorganized Debtor are not based on third party analyses or market  
13 studies.

#### 14 **F. EFFECT OF CONFIRMATION**

##### 15 **1. Binding Effect**

16 The treatment of, and consideration received by, holders of Allowed Claims  
17 and Interests pursuant to the Plan will be in full satisfaction of their respective Claims against  
18 or Interests in Debtor. The Confirmation Order shall bind Debtor and any Creditor, and  
19 discharge Debtor from any liability that arose before the Effective Date as provided in  
20 Sections 524 and 1141 of the Bankruptcy Code, and any debt and liability of a kind specified  
21 in Sections 502(g), 502(h) or 502(i) of the Bankruptcy Code, whether or not: (a) a proof of  
22 claim based on such Creditor's debt or liability is Filed or deemed Filed under Section 501 of  
23 the Bankruptcy Code; (b) a Claim based on such debt or liability is Allowed; or (c) the holder  
24 of the Claim based on such debt or liability has accepted the Plan.  
25  
26

1                               **2.       Revesting, Operation of Business**

2                               Except as otherwise provided in the Plan, all property of the estate not  
3 transferred to the Litigation Trust shall revest in Reorganized Debtor on the Effective Date  
4 free and clear of all rights, claims, liens, charges, encumbrances, and interests, except as  
5 otherwise specifically provided in the Plan.

6                               **3.       Injunction**

7                               The effect of confirmation shall be as set forth in Section 1141 of the  
8 Bankruptcy Code. Except as otherwise provided in the Plan, prior order of the Bankruptcy  
9 Court, or in the Confirmation Order, confirmation of the Plan shall act as a permanent  
10 injunction applicable to entities against (a) the commencement or continuation, including the  
11 issuance or employment of process, of a judicial, administrative, or other action or  
12 proceeding of any kind against Debtor or Reorganized Debtor that was or could have been  
13 commenced before the entry of the Confirmation Order; (b) the enforcement, attachment,  
14 collection, or recovery against Reorganized Debtor, the Litigation Trust, or their respective  
15 assets of any judgment, award, decree, or order obtained before the Petition Date; (c) any act  
16 to obtain possession of or to exercise control over, or to create, perfect, or enforce a lien  
17 upon, all or any part of the assets of Reorganized Debtor or the Litigation Trust; (d) asserting  
18 any setoff, right of subrogation or recoupment of any kind against any obligation due to  
19 Debtor, Reorganized Debtor, or its property; and (e) proceeding in any manner in any place  
20 whatsoever that does not conform to, does not comply with, or is inconsistent with the  
21 provisions of the Plan of the Confirmation Order. Neither the injunction nor any provision of  
22 the Plan prohibits or otherwise affects Machine Zone's right to prosecute or defend against  
23 the consolidated Machine Zone Litigation or to set off any Allowed Claim of Machine Zone  
24 against any claim of the Debtor, Reorganized Debtor, or the Litigation Trust.  
25  
26

1                   **4.       Event of Default**

2                   Upon the occurrence of an Event of Default, the holder of an Allowed Claim  
3 to whom performance is due shall have all rights and remedies granted by law (namely, state  
4 law breach of contract rights), the Plan, or any agreement between the holder of such Claim  
5 and Debtor or Reorganized Debtor.

6                   **5.       Modification of the Plan; Revocation or Withdrawal of the Plan**

7                   Subject to Section 1127 of the Bankruptcy Code, Debtor reserves the right to  
8 alter, amend, modify or withdraw the Plan before its substantial consummation so long as the  
9 treatment of holders of Claims and Equity Security under the Plan are not adversely affected.

10                  **6.       Retention of Jurisdiction**

11                  Notwithstanding the entry of the Confirmation Order or the Effective Date  
12 having occurred, the Bankruptcy Court shall retain exclusive jurisdiction over all matters  
13 arising out of or relating to the Chapter 11 Case, including but not limited to the following  
14 matters to: (a) classify the Claim or interest of any Creditor or Interests, reexamine Claims  
15 or Interests that have been owed for voting purposes, and determine any objections that may  
16 be Filed to Claims or Interests; (b) determine requests for payment of Claims entitled to  
17 priority under Section 507(a) of the Bankruptcy Code, including compensation and  
18 reimbursement of expenses in favor of professionals employed at the expense of the  
19 bankruptcy estate; (c) avoid transfers or obligations to subordinate Claims under Chapter 5 of  
20 the Bankruptcy Code; (d) approve the assumption, assignment, or rejection of an executory  
21 contract or an unexpired lease pursuant to this Plan; (e) resolve controversies and disputes  
22 arising in connection with the interpretation, implementation, or enforcement of this Plan;  
23 (f) implement the provision of this Plan and enter orders in aid of confirmation and/or the  
24 discharge, or the effect of such discharge, provided to Debtor; (g) determine the validity,  
25 priority or extent of any Claims or Claims of lien; (h) adjudicate adversary proceedings,  
26 applications, contested matters, or other litigation matters pending on the Effective Date or

1 hereafter commenced in this Bankruptcy Case; (i) order and implement such orders as may  
2 be appropriate in the event the Confirmation Order is for any reason stayed, revoked,  
3 modified, or vacated; (j) hear and determine any applications to modify the Plan, to cure any  
4 defect or omission, or to reconcile any inconsistency in the Plan or related documents, or in  
5 any order of the Bankruptcy Court, including the Confirmation Order; (k) ensure that  
6 distributions to holders of Allowed Claims are accomplished as provided herein; (l) hear and  
7 determine any issue arising out of or related to the Litigation Trust, and any issues presented  
8 as arising under the Litigation Trust Agreement; (m) hear and determine objections to or  
9 requests for estimations of Claims, including any objections to the classification of any Claim  
10 and to allow, disallow and/or estimate any Claim in whole or in part; (n) hear and determine  
11 any other matters related hereto and not inconsistent with Chapter 11 of the Bankruptcy  
12 Code; and (o) enter a final decree closing this Bankruptcy Case.

#### 13 **7. United States Trustee Fees**

14 Reorganized Debtor shall be responsible for timely payment of fees incurred  
15 pursuant to 28 U.S.C. § 1930(a)(6) until the case is closed, converted or dismissed. After  
16 confirmation, Reorganized Debtor shall serve on the United States Trustee a financial report  
17 for each quarter, or portion thereof, that the case remains open. The quarterly financial report  
18 shall include a statement of all disbursements made during the course of the quarter, whether  
19 or not pursuant to the Plan.

#### 20 **VIII. LIQUIDATION ANALYSIS**

21 A Plan of Reorganization cannot be confirmed unless the Bankruptcy Court  
22 finds that the Plan is in the "best interest of creditors" or holders of Claims against, and  
23 Equity Security in, Debtor subject to such plan. The best interest test is satisfied if a plan  
24 provides each dissenting or non-voting member of each impaired Class with a recovery not  
25 less than the recovery such member would receive if Debtor was liquidated in a hypothetical  
26 case under Chapter 7 of the Bankruptcy Code by a Chapter 7 Trustee. Debtor believes the

1 holders of impaired Claims will not receive less than they would receive under a Chapter 7  
2 liquidation. In applying the "best interest" test, the Bankruptcy Court would ascertain the  
3 hypothetical recovery in a Chapter 7 proceeding to Secured Creditors, priority claimants,  
4 General Unsecured Creditors, and Equity Interest Holders. The hypothetical Chapter 7  
5 recoveries would then be compared with the distribution offered to each Class of Claims or  
6 Equity Security under the Plan to determine that the Plan satisfied the "best interest" test set  
7 forth in the Bankruptcy Code.

8 A Chapter 7 liquidation of Debtor's case would result in the immediate  
9 cessation of Peak's operations. Substantially all assets would be liquidated and distributed to  
10 the Secured Creditors, with the Secured Creditors realizing less than the amount proposed  
11 under the Plan. Unsecured Creditors and Equity Security holders would likely receive  
12 nothing in a liquidation from the liquidation value of Debtor's assets. Debtor's liquidation  
13 analysis showing projected results of a liquidation of Debtor's assets (other than Debtor's  
14 claims in the Machine Zone Litigation and claims under Chapter 5 of the Bankruptcy Code)  
15 is attached hereto as **Exhibit 3**. The liquidation analysis shows that Unsecured Creditors,  
16 Priority Creditors, Administrative Expense Creditors, and even some Secured Creditors,  
17 would receive nothing in a Chapter 7 bankruptcy.

18 If the Bankruptcy Case were liquidated, the Chapter 7 Trustee would  
19 determine whether to pursue the Machine Zone Litigation. The Machine Zone Litigation has  
20 less value in a Chapter 7 under the Trustee's control than in the current Chapter 11 under  
21 Peak's control. Debtor believes that the Machine Zone Litigation would be more difficult to  
22 pursue in a Chapter 7 because the people most knowledgeable about the facts of the case  
23 would no longer be affiliated with Peak, leaving the Chapter 7 Trustee without the necessary  
24 people to develop, and assist in prosecuting the case; the Chapter 7 Trustee would have no  
25 personal knowledge of the facts in the case; and the Litigation Loan used to finance Peak's  
26 expenses in the Machine Zone Litigation, described in section III(C) above, would terminate.

Debtor believes it is likely that the Machine Zone Litigation would be settled for less than the amount owed to the Secured Creditors, the expenses of the litigation, Chapter 11 Administrative Expenses, and the Chapter 7 Trustee fees and costs. There would likely be no recovery to Unsecured Creditors. On the other hand, Debtor has the incentive, knowledge, resources and team in place to aggressively pursue a full and fair recovery.

## **IX. POSSIBLE U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN**

### **A. INTRODUCTION**

Implementation of the Plan may have federal, state, local and foreign tax consequences for Debtor, Creditors and Equity Security Holders. No tax opinion or ruling has been sought or will be obtained with respect to any tax consequences of the Plan, and the following discussion does not constitute and is not intended to constitute either a tax opinion or tax advice to any person.

The following discussion is based on the Internal Revenue Code of 1986, as amended (the "IRC"), the Treasury Regulations promulgated thereunder, and published rulings and court decisions in effect as of the date hereof, all of which are subject to change, possibly retroactively, and such changes could modify or adversely affect the federal income tax consequences summarized below. There can be no assurance that the Internal Revenue Service will agree with the federal income tax consequences described below.

The federal income tax consequences of the Plan are complex. Each Creditor and each Equity Security Holder is strongly urged to consult its own tax advisers as to the particular federal, state, local and foreign income and other tax consequences of the transactions contemplated by the Plan.

### **B. CANCELLATION OF DEBT INCOME: GENERAL RULE**

Subject to certain exceptions, a debtor realizes income (referred to herein as "cancellation of debt" or "COD" income) upon the discharge or cancellation of its outstanding indebtedness equal to the excess (if any) of (a) the amount of indebtedness

1 discharged over (b) the amount of cash plus the issue price of any new indebtedness issued  
2 plus the fair market value of any other consideration given in satisfaction of the indebtedness.

3 One of the exceptions to this general rule provides that a debtor is not required  
4 to include COD income in gross income if Debtor is under the jurisdiction of the court in a  
5 Title 11 case and the discharge is granted by the court or the discharge is pursuant to a plan  
6 approved by the court. Instead, the amount excluded from gross income is applied to reduce  
7 certain tax attributes of Debtor in a specified order. Tax attributes generally are reduced by  
8 one dollar for each dollar excluded from gross income, except that tax credits are reduced by  
9 one-third of the amount excluded from gross income. Notwithstanding the general order of  
10 attribute reduction, the IRC provides a debtor with an election to reduce its tax basis in  
11 depreciable assets prior to reducing net operating losses. The reduction in tax attributes  
12 generally takes effect after the federal income tax is determined for the tax year in which the  
13 debt discharge occurs.

14 **C. GENERAL TAX CONSEQUENCES TO EQUITY SECURITY**  
15 **HOLDERS**

16 Debtor is classified as a partnership for federal income tax purposes.  
17 Section 1399 of the IRC provides that no separate taxable entity is created as a result of a  
18 partnership in bankruptcy. Therefore, the commencement of a bankruptcy proceeding by or  
19 against Debtor will not result in the creation of a new taxable entity, nor will the  
20 commencement of the proceedings result in the recognition of any income, gain or loss to  
21 Debtor, or result in the acceleration of any income or recapture of any tax benefits to Debtor  
22 or Equity Security Holders.

23 As a partnership, Debtor is not itself generally subject to federal income tax.  
24 Instead, the Equity Security Holders are required to report on their respective income tax  
25 returns their allocable shares of Debtor's income, gains, losses, credits and deductions  
26 without regard to whether they receive any corresponding cash distributions. If any Equity

1 Security Holder is also classified as a partnership or another types of pass-through entity,  
2 such as an S corporation, its allocable share of Debtor's income, gains, losses, credits and  
3 deductions will similarly be passed through to its owners.

4 Reorganized Debtor is expected to continue to be classified as a partnership  
5 after confirmation of the Plan. Accordingly, Reorganized Debtor's post-confirmation  
6 income, gains, losses, credits and deductions will continue to be passed through to its equity  
7 security holders. Specifically, the Operating Loan Lender (and any subsequent holder of  
8 Series A Preferred Units) is expected to be allocated amounts of income equal to the amount  
9 of the preferred return payable with respect to its Series A Preferred Units, and the holders of  
10 Common Units are expected to be allocated the balance of Reorganized Debtor's income, pro  
11 rata in accordance with the number of Common Units held by each. Reorganized Debtor's  
12 Amended and Restated Limited Liability Company Agreement required Reorganized Debtor  
13 to make tax distributions to its unitholders, but if Reorganized Debtor does not have  
14 sufficient cash to make such distributions, Reorganized Debtor's unitholders could be  
15 allocated and required to pay income tax on Reorganized Debtor's income without receiving  
16 any cash distributions to cover such tax.

17 In addition, under the IRC, any cancellation of debt income recognized by  
18 Debtor will flow through to the Equity Security Holders. Because the IRC exclusions from  
19 cancellation of debt income for discharge of debt in a Title 11 Bankruptcy Case or with  
20 respect to an insolvent taxpayer are applied at the ultimate beneficial owner level, they will  
21 not be available with respect to the Equity Security Holders, unless an Equity Security  
22 Holder is itself the subject of a Title 11 Bankruptcy Case or is insolvent.

23 **D. GENERAL TAX CONSEQUENCES TO HOLDERS OF ALLOWED**  
24 **CLAIMS**

25 Allowed Claims are expected to be paid from a portion of the Adjusted Net  
26 Income of Reorganized Debtor and from the proceeds of the Litigation Trust. Each holder of

1 an Allowed Claim will be treated as if the Allowed Claim was paid and extinguished in  
2 exchange for an amount equal to the sum of the Adjusted Net Income received by the holder  
3 and the holder's allocable share of the Litigation Trust Assets that will be transferred to the  
4 Litigation Trust, as described in Part IX.E below.

5 The holder of an Allowed Claim that elects to convert all or a portion of its  
6 Allowed Claim to Common Units will be treated for tax purposes as contributing its debt to  
7 Reorganized Debtor in exchange for an equity interest and should not recognize any gain or  
8 loss on such contribution. However, nonrecognition treatment will not apply to the extent  
9 that the Common Units are issued in exchange for indebtedness for unpaid rent, royalties or  
10 interest (including accrued original issue discount) that accrued on or after the beginning of  
11 the holder of the Allowed Claim's holding period for the indebtedness. Instead, these items  
12 should result in income or loss to the holder of the Allowed Claim.

13 To the extent that the holder of an Allowed Claim does not elect conversion to  
14 Common Units, the holder will be treated as if the Allowed Claim was paid and  
15 extinguished in exchange for an amount equal to the sum of the Adjusted Net Income  
16 received by the holder and the holder's allocable share of the Litigation Trust Assets that will  
17 be transferred to the Litigation Trust, as described in Part IX.E below.

18 The tax consequences of the Plan to a holder of such an Allowed Claim will  
19 depend, in part, on the type of consideration the holder receives in exchange for the Allowed  
20 Claim, whether the holder reports income on the accrual or cash-basis method, and whether  
21 the holder receives distributions under the Plan in more than one taxable year.

22 In general, a holder of an Allowed Claim that receives cash or property –  
23 including an allocable share of the Litigation Trust Assets that are transferred to the  
24 Litigation Trust – in satisfaction of its Allowed Claim in a single taxable year will recognize  
25 (a) ordinary interest income to the extent such payments are attributable to interest that has  
26 accrued but has not been previously taken into income by the holder with respect to the

1 Allowed Claim and (b) gain or loss in an amount equal to the difference between (i) the  
2 amount of cash and the fair market value of other property received by such holder in  
3 satisfaction of such Allowed Claim (other than amounts attributable to accrued interest,  
4 which is taxed as described above) and (ii) the holder's adjusted tax basis in such Allowed  
5 Claim. If the Allowed Claim is for a loan, the holder may be entitled to a bad debt deduction  
6 to the extent the amount received is less than the tax basis of the loan. The general tax  
7 consequences to holders of Allowed Claims arising from the transfer of Litigation Trust  
8 Assets to the Litigation Trust are described in Part IX.E below.

9 Where gain or loss is recognized by a holder of an Allowed Claim under the  
10 foregoing rules, the character of such gain or loss as long-term or short-term capital gain or  
11 loss or as ordinary income or loss will be determined by a number of factors, including the  
12 tax status of the holder, whether the Allowed Claim constitutes a capital asset in the hands of  
13 the holder and how long it has been held, whether the Allowed Claim was acquired at a  
14 market discount, and whether and to what extent the holder had previously claimed a bad  
15 debt deduction.

16 **E. GENERAL TAX CONSEQUENCES TO THE LITIGATION TRUST,**  
17 **HOLDERS OF ALLOWED CLAIMS, AND INTERESTS HOLDERS**  
18 **FOLLOWING TRANSFER OF MACHINE ZONE CLAIMS**

19 **1. Classification of Litigation Trust for Federal Income Tax Purposes**

20 The Litigation Trust is intended to qualify as a "liquidating trust" for U.S.  
21 federal income tax purposes. In general, a liquidating trust is not a separate taxable entity, but  
22 instead is treated for U.S. federal income tax purposes as a "grantor trust." However, merely  
23 establishing a trust as a liquidating trust does not ensure that it will be treated as a grantor  
24 trust for U.S. federal income tax purposes. The Internal Revenue Service ("IRS"), in Revenue  
25 Procedure 94-45, 1994-2 C.B. 684, set forth the general criteria for obtaining an IRS ruling  
26 as to the grantor trust status of a liquidating trust under a Chapter 11 plan. The Litigation  
Trust will be structured to comply with such general criteria. The following discussion

1 assumes that the Litigation Trust will be respected as a grantor trust for U.S. federal income  
2 tax purposes. However, no opinion of counsel has been requested, and the Litigation Trustee  
3 does not intend to obtain a ruling from the IRS, concerning the tax status of the Litigation  
4 Trust as a grantor trust. Accordingly, there can be no assurance that the IRS would not take a  
5 contrary position. If the IRS were to challenge successfully the classification of the Litigation  
6 Trust, the U.S. federal income tax consequences to the Litigation Trust could vary from those  
7 discussed herein (including the potential for an entity-level tax on income of the Litigation  
8 Trust).

## 9 **2. General Tax Consequences of Transfer of Machine Zone Claims** 10 **to Litigation Trust**

11 The transfer of the Litigation Trust Assets to the Litigation Trust should be  
12 treated for federal tax purposes as the transfer of the Litigation Trust Assets to the holders of  
13 Allowed Claims and to the Interests holders (collectively, the "Beneficiaries"), immediately  
14 followed by the Beneficiaries' contribution of the Litigation Trust Assets to the Litigation  
15 Trust. As soon as practicable after the Effective Date, the Trustee of the Litigation Trust in  
16 consultation with advisors and consultants, as appropriate, will determine and report the  
17 value of the Litigation Trust Assets and the portion of such value allocable to each  
18 Beneficiary in accordance with applicable law. It is expected that the Trustee's valuation will  
19 take into account a number of factors, including but not limited to its estimation of the  
20 likelihood that Debtor will prevail on the Machine Zone Litigation claims, the estimated cost  
21 of the litigation, and the estimated duration of the litigation. All parties to and Beneficiaries  
22 of the Litigation Trust must consistently use such valuation for all U.S. federal income tax  
23 purposes.

24 As detailed in Part IX.D above, the holders of Allowed Claims will recognize  
25 income, gain, deduction or loss upon the deemed transfer to them of their allocable shares of  
26 the Litigation Trust Assets, depending on the nature and character of their respective

1 Allowed Claims. The Interests holders are not expected to recognize any income, gain,  
2 deduction or loss upon the deemed transfer to them of their allocable shares of the Litigation  
3 Trust Assets. The Beneficiaries' deemed contributions to the Litigation Trust should be  
4 tax-free.

5 The tax bases of the Litigation Trust Assets will be adjusted to equal their fair  
6 market value. There will be no carryover basis from Debtor's Bankruptcy Estate. A new  
7 holding period for the proceeds of the Litigation Trust Assets will begin upon the transfer to  
8 the Litigation Trust.

9 **3. General Tax Consequences of Litigation Trust Following**  
10 **Contribution of Machine Zone Claims**

11 As a grantor trust, the Litigation Trust will not be liable for income taxes.  
12 Instead, the Litigation Trust's income, gains, losses, credits and deductions will be passed  
13 through to the Beneficiaries, who will report on their federal income tax returns their  
14 allocable shares of such income, gains, losses, credits and deductions. The character of items  
15 of income, gain, loss, deduction and credit to any Beneficiary holding a beneficial interest in  
16 the Litigation Trust, and the ability of the Beneficiary to benefit from any deductions or  
17 losses, may depend on the particular circumstances or status of the Beneficiary.

18 The Beneficiaries' obligation to report their respective shares of the Litigation  
19 Trust's tax items is not dependent on the distribution of any cash or other Litigation Trust  
20 assets by the Litigation Trust. Accordingly, a Beneficiary may incur a tax liability as a result  
21 of owning a share of the proceeds of the Litigation Trust Assets, regardless of whether the  
22 Litigation Trust distributes cash or other assets. In addition, due to possible differences in  
23 the timing of income on, and the receipt of cash from the Litigation Trust, a Beneficiary may  
24 be required to report and pay tax on a greater amount of income for a taxable year than the  
25 amount of cash received by the Beneficiary during the year.

1           The Litigation Trust will file annual information tax returns with the IRS as a  
2 grantor trust pursuant to Treasury Regulations Section 1.671-4(a) that will include  
3 information concerning certain items of income, gain, loss, deduction and credit. Each  
4 Beneficiary will receive a copy of the information returns and must report on its federal  
5 income tax return its share of all such items.

6           **F.       INFORMATION REPORTING AND BACKUP WITHHOLDING**

7           Certain payments, including the payments with respect to Claims pursuant to  
8 the Plan, are generally subject to information reporting by the payor to the IRS. Moreover,  
9 under certain circumstances, a holder of a Claim may be subject to "backup withholding"  
10 with respect to payments made pursuant to the Plan, unless such holder either (a) comes  
11 within certain exempt categories (which generally include corporations) and, when required,  
12 demonstrates this fact, or (b) provides a correct United States taxpayer identification number  
13 and certifies under penalty of perjury that the holder is a United States person, the taxpayer  
14 identification number is correct, and that the taxpayer is not subject to backup withholding  
15 because of a failure to report all dividend and interest income. Backup withholding is not an  
16 additional tax. Amounts withheld under the backup withholding rules may be credit against  
17 the holder's United States federal income tax liability, and the holder may obtain a refund any  
18 excess amounts withheld under the backup withholding rules by filing an appropriate claim  
19 for refund with the IRS.

20           **G.       GENERAL DISCLAIMER**

21           The federal income tax consequences of the Plan are complex. The foregoing  
22 discussion is not intended to be a substitute for careful tax planning, particularly since certain  
23 of the federal tax consequences of the Plan will not be the same for all Creditor, Equity  
24 Security Holders or other persons due to their individual circumstances. Each Creditor and  
25 each Equity Security Holder (including the ultimate beneficial owners of Equity Security  
26 Holders that are pass-through entities) is urged to consult with its own tax advisors in

determining the federal, state local and foreign income and other tax consequences of the transactions contemplated by the Plan.

**X. ACCEPTANCE AND CONFIRMATION OF THE PLAN**

**A. CONFIRMATION HEARING**

The Bankruptcy Court has scheduled a hearing on confirmation of the Plan on \_\_\_\_\_, at \_\_\_\_\_ Pacific time. The hearing will be held at the U.S. Bankruptcy Court for the District of Oregon, 1001 SW Fifth Avenue, Portland, Oregon in Courtroom No. 1, before the Honorable Peter C. McKittrick, United States Bankruptcy Judge. At that hearing, the Bankruptcy Court will consider whether the Plan satisfies the various requirements of the Bankruptcy Code, including whether it is feasible and whether it is in the best interest of Creditors and Equity Security Holders of Debtor. Debtor will submit a report to the Bankruptcy Court prior to the hearing concerning the votes for acceptance or rejection of the Plan by the parties entitled to vote thereon. Any objection to confirmation of the Plan must be timely filed on or before \_\_\_\_\_ to be considered by the Court.

**B. REQUIREMENTS OF CONFIRMATION**

At the hearing on confirmation, the Bankruptcy Court will determine whether the provisions of Section 1129 of the Bankruptcy Code have been satisfied. If all of the provisions of Section 1129 are met, the Bankruptcy Court may enter an order confirming the Plan. Debtor believes the Plan satisfies all of the requirements of Chapter 11 of the Bankruptcy Code, that it has complied or will have complied with all of the requirements of Chapter 11, and that the Plan has been proposed and is made in good faith.

**C. CRAMDOWN**

As discussed in Section II(D) above, the Court may confirm a Plan, even if it is not accepted by all impaired classes, if the Plan has been accepted by at least one impaired Class of Claims and the Plan meets the cram down requirements set forth in Section 1129(b)

1 of the Bankruptcy Code. In the event that any impaired Class of Claims does not accept the  
2 Plan, Debtor requests that the Bankruptcy Court confirm the Plan in accordance with  
3 Section 1129(b) of the Bankruptcy Code or otherwise permit Debtor to modify the Plan.

#### 4 **D. FEASIBILITY**

5 Debtor believes that confirmation of the Plan is not likely to be followed by  
6 the liquidation of Reorganized Debtor or a need for a further financial reorganization of  
7 Reorganized Debtor. Debtor is already liquidating certain assets through the Liquidation  
8 Trust. Further, as described in Section VII.E.2.c. above and illustrated in **Exhibit 2** attached  
9 hereto, Reorganized Debtor will be able to operate profitably after confirmation.

#### 10 **E. RISK FACTORS**

11 Debtor's operations and financial results are subject to various risks and  
12 uncertainties that could adversely affect its business, cash flows, financial condition and  
13 results of operations. Additional risks and uncertainties not currently known to Peak or that  
14 are not identified here may also materially and adversely affect the business, cash flows,  
15 financial condition, or results of operations. Statements that refer to expectations,  
16 projections, or other characterizations of future events or circumstances, including any  
17 underlying assumptions, are forward-looking statements. These statements are not  
18 guarantees and are subject to risks, uncertainties and assumptions that are difficult to predict.  
19 Therefore, actual results could differ materially and adversely from forward-looking  
20 statements or projections. Some important factors that could cause Reorganized Debtor's  
21 actual results to differ from expectations in any forward-looking statements include, but are  
22 not limited to, those risks discussed and summarized below.

##### 23 **1. General Factors**

24 **a. Financial Performance May Vary.** As discussed in Section  
25 VII.E.2.b. in this Disclosure Statement, Reorganized Debtor expects to engage in the  
26 managed services and consulting business for the initial period following confirmation.

1 Subsequently, it may again return to the hosting business. Peak has projected financial  
2 results that reflect providing managed services and consulting services to existing and new  
3 customers based on known facts and hypothetical assumptions. Actual financial results,  
4 however, may differ significantly from the projections. Reorganized Debtor may not be able  
5 to meet the projected financial results or achieve the revenue or cash flow that it has assumed  
6 in projecting future business prospects.

7 If Debtor has insufficient cash to pay all Allowed Administrative Expense  
8 Claims in full upon confirmation, it will need to reach arrangements with these Claimants to  
9 defer payment of their respective Administrative Expense Claims in order to confirm the  
10 Plan.

11 **b. The Outcome of the Machine Zone Litigation is Unknown.**

12 As described in Section III.C., Peak is pursuing claims against Machine Zone in the Machine  
13 Zone Litigation. While Peak believes there is the potential for a significant recovery against  
14 Machine Zone or others, it is unknown whether judgments will be awarded in Peak's favor,  
15 how long it will take to obtain judgments, how much the judgment awards will be, or what  
16 amount Peak might otherwise be able to obtain through settlements. If Peak were to prevail  
17 on its claims at trial, then all Creditors would be paid in full and there would be substantial  
18 equity. If Peak loses on its claims at trial, the Creditors would be paid only from  
19 Reorganized Debtor's continued operations. If settlements are reached, then the proceeds  
20 would be distributed to Creditors in the order of priority under the Bankruptcy Code.

21 **c. Competition.** Several companies provide managed hosting  
22 and consulting services in competition with Peak.

23 **d. Staffing.** Employee staffing in the managed services and  
24 consulting business is a key to success and is highly competitive. Reorganized Debtor's  
25 business model relies upon retaining certain of its existing staff, and later hiring additional  
26 managed hosting and consulting staff. Peak's projections are based on its prior business

1 success and ability to attract talented staff. However, if key staff were to leave or Peak were  
2 unable hire sufficient additional qualified employees, it would have a material adverse effect  
3 on Reorganized Debtor's business.

4 **F. ALTERNATIVES TO CONFIRMATION OF THE PLAN**

5 If a Plan is not confirmed, Debtor or another party in interest may attempt to  
6 formulate or propose a different plan or plans of reorganization. Such plans might involve a  
7 reorganization and continuation of Debtor's business, a sale of Debtor's business as a going  
8 concern, an orderly liquidation of Debtor's assets, or any combination thereof. If no plan of  
9 reorganization is determined by the Bankruptcy Court to be confirmable, the Bankruptcy  
10 Case may be converted to a liquidation proceeding under Chapter 7 of the Bankruptcy Code.

11 In a Chapter 7 liquidation, a Trustee would be appointed or elected with the  
12 purpose of liquidating Debtor's assets. Typically, in a liquidation, assets are sold for less  
13 than their going concern or fair market valuation and, accordingly, the return to Creditors is  
14 less than the return in a reorganization, which derives the value to be distributed from the  
15 business as a going concern. Proceeds from a Chapter 7 liquidation would be distributed to  
16 Creditors and Interest holders of Debtor in accordance with the priorities set forth in the  
17 Bankruptcy Code. Generally, distributions would not be made until the end of a Chapter 7  
18 case and there would be no interim distributions. As explained in Section VIII above, if  
19 Debtor's case were converted to Chapter 7, Debtor believes the Secured Creditors would  
20 receive relief from the automatic stay to collect the liquidation value of their collateral, and  
21 General Unsecured Creditors and Interest holders would likely receive nothing. Debtor urges  
22 all parties to vote to accept the Plan.

1 **XI. CONCLUSION**

2 Please read this Disclosure Statement and the Plan carefully. After reviewing  
3 all the information and making an informed decision, please vote by using the enclosed

2 may further amend the LLC Agreement in accordance with its terms and applicable state law,  
3 provided it is consistent with the Plan as set forth in the Confirmation Order.

4           6.5     Setoffs. Debtor may, but shall not be required to, set off against any  
5 Claim and the distributions to be made pursuant to the Plan in respect of such Claim, any  
6 claims of any nature whatsoever that Debtor may have against the holder of such Claim, but  
7 neither the failure to do so nor the allowance of any Claim hereunder shall constitute a  
8 waiver or release of any such claim Debtor may have against such holder.

9           6.6     Corporate Action. Upon entry of the Confirmation Order, all actions  
10 contemplated by the Plan shall be authorized and approved by Peak in all respects (subject to  
11 the provisions of the Plan), including, without limitation, the execution, delivery, and  
12 performance of all documents and agreements relating to the Plan, including the Litigation  
13 Trust Agreement. Upon entry of the Confirmation Order, the appropriate officers of Debtor  
14 are authorized and directed to execute and deliver the agreements, documents, and  
15 instruments contemplated by the Plan, including the Litigation Trust Agreement, in the name  
16 of and on behalf of Debtor.

17           6.7     Event of Default; Remedy. Any material failure by Reorganized  
18 Debtor to perform any term of this Plan, which failure continues for a period of 30 days  
19 following receipt by Reorganized Debtor of written notice of such default from the holder of  
20 an Allowed Claim to whom performance is due, shall constitute an event of Default. Upon  
21 the occurrence of an Event of Default, the holder of an Allowed Claim to whom performance  
22 is due shall have all rights and remedies granted by law, this Plan, or any agreement between  
23 the holder of such Claim and Debtor or Reorganized Debtor. An Event of Default with  
24 respect to one Claim shall not be an Event of Default with respect to any other Claim.

1                   6.8     Conditions Precedent to Effectiveness of Plan. Unless waived by  
2 Debtor, the following conditions must occur and be satisfied for the Plan to become effective,  
3 and are conditions precedent to the Effective Date:

4                   6.8.1   The Bankruptcy Court shall have entered the Confirmation  
5 Order, in form and substance reasonably satisfactory to Debtor, which shall, among other  
6 things, provide that any and all executory contracts and unexpired leases assumed pursuant to  
7 the Plan shall remain in full force and effect for the benefit of Reorganized Debtor  
8 notwithstanding any provision in any such contract or lease, or in applicable law (including  
9 those described in Sections 365(b)(2) and (f) of the Bankruptcy Code) that prohibits,  
10 restricts, or conditions such transfer, or that enables or requires termination or modification  
11 of such contract or lease; and

12                  6.8.2   All documents, instruments, and agreements, including, but  
13 not limited, to the Litigation Trust Agreement, each in form and substance satisfactory to  
14 Debtor, provided for or necessary to implement this Plan, shall have been executed and  
15 delivered by the parties thereto, unless such execution or delivery has been waived by the  
16 party to be benefitted thereby.

## 17                                   **ARTICLE 7**

### 18                           **EXECUTORY CONTRACTS AND UNEXPIRED LEASES**

19                  7.1     Assumption and Rejection. Except as may otherwise be provided, all  
20 executory contracts of Debtor that are not assumed herein or otherwise subject to a prior  
21 Bankruptcy Court order or pending motion before the Bankruptcy Court, are rejected by  
22 Debtor. Reorganized Debtor shall promptly pay all amounts required under Section 365 of  
23 the Bankruptcy Code to cure any defaults for executory contracts and unexpired leases being  
24 assumed and shall perform its obligations from and after the Effective Date in the ordinary  
25 course of business. Notwithstanding the above, all of Debtor's managed hosting and  
26 consulting contracts in existence on the Effective Date shall be assumed.

1                   7.2    Assignment. Except as may be otherwise provided in this Plan, the  
2 Confirmation Order, or other Order of the Bankruptcy Court, all executory contracts that  
3 Debtor assumed shall be deemed assigned to Reorganized Debtor as of the Effective Date.  
4 The Confirmation Order shall constitute an order authorizing such assignment of assumed  
5 executory contracts, and no further assignment documentation shall be necessary to  
6 effectuate such assignment.

7                   7.3    Rejection Claims. Except as previously ordered by the Bankruptcy  
8 Court, any other Rejection Claims must be Filed no later than 30 days after entry of the order  
9 rejecting the executory contract or unexpired lease, or 30 days after entry of the Confirmation  
10 Order, whichever is sooner. Any such Rejection Claim not Filed within such time shall be  
11 forever barred from asserting such Claim against Debtor, Reorganized Debtor, their property,  
12 estate, and any guarantors of such obligations. Each Rejection Claim resulting from such  
13 rejection shall constitute a General Unsecured Claim or Administrative Convenience Claim.

## 14                                           **ARTICLE 8**

### 15                                           **EFFECT OF CONFIRMATION**

16                   8.1    Debtor's Injunction. The effect of confirmation shall be as set forth in  
17 Section 1141 of the Bankruptcy Code. Except as otherwise provided in the Plan, prior order  
18 of the Bankruptcy Court, or in the Confirmation Order, confirmation of the Plan shall act as a  
19 permanent injunction applicable to entities against (a) the commencement or continuation,  
20 including the issuance or employment of process, of a judicial, administrative, or other action  
21 or proceeding of any kind against Debtor or Reorganized Debtor that was or could have been  
22 commenced before the entry of the Confirmation Order; (b) the enforcement, attachment,  
23 collection, or recovery against Reorganized Debtor, the Litigation Trust, or their respective  
24 assets of any judgment, award, decree, or order obtained before the Petition Date; and (c) any  
25 act to obtain possession of or to exercise control over, or to create, perfect, or enforce a lien  
26 upon, all or any part of the assets of Reorganized Debtor or the Litigation Trust; (d) asserting

1 any setoff, right of subrogation or recoupment of any kind against any obligation due to  
2 Debtor, Reorganized Debtor, or its property; and (e) proceeding in any manner in any place  
3 whatsoever that does not conform to, does not comply with, or is inconsistent with the  
4 provisions of the Plan or the Confirmation Order. Neither the injunction nor any provision of  
5 the Plan prohibits or otherwise affects Machine Zone's right to prosecute or defend against  
6 the consolidated Machine Zone Litigation or to set off any Allowed Claim of Machine Zone  
7 against any claim of the Debtor, Reorganized Debtor, or the Litigation Trust.

## 8 **ARTICLE 9**

### 9 **RETENTION OF JURISDICTION**

10 9.1 Notwithstanding entry of the Confirmation Order or the Effective Date  
11 having occurred, the Bankruptcy Court shall retain exclusive jurisdiction over all matters  
12 arising out of or relating to this Chapter 11 Case pursuant to and for the purposes set forth in  
13 Section 1127(b) of the Bankruptcy Code to:

14 9.1.1 classify the Claim or Interest of any Creditor or Interests,  
15 reexamine Claims or Interests that have been owed for voting purposes, and determine any  
16 objections that may be Filed to Claims or Interests;

17 9.1.2 determine requests for payment of Claims entitled to priority  
18 under Section 507(a) of the Bankruptcy Code, including compensation and reimbursement of  
19 expenses in favor of professionals employed at the expense of the bankruptcy estate;

20 9.1.3 avoid transfers or obligations to subordinate Claims under  
21 Chapter 5 of the Bankruptcy Code;

22 9.1.4 approve the assumption, assignment, or rejection of an  
23 executory contract or an unexpired lease pursuant to this Plan;

24 9.1.5 resolve controversies and disputes arising in connection with  
25 the interpretation, implementation, or enforcement of this Plan;  
26

1                   9.1.6    implement the provisions of this Plan and enter orders in aid  
2 of confirmation and/or the discharge, or the effect of such discharge, provided to Debtor;

3                   9.1.7    determine the validity, priority, or extent of any Claims or  
4 Claims of lien;

5                   9.1.8    adjudicate adversary proceedings, applications, contested  
6 matters, or other litigation matters pending on the Effective Date or hereafter commenced in  
7 this Bankruptcy Case;

8                   9.1.9    order and implement such orders as may be appropriate in the  
9 event the Confirmation Order is for any reason stayed, revoked, modified, or vacated;

10                  9.1.10   hear and determine any applications to modify the Plan, to  
11 cure any defect or omission, or to reconcile any inconsistency in the Plan or related  
12 documents, or in any order of the Bankruptcy Court, including the Confirmation Order;

13                  9.1.11   ensure that distributions to holders of Allowed Claims are

16 Litigation Trust, and any issues presented as arising under the Litigation Trust Agreement;

17                  9.1.13   hear and determine objections to or requests for estimations of  
18 Claims, including any objections to the classification of any Claim, and to allow, disallow,  
19 and/or estimate any Claim in whole or in part;

20                  9.1.14   hear and determine any other matters related hereto and not  
21 inconsistent with Chapter 11 of the Bankruptcy Code; and

22                  9.1.15   enter a final decree closing this Bankruptcy Case.

## 23                                   **ARTICLE 10**

### 24                                   **ADMINISTRATIVE PROVISIONS**

25                  10.1    Modification of the Plan. Debtor may alter, amend, or modify the Plan  
26 pursuant to Section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019 at any time

1 prior to the time the Bankruptcy Court has signed the Confirmation Order. After such time,  
2 and prior to substantial consummation of the Plan, Reorganized Debtor may, so long as the  
3 treatment of holders of Claims and Equity Security under the Plan is not adversely affected,  
4 institute proceedings in Bankruptcy Court to remedy any defect or omission, or to reconcile  
5 any inconsistencies in the Plan, the Disclosure Statement, or the Confirmation Order, and any  
6 other matters as may be necessary to carry out the purposes and effects of the Plan; provided,  
7 however, that prior notice of such proceedings shall be served in accordance with Bankruptcy  
8 Rule 2002.

9 10.2 Revocation or Withdrawal of Plan

10 10.2.1 Right to Revoke. Debtor reserves the right to revoke or  
11 withdraw the Plan at any time prior to the Effective Date.

12 10.2.2 Effect of Withdrawal or Revocation. If Debtor revokes or  
13 withdraws the Plan prior to the Effective Date, then the Plan shall be deemed null and void.  
14 In such event, nothing contained herein shall be deemed to constitute a waiver or release of  
15 any claims by or against Debtor or any other Entity, or to prejudice in any manner the rights  
16 of Debtor or any Entity in any further proceeding involving Debtor.

17 10.3 Nonconsensual Confirmation. Debtor shall request that the  
18 Bankruptcy Court confirm the Plan pursuant to Section 1129(b) of the Bankruptcy Code if  
19 the requirements of all provisions of Section 1129(a) of the Bankruptcy Code, except  
20 Subsection 1129(a)(8), are met.

21 **ARTICLE 11**

22 **MISCELLANEOUS PROVISIONS**

23 11.1 Revesting. Except for the Trust Assets transferred to the Litigation  
24 Trust and as otherwise expressly provided herein, on the Effective Date all remaining  
25 property and assets of the estate of Debtor shall revest in Reorganized Debtor free and clear  
26 of all claims, liens, encumbrances, charges, and other interests of Creditors arising on or

1 before the Effective Date, and Reorganized Debtor may operate, from and after the Effective  
2 Date, free of any restrictions imposed by the Bankruptcy Code or the Bankruptcy Court.

3 11.2 Cancellation of Documents Evidencing Unsecured Claims. As of the  
4 Effective Date (subject to resolution of any objection to the Claim if a Disputed Claim), any  
5 note, agreement, instrument, judgment, or other document evidencing an Unsecured Claim in  
6 any Class shall be deemed cancelled, null, and void, except for the right, if any, to receive  
7 distributions under this Plan; provided, however, that nothing herein shall affect the liability  
8 of any Entity other than Debtor on, or the property of any Entity other than Debtor for, such  
9 Claim.

10 11.3 Rights of Action. Except as otherwise expressly provided herein, any  
11 claims, rights, interests, causes of action, defenses, counterclaims, crossclaims, third-party  
12 claims, or rights of offset, recoupment, subrogation, or subordination, including, without  
13 limitation, claims under Section 550(a) of the Bankruptcy Code or any of the sections  
14 referenced therein (including, without limitation, any and all Avoidance Actions) accruing to  
15 Debtor, shall remain assets of Reorganized Debtor. Reorganized Debtor may pursue such  
16 rights of action, as appropriate, in accordance with its best interests and for its benefit.

17 11.4 Governing Law. Except to the extent the Bankruptcy Code, the  
18 Bankruptcy Rules, or other federal laws are applicable, the laws of the State of Oregon shall  
19 govern the construction and implementation of the Plan, and all rights and obligations arising  
20 under the Plan.

21 11.5 Withholding and Reporting Requirements. In connection with the  
22 Plan and all instruments issued in connection therewith and distributions thereon, Debtor and  
23 Reorganized Debtor shall comply with all withholding, reporting, certification, and  
24 information requirements imposed by any federal, state, local, or foreign taxing authorities,  
25 and all distributions hereunder shall, to the extent applicable, be subject to any such  
26 withholding, reporting, certification, and information requirements. As soon as practicable

1 after the Effective Date, the Trustee of the Litigation Trust will determine and report the  
2 value of the Litigation Trust Assets and the portion of such value allocable to each  
3 beneficiary of the Litigation Trust. All parties to and beneficiaries of the Litigation Trust  
4 must consistently use such valuation for all U.S. federal income tax purposes. Entities  
5 entitled to receive distributions hereunder shall, as a condition to receiving such distributions,  
6 provide such information and take such steps as Reorganized Debtor may reasonably require  
7 to ensure compliance with such withholding and reporting requirements, and to enable  
8 Reorganized Debtor to obtain the certifications and information as may be necessary or  
9 appropriate to satisfy the provisions of any tax law.

10 Reorganized Debtor shall provide the Unsecured Creditors Committee's  
11 designee on the Litigation Trust Committee and any other Creditors with Allowed Claims or  
12 Claims with pending objections who so requests, a semi-annual financial report sufficiently  
13 detailed to report Reorganized Debtor's operating results and identify the calculation of the  
14 amounts distributed to Creditors.

15 11.6 Time. Unless otherwise specified herein, in computing any period of  
16 time prescribed or allowed by the Plan, the day of the act or event from which the designated  
17 period begins to run shall not be included. The last day of the period so computed shall be  
18 included, unless it is not a Business Day, in which event the period runs until the end of the  
19 next succeeding day that is a Business Day.

20 11.7 Section 1146(c) Exemption. Pursuant to Section 1146(c) of the  
21 Bankruptcy Code, the issuance, transfer, or exchange of any security under the Plan; or the  
22 execution, delivery, or recording of an instrument of transfer pursuant to, in implementation  
23 of, or as contemplated by the Plan; or the revesting, transfer, or sale of any real property of  
24 Debtor or Reorganized Debtor pursuant to, in implementation of, or as contemplated by the  
25 Plan; shall not be taxed under any state or local law imposing a stamp tax, transfer tax, or  
26 similar tax or fee. Consistent with the foregoing, each recorder of deeds or similar official

1 for any city, county, or governmental unit in which any instrument hereunder is to be  
2 recorded shall, pursuant to the Confirmation Order, be ordered and directed to accept such  
3 instrument without requiring the payment of any documentary stamp tax, deed stamps,  
4 transfer tax, intangible tax, or similar tax.

5 11.8 Severability. In the event any provision of the Plan is determined to be  
6 unenforceable, such determination shall not limit or affect the enforceability and operative  
7 effect of any other provisions of the Plan. To the extent any provision of the Plan would, by  
8 its inclusion in the Plan, prevent or preclude the Bankruptcy Court from entering the  
9 Confirmation Order, the Bankruptcy Court, on the request of Debtor, may modify or amend  
10 such provision, in whole or in part, as necessary to cure any defect or remove any  
11 impediment to confirmation of the Plan existing by reason of such provision.

12 11.9 Binding Effect. The provisions of the Plan shall bind Debtor,  
13 Reorganized Debtor, and all Creditors and Equity Security Holders, and their respective  
14 successors, heirs, and assigns.

15 11.10 Retiree Benefits. On or after the Effective Date, to the extent required  
16 by Section 1129(a)(13) of the Bankruptcy Code, Reorganized Debtor shall continue to pay all  
17 retiree benefits (if any) as that term is defined in Section 1114 of the Bankruptcy Code,  
18 maintained or established by Debtor prior to the Effective Date, without prejudice to  
19 Reorganized Debtor's rights under applicable non-bankruptcy law to modify, amend, or  
20 terminate the foregoing arrangements.

21 11.11 Recordable Order. The Confirmation Order shall be deemed to be in  
22 recordable form, and shall be accepted by any recording officer for filing and recording  
23 purposes without further or additional orders, certifications, or other supporting documents.

24 11.12 Plan Controls. In the event and to the extent that any provision of the  
25 Plan is inconsistent with the provisions of the Disclosure Statement, or any other instrument  
26

1 or agreement contemplated to be executed pursuant to the Plan, the provisions of the Plan  
2 shall control and take precedence.

3 11.13 Effectuating Documents and Further Transactions. Debtor and  
4 Reorganized Debtor shall execute, deliver, file, or record such contracts, instruments,  
5 assignments, and other agreements or documents, and take or direct such actions as may be  
6 necessary or appropriate to effectuate and further evidence the terms and conditions of this  
7 Plan.

8 11.14 Timing of Actions. Notwithstanding anything to the contrary herein,  
9 any action required by the Plan to be taken on the Effective Date shall be made or taken on  
10 the Effective Date or as soon as practical thereafter, but in any event within 20 days of the  
11 Effective Date.

## PEAK WEB LITIGATION TRUST AGREEMENT

This Litigation Trust Agreement (the "Agreement") dated as of \_\_\_\_\_, 2017 is established by Peak Web LLC ("Grantor," "Peak," or "Debtor") and Mark Calvert, solely in his capacity as the Peak Web Litigation Trustee (and any successors) ("Litigation Trustee") and is executed in connection with and pursuant to the terms of Debtor's Plan of Reorganization (October 11, 2016), as amended or modified (the "Plan"), filed in the United States Bankruptcy Court for the District of Oregon as Case No. 16-32311-pcm11 (the "Chapter 11 Case").

This Agreement is executed in order to establish a litigation trust (the "Litigation Trust") in connection with Peak's Plan of Reorganization confirmed by the Bankruptcy Court.

On June 13, 2016, Debtor filed its voluntary petition for relief under Chapter 11 of the United States Bankruptcy Code ("Petition Date").

On \_\_\_\_\_, 2017, the Bankruptcy Court entered an order confirming Debtor's Plan (the "Confirmation Order").

The Plan provides, among other things, that on the Effective Date, certain assets shall be deemed transferred and assigned to this Litigation Trust to be administered by the Litigation Trustee in accordance herewith. This Litigation Trust is created pursuant to, and to effectuate, certain provisions of the Plan and Confirmation Order pursuant to which the Litigation Trustee will hold the Litigation Trust Assets as contemplated by the Agreement, the Plan, and the Confirmation Order.

This Litigation Trust is established for the sole purpose of liquidating and distributing Litigation Trust Assets pursuant to the Plan and the terms of this Agreement with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of this Litigation Trust.

The Litigation Trust is established for the benefit of holders of all Allowed Claims and Interests, as those terms are defined in the Plan (individually, a "Litigation Trust Beneficiary" and collectively, the "Litigation Trust Beneficiaries") (i) to pursue all Litigation Trust Claims, and (ii) to liquidate and distribute Litigation Trust Assets.

The Litigation Trustee was duly appointed as a representative of Peak pursuant to Section 1123(a)(5), (a)(7), and (b)(3)(B) of the Bankruptcy Code.

The Litigation Trust is intended to be treated as a grantor trust for federal income tax purposes. The Litigation Trust is intended to qualify as a liquidating trust within the meaning of Treasury Regulations section 301.7701-4(d).

NOW, THEREFORE, in consideration of the premises and agreements contained herein, the parties hereto agree as follows:

## ARTICLE I DEFINITIONS

Unless otherwise defined herein, all capitalized terms used in this Agreement shall have the meanings assigned to them in the Plan or in the Bankruptcy Code (as in effect on the date hereof). If there is any discrepancy between a definition herein and a definition in the Plan, the definition in the Plan shall govern.

1.1 **"Beneficiaries"** means the holders of Allowed Claims and Interests, as defined in the Plan.

1.2 **"Litigation Trustee"** means Mark Calvert solely in his capacity as the Peak Web Litigation Trustee and any successor or replacement duly appointed and acting in the capacity of Litigation Trustee as provided in Article VIII of this Agreement.

1.3 **"Litigation Trust"** means the Peak Web Litigation Trust established by the Plan set forth in this Agreement.

1.4 **"Litigation Trust Assets"** means (i) Peak's claims against Machine Zone in *Peak Web LLC v. Machine Zone, Inc., Epic War LLC and Does 1 through 10, inclusive*, Santa Clara County Superior Court Case No. 1-15-cv-288681 and all other claims Debtor may have arising out of or related to any of the facts, circumstances, events, or issues raised therein against Machine Zone, Inc., Epic War LLC, and Does 1 through 10 inclusive; (ii) any and all other claims or causes of action in any way related to or arising out of the same or similar facts, circumstances, events, or issues described therein whether against Machine Zone, Epic War, or any other party, whether or not that party is or may become a party to the above-captioned litigation or another action that may be subsequently filed; (iii) all Debtor's intellectual property rights and trade secrets; (iv) any and all avoidance or recovery claims of Debtor's bankruptcy estate under Chapter 5 of the Bankruptcy Code; and (v) any other claims or assets transferred to the Litigation Trust pursuant to the Plan, Confirmation Order, or this Agreement, and any income, proceeds, profits, revenue, or assets generated therefrom.

1.5 **"Litigation Counsel"** means the firms of Susman Godfrey LLP, Ropers Majeski Kohn Bentley PC, and any other counsel retained to represent the interests of the Litigation Trust with respect to any Litigation Trust Assets.

## ARTICLE II ESTABLISHMENT, PURPOSE AND FUNDING OF THE LITIGATION TRUST

2.1 Creation and Name. There is hereby created the Peak Web Litigation Trust, which is referred to in Article VI of the Plan. The Litigation Trustee may conduct the affairs of the Litigation Trust under the name of the "Peak Web Litigation Trust."

2.2 Declaration of Trust. In order to declare the terms contained herein, and in consideration of the confirmation of the Plan, Debtor and the Litigation Trustee have executed this Agreement for the purpose of creating the Litigation Trust.

2.3 Purpose of Peak Web Litigation Trust. The Grantor and the Litigation Trustee, pursuant to the Plan and in accordance with the Bankruptcy Code, hereby create this Litigation Trust for the purpose of prosecuting or otherwise liquidating and distributing the Litigation Trust Assets in accordance with Treasury Regulation section 301.7701-4(d) and Revenue Procedure 94-45, 1994-28 I.R.B.124 (July 11, 1994) ("Revenue Procedure 94-45") (or any subsequent Revenue Procedures that may be issued relating to liquidating trusts). In particular, this includes: reviewing, litigating, settling, dismissing, or releasing Peak's claims against Machine Zone in *Peak Web LLC v. Machine Zone, Inc., Epic War LLC and Does 1 through 10, inclusive*, Santa Clara County Superior Court Case No. 1-15-cv-288681 and any and all other claims or causes of action constituting a Litigation Trust Asset, and distributing the proceeds of any recoveries therefrom in accordance with this Agreement and the Plan. The activities of the Litigation Trust shall be limited to those activities set forth herein and as otherwise contemplated by the Plan. The Litigation Trustee understands and agrees that the Litigation Trust has no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the Litigation Trust.

2.4 Transfer of Litigation Trust Asset; Taxation

2.4.1 Pursuant to the Plan, which is incorporated by reference herein, the Grantor and the Litigation Trustee hereby establish, for the benefit of the Beneficiaries of the Litigation Trust, and the Grantor hereby grants, releases, assigns, conveys, transfers and delivers, on behalf of the Beneficiaries, the Litigation Trust Assets to the Litigation Trustee as of the Effective Date, in trust for the benefit of the Beneficiaries for the uses and purposes as specified in this Agreement and the Plan as well as all respective rights, title, and interest in and to any lawyer-client privilege, work product privilege, or other privilege or immunity attaching to documents or communications (whether written or oral) associated with the Litigation Trust Assets, all of which shall, and shall be deemed to, vest in the Litigation Trust for the benefit of the Litigation Trust Beneficiaries. The Grantor shall from time to time execute and deliver or cause to be executed and delivered all such documents (in recordable form where necessary or appropriate) and the Grantor shall take or cause to be taken such further action as the Litigation Trustee may reasonably deem necessary or appropriate, to vest or perfect in or confirm to the Litigation Trustee title to and possession of the Litigation Trust Assets in the Litigation Trust.

2.4.2 The Litigation Trust shall hold legal title to the Litigation Trust Assets. Following transfer, Debtor shall have no interest in or with respect to the Litigation Trust Assets. Notwithstanding the foregoing, for purposes of Section 553 of the Bankruptcy Code, the transfer of the Litigation Trust Assets to the Litigation Trust shall not affect the mutuality of obligations which otherwise may have existed prior to the effectuation of such transfer. The transfer of the Litigation Trust Assets to the Litigation Trust does not diminish, and fully preserves, any defenses a defendant would have if such Litigation Trust Assets had been retained by Debtor. The Litigation entitled *Machine Zone, Inc. v. Peak Web LLC*, Santa Clara County Superior Court Case No. 1-15-cv-288498 is not a Litigation Trust Asset, but all such rights of plaintiff therein to offset any claims it may have are preserved.

2.4.3 The Litigation Trustee shall have the sole authority and standing to bring all claims transferred to the Litigation Trust as Litigation Trust Assets, including the pending claims in the Machine Zone Litigation, and any other claims included as a Litigation Trust Asset

against any other person identified by the Litigation Trustee. To the extent any Litigation Trust Assets cannot be transferred to the Litigation Trust because of a restriction on transferability under applicable non-bankruptcy law that is not superseded or preempted by Section 1123 of the Bankruptcy Code, or any other provisions of the Bankruptcy Code, such Litigation Trust Assets shall be deemed to have been retained by Reorganized Debtor and the Litigation Trustee shall be deemed to have been designated as the exclusive representative of Reorganized Debtor pursuant to Section 1123(b)(3)(B) of the Bankruptcy Code to enforce and pursue such Litigation Trust Assets on behalf of Reorganized Debtor and all proceeds, income, and recoveries on account of any such Litigation Trust Assets shall be assets of the Litigation Trust and paid over thereto immediately upon receipt by Reorganized Debtor or any other person.

2.4.4 For all federal, state and local tax purposes, it is intended that the Litigation Trust be classified as a liquidating trust under Treasury Regulations section 301.7701-4(d) and as a grantor trust subject to the provisions of Subchapter J, Subpart E of the Internal Revenue Code that is owned by the Beneficiaries as grantors. Accordingly, the Grantor, the Beneficiaries, and the Litigation Trustee shall treat the formation of the Litigation Trust as if each Beneficiary had received a distribution of an undivided interest in the Litigation Trust Assets from the Grantor and then contributed such interests to the Litigation Trust. The Litigation Trustee shall operate and maintain the Litigation Trust in compliance with the guidelines for liquidating trusts and grantor trusts as set forth in Internal Revenue Service Revenue Procedure 94-45 and Treasury Regulations sections 1.671-4(a) and 301.7701-4(d) and all subsequent guidelines regarding liquidating trusts and grantor trusts issued by the Internal Revenue Service. The Litigation Trustee shall treat all Litigation Trust income as subject to tax on a current basis. Each Beneficiary shall report its share of the net income of the Litigation Trust and pay any tax owing thereon on a current basis. The Litigation Trust Assets shall be valued consistently by the Litigation Trustee, and the valuations shall be used for all federal, state and local income tax purposes.

### **ARTICLE III LITIGATION TRUST COMMITTEE**

3.1 Litigation Trust Committee. A three-member Litigation Trust Committee shall be established. The initial members of the Litigation Trust Committee shall be (1) Mr. Jeffrey Papen, (2) a designee appointed by the Litigation Loan Lender, and (3) a representative appointed by the Unsecured Creditors' Committee. The Litigation Trust Committee shall make certain determinations, in accordance with this Agreement and the Plan. Except as otherwise set forth herein, approval of a majority of the members of such Litigation Trust Committee shall be required for the Litigation Trust Committee to act, provided that the Litigation Trust Committee may delegate responsibility for discrete issues or decisions to one or more of its members. The Litigation Trust Committee shall have the rights and powers set forth herein.

3.2 Resignation/Replacement of Member of Litigation Trust Committee. In the event that a member of the Litigation Trust Committee can no longer carry out his or her duties as a member of such committee (by reason of death, resignation or disability), the entity on whose behalf the representative was appointed may appoint a successor. In the event no such successor is appointed by the entity on whose behalf the representative was appointed within thirty (30) days, the Litigation Trustee shall petition the Bankruptcy Court to appoint a successor.

3.3 Confidentiality. Each member of the Litigation Trust Committee shall, while serving as a member of the Litigation Trust Committee under this Agreement and at all times thereafter, hold strictly confidential and not use for personal gain any material, non-public information of or pertaining to any entity to which any of the Litigation Trust Assets relate or of which he or she has become aware in his/her capacity as a member of the Litigation Trust Committee. The attorney-client, work product, and all other applicable privileges shall apply to communications with the Litigation Trust Committee and Litigation Counsel. 3.4 Seeking Relief from the Bankruptcy Court. The Bankruptcy Court shall have exclusive jurisdiction to review the actions of the Litigation Trustee and the Litigation Trust Committee. If the Litigation Trustee or any member of the Litigation Trust Committee disputes any decision made by the Litigation Trustee or the Litigation Trust Committee, or if any member of the Litigation Trust Committee disputes any proposed action or omission by the Litigation Trustee, the disputing party may apply to the Bankruptcy Court for relief from the decision or the proposed action or omission, in which case the Bankruptcy Court may grant such relief as it deems to be appropriate in the circumstances, including reversing or modifying the decision or the proposed action or omission, and the Bankruptcy Court's determination shall be binding on the Litigation Trustee and the Litigation Trust Committee.

4.3 Investment and Safekeeping of Litigation Trust Assets. Except as otherwise set forth in the Plan, all monies and other Litigation Trust Assets received by the Litigation Trustee shall, until distributed or paid over as herein provided, be held in the Litigation Trust for the benefit of the Beneficiaries. The Litigation Trustee shall be under no liability for interest or producing income on any monies received by the Litigation Trust and held for distribution or payment to the Beneficiaries, except as such interest shall be actually received by the Litigation Trustee. Investments of any monies held by the Litigation Trustee shall be administered in view of the manner in which individuals of ordinary prudence, discretion and judgment would act in the management of their own affairs; provided, however, that the right and power of the Litigation Trustee to invest monies held by the Litigation Trust or any income earned by the Litigation Trust shall be limited to the right and power to invest such monies, pending periodic distributions in accordance with the terms hereof and the Plan. For the removal of doubt, the investment powers of the Litigation Trustee, other than those reasonably necessary to maintain the value of the Litigation Trust Assets and the liquidating purpose of the Litigation Trust, are limited to powers to invest in demand and time deposits, such as short-term certificates of deposits, in banks or other savings institutions, or other temporary, liquid investments, such as treasury bills.

4.4 Limitations on Litigation Trustee. 4.5 Bankruptcy Court Approval of Litigation Trustee Actions. Except as set forth herein, the Litigation Trustee need not obtain the order or approval of the Bankruptcy Court in the exercise of any power, rights, or discretion conferred hereunder, or account to the Bankruptcy Court. The Litigation Trustee, in consultation with the Litigation Trust Committee shall exercise his/her business judgment for the benefit of the Beneficiaries in order to maximize the value of the Litigation Trust Assets and distributions, giving due regard to the cost, risk, and delay of any cause of action. Notwithstanding the following, the Litigation Trustee shall have the right to submit to the Bankruptcy Court any question or questions regarding which the Litigation Trustee may desire to have explicit approval of the Bankruptcy Court for the taking of any specific action proposed to be taken by the Litigation Trustee with respect to the Litigation Trust assets, this Litigation Trust Agreement or the Plan, including the administration and distribution of the Litigation Trust Assets. The Bankruptcy Court shall retain exclusive jurisdiction for such purposes and shall approve or disapprove any such proposed action upon motion by the Litigation Trustee. In addition, the Litigation Trustee shall have the authority, but not the obligation, to seek Bankruptcy Court approval to sell any Litigation Trust Asset free and clear of any and all liens, claims and encumbrances, in consultation with the Litigation Trust Committee.

4.6 Reliance by Litigation Trustee

(a) The Litigation Trustee may rely, and shall be protected in acting upon, any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, or other paper or document believed by him to be genuine and to have been signed or presented by the proper party or parties;

(b) The Litigation Trustee may consult with any and all professionals to be selected by him and the Litigation Trustee shall not be liable for any action taken or omitted to be taken by him in accordance with the advice of such professionals, unless the Litigation Trustee acted or omitted to act with gross negligence, recklessness, fraud or willful misconduct; and

(c) Persons dealing with the Litigation Trustee shall look only to the Litigation Trust Assets to satisfy any liability incurred by the Litigation Trustee to such person in carrying out the terms of this Litigation Trust Agreement, and the Litigation Trustee shall have no personal obligation to satisfy any such liability.

**ARTICLE V**  
**DISTRIBUTIONS FROM THE LITIGATION TRUST**

5.1 Distributions. As soon as reasonably practicable after the date of this Agreement and thereafter as the Litigation Trustee reasonably determines, the Litigation Trustee shall make distributions to Beneficiaries in accordance with this Agreement and the Plan. Subject to the last sentence of this Section 5.1, the Litigation Trustee shall as soon as reasonably practicable after the receipt thereof and at least annually distribute to the Beneficiaries all net cash proceeds of the Litigation Trust Assets, provided that the Litigation Trustee shall not be required to make any distribution to the extent that the amount of cash available for distribution totals less than \$250,000 in the aggregate. Notwithstanding the foregoing and subject to the limitations set forth in Section 5.6 below, the Litigation Trustee shall maintain a reserve of such amounts as are reasonably necessary to satisfy amounts that could be distributable in respect of such amounts (including administrative or other claims or other contingent liabilities) as reasonably necessary in his or her business judgment, in consultation with the Litigation Trust Committee, to fulfill his or her duties under this Agreement and the Plan.

5.2 Share of Distributions. Each Beneficiary shall receive its pro rata share of any and all distributions of the Litigation Trust Proceeds distributed in the same order of priority as set forth in the Bankruptcy Code and the Plan. The Litigation Proceeds shall be used to pay the expenses of the Litigation Trust, including, but not limited to, the costs and expenses of the Litigation Trust and all attorneys' fees, costs and expenses of Litigation Counsel, and then to payment of Allowed Creditor Claims, with payment first going to Secured Creditors in order of priority, then any unpaid Administrative Expense Claims, then Priority Tax Claims, then Allowed Unsecured Claims, until all such Claims have been paid in full, with interest, and then any remaining proceeds shall be distributed to the holders of the Interests in Debtor. The Litigation Trustee may withhold from amounts distributable to any Beneficiary, any and all amounts, determined in the Litigation Trustee's reasonable sole discretion, to be required by any law, regulation, rule, ruling, directive or other governmental requirement.

5.3 Delivery of Distributions. All distributions from the Litigation Trust to be made under this Agreement and the Plan shall be made to the Beneficiaries.

5.4 Timing of Distributions. Any payment or other distribution required to be made under the Litigation Trust or the Plan on a day other than a business day shall be due on the next succeeding business day. Any payment of cash shall be deemed made when such payment by check or wire transfer is transmitted.

5.5 Payments Limited to Litigation Trust Assets. All payments to be made by the Litigation Trustee to or for the benefit of any Beneficiary shall be made only to the extent that the Litigation Trustee has sufficient reserves to make such payments in accordance with this Agreement and the Plan. Each Beneficiary shall have recourse only to the Litigation Trust Assets for distribution under this Agreement.

5.6 Fees and Expenses. Subject to the limitations set forth herein and the Plan, the Litigation Trustee shall pay the operating and administrative expenses of the Litigation Trust out of the Litigation Trust Assets prior to distributions to or for the benefit of Beneficiaries, provided that payment of such expenses shall be solely out of the proceeds of the Litigation Trust Assets.

5.7 Priority Distributions. Any recovery by the Litigation Trust on account of the Litigation Trust Assets shall be applied in accordance with the priorities set forth in the Bankruptcy Code, Plan, or as set forth herein. Once all Allowed Claims have been paid in full, the Claims will be fully satisfied for all purposes, including, but not limited to, receipt of any further payments as may otherwise be due under the Plan from the Reorganized Debtor or from any other party. Thereafter, any remaining Litigation Trust Proceeds shall be distributed to the Interest holders.

5.8 Compliance with Laws. Any and all distributions of Litigation Trust Assets shall be in compliance with applicable laws.

## **ARTICLE VI BENEFICIARIES**

6.1 Identification of Beneficiaries. Each distribution by the Litigation Trustee to the Beneficiaries shall be made in accordance with the terms set forth in Article V hereof and the Plan and constitute a payment under the Plan.

6.2 Beneficial Interest Only. The ownership of a beneficial interest in the Litigation Trust shall not entitle any Beneficiary to any title in or to the Litigation Trust Assets or to any right to call for a partition or division of such Litigation Trust Assets or to require an accounting, except as specifically provided herein.

6.3 Ownership of Beneficial Interests Hereunder. Each Beneficiary shall own a beneficial interest in the Litigation Trust equal to such Beneficiary's entitlement under the Plan.

6.4 Evidence of Beneficial Interest. Ownership of a beneficial interest in the Litigation Trust Assets shall not be evidenced by any certificate, security, or receipt or in any other form or manner whatsoever, except as maintained on the books and records of the Litigation Trust by the Litigation Trustee.

6.5 Limitation on Transferability. It is understood and agreed that the beneficial interests in the Litigation Trust shall be assignable on the same terms and conditions as the underlying Allowed Claims under the Bankruptcy Code. An assignment shall not be effective unless notice is given to the Litigation Trustee within fifteen (15) days of the assignment and until appropriate notification and proof thereof is submitted to the Litigation Trustee, and the Litigation Trustee may continue to pay all amounts to or for the benefit of the assigning Beneficiaries until receipt of proper notification and proof of assignment. The Litigation Trustee may rely upon such proof without the requirement of any further investigation. Any notice of a change of beneficial interest ownership as permitted by operation of law or the Bankruptcy Code shall be forwarded to the Litigation Trustee by registered or certified mail as set forth herein and filed with the Bankruptcy Court. The notice shall be executed by both the transferee and the transferor, and the signatures of the parties shall be acknowledged before notary public and as required by Bankruptcy Rule 3001(e). The notice must clearly describe the interest to be transferred. The Litigation Trustee may conclusively rely upon such signatures and acknowledgements as evidence of such transfer without the requirement of any further investigation.

**THIRD PARTY RIGHTS AND LIMITATION OF LIABILITY**

7.1 Parties Dealing with the Litigation Trustee. In the absence of actual knowledge to the contrary, any person dealing with the Litigation Trust or the Litigation Trustee shall be entitled to rely on the authority of the Litigation Trustee or any of the Litigation Trustee's agents to act in connection with the Litigation Trust Assets. No person or entity which may deal with the Litigation Trustee shall have any obligation to inquire into the validity or expediency or propriety of any transaction by the Litigation Trustee or any agent of the Litigation Trustee.

7.2 Limitation of Liability. Anything herein to the contrary notwithstanding, in exercising the rights granted herein, the Litigation Trustee and each member of the Litigation Trust Committee shall exercise his/her best judgment, to the end that the affairs of the Litigation Trust shall be properly managed and the interests of all the Beneficiaries are safeguarded; but the Litigation Trustee and each member of the Litigation Trust Committee shall not incur any responsibility or liability by reason of any error of law or of any matter or thing done or suffered or omitted to be done under this Agreement, unless the Litigation Trustee or such member of the Litigation Trust Committee has acted with gross negligence, recklessness, fraud or willful misconduct.

7.3 Indemnification. The Litigation Trustee and the Litigation Trust Committee and its members shall be indemnified and receive reimbursement against and from all loss, liability, expense (including counsel fees) or damage which the Litigation Trustee and the Litigation Trust Committee and its members may incur or sustain in the exercise and performance of any of their powers and duties under this Agreement, to the full extent permitted by applicable law, except if such loss, liability, expense or damage is finally determined by a court of competent jurisdiction to result from the Litigation Trustee's or the Litigation Trust Committee's or its members' gross negligence, recklessness, fraud, or willful misconduct. The amounts necessary for such indemnification and reimbursement shall be paid by the Litigation Trustee out of the Litigation Trust assets, except as otherwise provided in the Plan. The Litigation Trustee shall not be personally liable for the payment of any Litigation Trust expense or claim or other liability of the Litigation Trust, and no Person shall look to the Litigation Trustee personally for the payment of any such expense or liability. This indemnification shall survive the death, dissolution, resignation or removal, as may be applicable, of the Litigation Trustee, or the termination of the Litigation Trust, and shall inure to the benefit of the Litigation Trustee's heirs and assigns. Further, the Litigation Trustee and the Litigation Trust Committee and its members shall be immune from any liability for any good faith actions taken in such capacity, or pursuant to advice of counsel, to the fullest extent permitted under applicable law.

7.4 Compensation of Litigation Trust Committee. 8.7 Litigation Trust Continuance. The death, resignation or removal of the Litigation Trustee shall not terminate the Litigation Trust or revoke any existing agency created pursuant to this Agreement or invalidate any action theretofore taken by the Litigation Trustee.

8.8 Compensation and Costs of Administration. The Litigation Trustee shall receive fair and reasonable compensation for his/her services in accordance with his/her customary hourly rates and charged against and paid out of, and when funds become available from the Litigation Proceeds (subject to the limitations set forth in this Agreement and the Plan), *provided*, that no compensation may be paid to the Litigation Trustee or his/her professionals unless and until the following procedures have been followed with respect to any individual request for compensation: (i) the Litigation Trustee shall submit to the Litigation Trust Committee a monthly statement or statements ("Statements") reflecting all accrued fees (itemized, as applicable, to indicate the individual performing services, such individual's billable rate, a description of the services performed, the time spent, and the fees incurred) and itemized costs to be reimbursed, (ii) the amount reflected in any such Statements may be paid by the Litigation Trust after receipt of Litigation Proceeds unless the Litigation Trust Committee objects in writing to any compensation reflected in the Statements, in which case the undisputed amounts may be paid and the disputed amounts may only be paid by agreement of the Litigation Trust Committee or pursuant to order of the Bankruptcy Court, which shall retain exclusive jurisdiction over all disputes regarding the Litigation Trustee's and his/her professionals' compensation. All costs, expenses, and obligations, including without limitation filing fees, incurred by the Litigation Trustee (or professionals who may be employed by the Litigation Trustee in administering the Litigation Trust, in carryout their other responsibilities under this Agreement, or in any manner connected, incidental, or related thereto) shall be paid from the Litigation Proceeds prior to any distribution to the Beneficiaries (subject to the limitations set forth in this Agreement and the Plan).

8.9 Reporting and Filing Requirements

Notwithstanding the foregoing provisions of this paragraph, in the event Debtor or Reorganized Debtor determines that any such provision of information violates any law or legal proceeding or waives any applicable privilege, protection or immunity, including, without limitation, the attorney-client privilege or the work-product doctrine, Debtor or Reorganized Debtor shall take all reasonable measures to provide such information in a manner that avoids any such harm or consequence, including retention of the specific files.

record, unless prior to the expiration of such 30-day period, the Litigation Trust Committee or the Beneficiaries shall have objected in writing to the destruction of such records. Each such extension must be approved by the Bankruptcy Court within six (6) months of the beginning of the extended term.

10.3 Continuance of Litigation Trust for Winding Up. After the termination of the Litigation Trust and for the purpose of liquidating and winding up the affairs of the Litigation Trust, the Litigation Trustee shall continue to act as such until his or her duties have been fully performed, including, without limitation, such post-distribution tasks as necessary to wind up the affairs of the Litigation Trust. Subject to the provisions of 9.2 hereof, after the termination of the Litigation Trust, the Litigation Trustee shall retain for a period of five (5) years the books, records, Beneficiary lists, and certificates and other documents and files which shall have been delivered to or created by the Litigation Trustee. 10                    This Disclosure Statement is being provided to you by Debtor to enable you to  
11    make an informed judgment about the Plan. This Disclosure Statement has been prepared to  
12    disclose information that in Debtor's opinion is material, important, and helpful to evaluate  
13    the Plan. Among other things, this Disclosure Statement describes the manner in which  
14    Claims and Equity Securities will be treated. This Disclosure Statement summarizes the  
15    Plan, explains how the Plan will be implemented, outlines the risks of and alternatives to the  
16    Plan, and outlines the procedures involved in confirmation of the Plan. The description of  
17    the Plan contained in this Disclosure Statement is intended as a summary only and is  
18    qualified in its entirety by reference to the Plan itself. If any inconsistency exists between the  
19    Plan and this Disclosure Statement, the terms of the Plan shall control. You are urged to  
20    review the Plan and, if applicable, consult with your own counsel about the Plan and its  
21    impact on your legal rights before voting on the Plan.

22                    Capitalized terms used but not defined in this Disclosure Statement shall have  
23    the meanings assigned to such terms in the Plan or the Bankruptcy Code. Factual  
24    information contained in this Disclosure Statement is the representation of Debtor only and  
25    not of its attorneys, consultants or accountants. The information has been obtained from the  
26    books and records of Debtor as well as other sources deemed reliable. Debtor has prepared

1 the information contained herein in good faith, based on information available to Debtor.

2 The information herein has not been subject to a verified audit. No representation  
3 concerning Debtor or the Plan is authorized by Debtor other than as set forth in this  
4 Disclosure Statement.

5 The statements contained in this Disclosure Statement are made as of the date  
6 hereof, unless another time is specified herein, and the delivery of this Disclosure Statement  
7 shall not imply that there has been no change in the facts set forth herein since the date of this  
8 Disclosure Statement and the date the material relied on in preparation of this Disclosure  
9 Statement was compiled.

10 This Disclosure Statement may not be relied on for any purpose other than to  
11 determine how to vote on the Plan. Nothing contained herein shall constitute an admission of  
12 any fact or liability by any party, or be admissible in any proceeding involving Debtor or any  
13 other party, or be deemed advice on the tax or other legal effects of the Plan on the holders of  
14 Claims or Equity Securities.

15 This Disclosure Statement has been approved by Order of the Bankruptcy  
16 Court as containing information of a kind and in sufficient detail to enable a hypothetical  
17 reasonable investor typical of holders of Claims or Equity Securities of relevant classes to  
18 make an informed judgment concerning the Plan. The Bankruptcy Court's approval of this  
19 Disclosure Statement, however, does not constitute a recommendation by the Bankruptcy  
20 Court either for or against the Plan.

21 The Bankruptcy Court has scheduled a hearing on confirmation of the Plan to  
22 commence on \_\_\_\_\_, 2017 at \_\_\_\_\_ Pacific time. That hearing  
23 will be held at the U.S. Bankruptcy Court for the District of Oregon, 1001 SW Fifth Avenue,  
24 Courtroom 1, Portland, Oregon 97204, before the Honorable Peter C. McKittrick. The  
25 hearing on confirmation may be adjourned from time to time by the Bankruptcy Court  
26

1 without further notice except for an announcement made at the hearing on any adjournment  
2 thereof.

3 A ballot has been enclosed with this Disclosure Statement for use in voting on  
4 the Plan. In order to be tabulated for purposes of determining whether the Plan has been  
5 accepted or rejected, ballots must be received at the address indicated on the ballot no later  
6 than 4:00 p.m. on \_\_\_\_\_, 2017. Debtor believes that confirmation of the Plan is  
7 in the best interests of the holders of Claims and urges you to accept the Plan.

8 This Disclosure Statement contains projected financial information and  
9 estimates that demonstrate the feasibility of the Plan of Reorganization and Peak's ability to  
10 continue operations upon emergence from proceedings under the Bankruptcy Code. Peak  
11 prepared such information for the limited purpose of furnishing information to Creditors to  
12 allow them to make an informed judgment regarding acceptance of the Plan of  
13 Reorganization. The projections and estimates of value should not be regarded for the  
14 purpose of this Disclosure Statement as representations or warranties by Peak as to the  
15 accuracy of such information or that any such projections or valuations will be realized.  
16 Actual results could vary significantly from these projections.

17 **B. SUMMARY OF THE PLAN**

18 A copy of the Plan is attached hereto as **Exhibit 1** and discussed in detail later  
19 in this Disclosure Statement. The following description of the Plan is intended as a summary  
20 only and is qualified in its entirety by reference to the Plan. Debtor urges each holder of a  
21 Claim to carefully review the Plan, together with this Disclosure Statement, before voting on  
22 the Plan.

23 The Plan establishes a Litigation Trust into which Debtor's claims in the  
24 Machine Zone Litigation, Debtor's assets related to the Machine Zone Litigation, Debtor's  
25 claims against other parties, and claims for avoidance and recovery under Chapter 5 of the  
26 Bankruptcy Code will be placed. The Machine Zone Litigation is described in Sections III.C

1 and V.D. of this Disclosure Statement. Proceeds, if any, from the Litigation Trust Assets will  
2 be paid to Creditors in the same priority as provided in the Bankruptcy Code. As of the date  
3 of this Disclosure Statement, the total amount of Claims filed by Creditors, scheduled by  
4 Debtor, or expected to be incurred as administrative expenses that will have claims against  
5 the Litigation Trust Assets is approximately \$62,000,000. Additional Rejection Claims or  
6 other Claims may be filed by creditors once all equipment is returned and Creditors have  
7 amended their Claims or filed Rejection Claims. If Debtor is successful on its claims in the  
8 Machine Zone Litigation, then all Allowed Claims of Creditors will be paid in full. If Debtor  
9 is not successful in its litigation against Machine Zone or the liquidation of other assets  
10 transferred into the Litigation Trust, then the recovery to Creditors will be significantly  
11 diminished. In that event, the source of payments will be from Reorganized Debtor.

12 With respect to payments from Reorganized Debtor, each Unsecured Creditor  
13 will receive a Pro Rata share of 50% of the Adjusted Net Income of Reorganized Debtor on a  
14 semi-annual basis for four years. The other 50% of Adjusted Net Income of Reorganized  
15 Debtor will be available for distribution to Reorganized Debtor's Series A Preferred Unit  
16 holders and then to Common Unit holders or be retained and reinvested in the company for  
17 future operations. "Adjusted Net Income" is defined as Reorganized Debtor's Adjusted Net  
18 Income from operations measured over a semi-annual calendar period after certain  
19 deductions and adjustments as defined in the Plan. Debtor's projections of the amounts  
20 available to be paid to Unsecured Creditors from the Adjusted Net Income of Reorganized  
21 Debtor are attached hereto as **Exhibit 2**.

22 Alternatively, Creditors with Allowed Claims may elect to convert their debt  
23 into equity in the form of Common Units in Reorganized Debtor as described in detail below  
24 and in the Plan. Any debt converted to equity will no longer be entitled to distributions from  
25 the Litigation Trust or debt payments from Reorganized Debtor. Until equipment vendors  
26 file their amended Claims after the return and liquidation of their equipment and Creditors

1 have made an equity election, Debtor is unable to estimate the total amount of Unsecured  
2 Claims of Creditors who will receive a Pro Rata share of Adjusted Net Income, however the  
3 final percentage distribution to each Creditor from Reorganized Debtor's operations is likely  
4 to be small. As of the date of this Disclosure Statement, the total amount of Unsecured  
5 Claims scheduled by Peak or filed by Creditors is approximately \$55,000,000, including the  
6 claim of Machine Zone in the approximate amount of \$23,000,000. The total number of  
7 unsecured creditors who have filed claims or were scheduled by Debtor is approximately  
8 110.

9 **C. BRIEF EXPLANATION OF CHAPTER 11**

10 Chapter 11 is the principal reorganization provision of the Bankruptcy Code.  
11 Pursuant to Chapter 11, a debtor attempts to reorganize its business for the benefit of Debtor,  
12 its creditors, and other parties in interest.

13 The formulation and confirmation of a plan of reorganization is the principal  
14 purpose of a Chapter 11 case. A plan of reorganization sets forth the method for  
15 compensating the holders of claims and interests in Debtor. If the plan is confirmed by the  
16 Bankruptcy Court, it will be binding on Debtor, its creditors, and all other parties in interest.  
17 A claim or interest is impaired under a plan of reorganization if the plan provides that the  
18 legal, equitable, or contractual rights of the holder of such claim or interest are altered. A  
19 holder of an impaired claim or interest is entitled to vote to accept or reject the plan.

20 Chapter 11 does not require all holders of claims and interests to vote in favor of a plan in  
21 order for the Bankruptcy Court to confirm it. However, the Bankruptcy Court must find that  
22 the plan meets a number of statutory tests before it may approve the plan. These tests are  
23 designed to protect the interests of holders of claims or interests who do not vote to accept  
24 the plan, but who will nonetheless be bound by the plan's provisions if it is confirmed by the  
25 Bankruptcy Court.

1 An Unsecured Creditors' Committee was appointed by the U.S. Trustee's  
2 office early in this case pursuant to 11 U.S.C. §§ 1102(a) and (b). The Committee was  
3 appointed to generally represent the interests of General Unsecured Creditors and to  
4 participate in Debtor's Chapter 11 case with respect to, among other things, the formulation  
5 of a plan of reorganization. The Committee is comprised of:

## 20 **II. VOTING PROCEDURES AND CONFIRMATION OF PLAN**

### 21 **A. BALLOTS AND VOTING DEADLINE**

22 A ballot to be used for voting to accept or reject the Plan is enclosed with each  
23 copy of this Disclosure Statement. After carefully reviewing this Disclosure Statement and  
24 its exhibits, including the Plan, please indicate your acceptance or rejection of the Plan by  
25 voting in favor or against the Plan on the enclosed ballot as directed below.  
26

1           The Bankruptcy Court has directed that, to be counted for voting purposes,  
2 ballots for the acceptance or rejection of the Plan must be received by Debtor no later than  
3 4:00 p.m. Pacific time on \_\_\_\_\_, 2017 at the following address:

4                           Tonkon Torp LLP,  
5                           Attention: Spencer Fisher  
6                           1600 Pioneer Tower  
                             888 SW Fifth Avenue  
                             Portland, OR 97204-2099

7 or via facsimile transmission to Spencer Fisher at (503) 972-3867.

8           Holders of each Claim scheduled by Debtor or with respect to which a Proof  
9 of Claim has been filed will receive ballots and are permitted to vote based on the amount of  
10 the Proof of Claim, except as discussed below. If no Proof of Claim has been filed, then the  
11 vote will be based on the amount scheduled by Debtor in its Schedules. The Bankruptcy  
12 Code provides that such votes will be counted unless the Claim has been disputed,  
13 disallowed, disqualified, or suspended prior to computation of the vote on the Plan. A Claim  
14 to which an objection has been filed is not allowed to vote unless and until the Bankruptcy  
15 Court rules on the objection. Holders of disputed Claims who have settled their dispute with  
16 Debtor are entitled to vote the settled amount of their Claim. The Bankruptcy Code and rules  
17 provide that the Bankruptcy Court may, if timely requested to do so by the holder of such  
18 Claim, estimate or temporarily allow a disputed Claim for the purposes of voting on the Plan.

19           If a person holds Claims in more than one Class entitled to vote on the Plan,  
20 such person will be entitled to complete and return a ballot for each Class. If you do not  
21 receive a ballot or if a ballot is damaged or lost, please contact:

22                           Tonkon Torp LLP  
23                           Attention: Spencer Fisher  
24                           1600 Pioneer Tower  
                             888 SW Fifth Avenue  
                             Portland, OR 97204-2099  
                             Telephone: (503) 802-2167

1 All persons entitled to vote on the Plan may cast their vote for or against the  
2 Plan by completing, dating, and signing the enclosed ballot and returning it, by First Class  
3 mail or hand delivery, to Debtor at the address indicated above. In order to be counted, all  
4 ballots must be executed and received at the above address no later than 4:00 p.m. Pacific  
5 time on \_\_\_\_\_, 2017. Any ballots received after 4:00 p.m. Pacific time on  
6 \_\_\_\_\_, 2017 will not be included in any calculation to determine  
7 whether the parties entitled to vote on the Plan have voted to accept or reject the Plan.

8 Ballots may also be received by Debtor by facsimile transmission to Tonkon  
9 Torp LLP, Attention: Spencer Fisher, at (503) 972-3867. Ballots sent by facsimile  
10 transmission will be counted if faxed to Mr. Fisher and received by 4:00 p.m. Pacific time on  
11 \_\_\_\_\_, 2017.

12 WHEN A BALLOT IS SIGNED AND RETURNED WITHOUT FURTHER  
13 INSTRUCTION REGARDING ACCEPTANCE OR REJECTION OF THE PLAN,  
14 DEBTOR WILL SEEK THAT THE SIGNED BALLOT SHALL BE COUNTED AS A  
15 VOTE ACCEPTING THE PLAN. WHEN A BALLOT IS RETURNED INDICATING  
16 ACCEPTANCE OR REJECTION OF THE PLAN BUT IS UNSIGNED, THE UNSIGNED  
17 BALLOT WILL NOT BE INCLUDED IN ANY CALCULATION TO DETERMINE  
18 WHETHER PARTIES ENTITLED TO VOTE ON THE PLAN HAVE VOTED TO  
19 ACCEPT OR REJECT THE PLAN. WHEN A BALLOT IS RETURNED WITHOUT  
20 INDICATING THE AMOUNT OF THE CLAIM OR INDICATING AN INACCURATE  
21 AMOUNT, THE AMOUNT SHALL BE AS SET FORTH ON DEBTOR'S SCHEDULES  
22 OR ANY PROOF OF CLAIM FILED WITH RESPECT TO SUCH CLAIM OR ORDER  
23 OF THE BANKRUPTCY COURT.

24 **B. PARTIES ENTITLED TO VOTE**

25 Pursuant to Section 1126 of the Bankruptcy Code, each Class of impaired  
26 Claims or Equity Security Holders that is not deemed to reject the Plan is entitled to vote to

1 accept or reject the Plan. Any holder of an Allowed Claim that is in an impaired Class under  
2 the Plan, and whose Class is not deemed to reject the Plan, is entitled to vote. A Class is  
3 "impaired" unless the legal, equitable, and contractual rights of the holders of Claims in that  
4 Class are left unaltered by the Plan or if the Plan reinstates the Claims held by members of  
5 such Class by (1) curing any defaults; (2) reinstating the maturity of such Claim;  
6 (3) compensating the holder of such Claim for damages that result from the reasonable  
7 reliance on any contractual provision or law that allows acceleration of such Claim; and  
8 (4) otherwise leaving unaltered any legal, equitable, or contractual right of which the Claim  
9 entitles the holder of such Claim. Because of their favorable treatment, Classes that are not  
10 impaired are conclusively presumed to accept the Plan. Accordingly, it is not necessary to  
11 solicit votes from the holders of Claims in Classes that are not impaired. Classes of Claims  
12 or Interests that will not receive or retain any money or property under a Plan on account of  
13 such Claims or Interests are deemed, as a matter of law under Section 1126(g) of the  
14 Bankruptcy Code, to have rejected the Plan and are likewise not entitled to vote on the Plan.  
15 Classes 1 through 10 are impaired under Debtor's Plan; Class 11 is unimpaired under  
16 Debtor's Plan.

17 **C. VOTES REQUIRED FOR CLASS ACCEPTANCE OF THE PLAN**

18 As a condition to confirmation, the Bankruptcy Code requires that each  
19 impaired Class of Claims or Interests accept the Plan, subject to the exceptions described  
20 below in the section entitled "Cram Down of the Plan." In a "Cram Down," at least one  
21 impaired Class of Claims must accept the Plan in order for the Plan to be confirmed.

22 For a Class of Claims to accept the Plan, Section 1126 of the Bankruptcy  
23 Code requires acceptance by Creditors that hold at least two-thirds in dollar amount and a  
24 majority in number of the Allowed Claims of such Class, in both cases counting only those  
25 Claims actually voting to accept or reject the Plan. The holders of Claims who fail to vote  
26 are not counted as either accepting or rejecting the Plan. If the Plan is confirmed, the Plan

1 will be binding with respect to all holders of Claims and Interests in each Class, including  
2 Classes and members of Classes that did not vote or that voted to reject the Plan.

3 **D. "CRAM DOWN" OF THE PLAN**

4 If the Plan is not accepted by all of the impaired Classes of Claims and  
5 Interests of Debtor, the Plan may still be confirmed by the Bankruptcy Court pursuant to  
6 Section 1129(b) of the Bankruptcy Code's "Cram Down" provision if the Plan has been  
7 accepted by at least one Impaired Class of Claims, without counting the acceptances of any  
8 Insiders of Debtor, and the Bankruptcy Court determines, among other things, that the Plan  
9 "does not discriminate unfairly" and is "fair and equitable" with respect to each  
10 non-accepting Impaired Class of Claims or Interests. Debtor believes the Plan can be  
11 confirmed even if it is not accepted by all impaired Classes of Claims and hereby requests the  
12 Bankruptcy Court to confirm the Plan in accordance with Section 1129(6) of the Bankruptcy  
13 Code or otherwise modify the Plan in the event any Class of Creditors does not accept the  
14 Plan.

15 **E. CONFIRMATION HEARING**

16 The Bankruptcy Court has scheduled a hearing on confirmation of the Plan to  
17 commence on \_\_\_\_\_, 2017, at \_\_\_\_\_ Pacific time. The confirmation  
18 hearing will be held at the U.S. Bankruptcy Court for the District of Oregon, Courtroom 1,  
19 1001 SW Fifth Avenue, Portland, Oregon, before the Honorable Peter C. McKittrick, United  
20 States Bankruptcy Judge. At the hearing, the Bankruptcy Court will consider whether the  
21 Plan satisfies the various requirements of the Bankruptcy Code, including whether it is  
22 feasible and whether it is in the best interests of the Creditors of Debtor. Prior to the hearing,  
23 Debtor will submit a report to the Bankruptcy Court concerning the votes for acceptance or  
24 rejection of the Plan by the persons entitled to vote thereon.

25 Section 1128(b) of the Bankruptcy Code provides that any party in interest  
26 may object to confirmation of the Plan. Any objections to confirmation of the Plan must be

1 made in writing and filed with the Bankruptcy Court and received by counsel for Debtor and  
2 counsel for the Committee no later than \_\_\_\_\_, 2017, by 4:00 p.m. Pacific  
3 time. Unless an objection to confirmation is timely filed and received, it will not be  
4 considered by the Bankruptcy Court.

### 5 **III. COMPANY BACKGROUND AND INFORMATION**

#### 6 **A. DEBTOR**

7 Peak is a California limited liability company authorized to transact business  
8 in various jurisdictions, including the State of Oregon, and is headquartered in Oregon.

9 Peak provides managed hosting and consulting services. Peak started out as  
10 just a consulting company offering managed hosting solutions and helping businesses  
11 understand and tackle the technical side of their operations. Over time, Peak evolved into a  
12 true Operations-as-a-Service provider, melding its technical expertise and skills to  
13 completely identify, architect, build out, and maintain hosting networks. It takes care of all  
14 the technical needs. As its motto says, "Everything but your code @." Peak has provided the  
15 servers, storage, network, datacenter, and staff for some of the largest online businesses.  
16 Peak's hosting business is essentially a "cloud" service provider for companies that do not  
17 want to build out an operations department to run all of these elements themselves.

18 Peak uses its confidential and proprietary trade secret technology and  
19 know-how to create network architectures that support the growth and volume of user data  
20 exchanged, stored, and processed through its clients' network applications. The complex  
21 network architectures are designed and built by Peak and have thousands of physical  
22 components and corresponding software that are uniquely configured to operate online  
23 applications at high rates of speed without latency, jitters, corruption, or failure. Peak  
24 developed its trade secret network architecture over more than fifteen years, with tens of  
25 thousands of engineering and architectural hours, and millions of dollars invested in its  
26 research and development.

1                   **B.       DEBTOR'S GROWTH**

2                   Peak was founded by Jeffrey Papen in 2001. Over the course of thirteen  
3 years, Peak's revenue grew to approximately \$1 million per month. Starting in 2013, a single  
4 customer, Machine Zone, Inc. ("Machine Zone"), grew Peak to \$5 million in revenue  
5 per month over a 14-month period. To support its work for Machine Zone, Peak purchased  
6 over \$35 million in hardware (approximately \$25 million of which was personally  
7 guaranteed by Mr. Papen) and significantly increased its staff. By 2015, Peak employed  
8 approximately 185 people. Peak's equipment purchases and employee growth was done in  
9 reliance on Machine Zone's promise to pay the monthly recurring network hosting charges  
10 through 2017.

11                   **C.       MACHINE ZONE LITIGATION**

12                   Machine Zone is the developer of Game of War and Mobile Strike, mobile  
13 gaming apps that are played by millions of people around the world who talk, collaborate,  
14 and compete in an expansive virtual environment 24 hours a day, seven days a week, using  
15 their handheld devices. Although free to download, the game is designed to encourage  
16 players to make in-game purchases to gain power and more quickly advance through the  
17 game. Game of War was an instant success and is one of the top grossing mobile gaming  
18 apps, generating millions of dollars in revenue per day and \$600 million annually. Machine  
19 Zone grew rapidly and had a purported valuation of at least \$10 billion.

20                   Peak believes its network architecture is particularly valuable to Machine  
21 Zone because of Peak's thousands of unique design choices, configurations, and command  
22 codes that improve Game of War's speed and reliability, both of which are critical to Game  
23 of War's success and profitability.

24                   Pursuant to the parties' written non-disclosure and network hosting  
25 agreements, Peak permitted Machine Zone to run Game of War using Peak's proprietary and  
26 trade secret network architecture while the parties' hosting contract was in effect. In

1 exchange, Machine Zone agreed to pay Peak monthly recurring charges of approximately  
2 \$4.08 million through at least October 1, 2017. Machine Zone also agreed that if it  
3 terminated the agreement early for convenience, Machine Zone was required to pay the  
4 remaining recurring monthly payments through the full term of the agreement and to cease  
5 using Peak's proprietary and trade secret architecture. Peak believes that shortly after the  
6 parties executed an extended network hosting agreement in February 2015, Machine Zone  
7 induced Peak to allow Machine Zone to copy its trade secret network architecture by falsely  
8 representing that it was building a back-up data center in Las Vegas to serve as a disaster  
9 recovery to Peak's primary data center in Dallas. Machine Zone disputes this. Pursuant to  
10 Machine Zone's representations and subject to the limitations in the parties' written  
11 agreements, Peak provided Machine Zone with its trade secret network topology,  
12 configurations, command codes, and other confidential know-how that, Peak believes,  
13 Machine Zone copied to build an identical network architecture in Machine Zone's  
14 Las Vegas data center.

15 On October 27, 2015, Peak contends that a previously unknown and  
16 undocumented Cisco Systems, Inc. ("Cisco") software bug caused a Cisco Nexus switch in  
17 Peak's network system to malfunction, resulting in a Game of War outage. Cisco, a  
18 third-party vendor, with the help of Peak, immediately began an investigation to determine  
19 what triggered, and how to fix, the previously unknown Cisco bug. Cisco confirmed in  
20 writing that the outage was Cisco's fault and caused by the software bug ID CSCux02122 in  
21 its Nexus switch. Cisco has since released a software patch to fix the bug. The agreement  
22 between Peak and Machine Zone expressly provides that: (1) Peak is not responsible for  
23 network outages caused by vendor software bugs, and (2) a single outage is not grounds to  
24 terminate the agreement. Nevertheless, on October 28, 2015, the day after the network  
25 outage, and without knowing what caused the outage, Peak contends that Machine Zone  
26 notified Peak it was terminating the agreement, claiming that Peak had materially breached

1 the agreement due to the October 27th outage. Peak believes Machine Zone terminated the  
2 agreement early and without cause because it had already obtained and used Peak's trade  
3 secrets, confidential information, and technical know-how to duplicate Peak's network  
4 system and manage its network operations in-house. Machine Zone disputes this.

5 Machine Zone gave formal written notice of termination on October 29, 2015,  
6 but demanded that Peak continue to host Game of War through Peak's Dallas data center  
7 until December 27, 2015. Peak believes this gave Machine Zone sufficient time to transfer  
8 Game of War to its Las Vegas data center without incurring significant revenue loss by  
9 taking the game offline for several weeks. Although Peak could have shut down Game of  
10 War's network operations after being wrongfully terminated, costing Machine Zone tens  
11 of millions of dollars in lost revenue, Peak continued to provide network hosting services in  
12 good faith until December 27, 2015. In doing so, Peak incurred significant dollars in  
13 overhead costs which otherwise would not have been incurred. Machine Zone accepted these  
14 services but concealed for months that it never intended to pay Peak the money owed for  
15 network hosting services from October 1 through December 27, 2015, despite continuing to  
16 accept Peak's performance of its services and generate millions of dollars a day by using  
17 Peak's trade secrets and confidential know-how in Machine Zone's Las Vegas data center.

18 Machine Zone was 80% of Peak's business, and Peak relied on Machine  
19 Zone's promise to pay the remaining \$4.08 million per month in recurring network hosting  
20 charges through the full term of the agreement. In addition to the amounts owed for October  
21 through December 27, 2015, the agreement provides that because Machine Zone terminated  
22 the agreement early and for convenience, Machine Zone must pay Peak the amounts owed  
23 for the remaining term of the agreement (from the date of termination through October 1,  
24 2017), for a total in excess of \$100 million in damages. Under the contract, Peak is also  
25 entitled to pre-judgment interest at the rate of 10% per annum and to recover its attorneys'  
26 fees in the suit. Further, although the agreement requires Machine Zone to cease all use of

1 Peak's trade secrets and confidential information upon termination of the agreement  
2 regardless of whether it was terminated for cause or convenience, Peak believes Machine  
3 Zone is continuing to use Peak's trade secrets and confidential information without  
4 authorization. Finally, based on its investigation, Peak also believes that Machine Zone  
5 breached other provisions of the agreement, including provisions related to the use of  
6 confidential information and to the payments owed on the equipment purchased by Peak to  
7 perform the contract. Peak believes that these breaches, as well as the misrepresentations  
8 that Machine Zone made, provide separate and additional grounds for seeking substantial  
9 damages from Machine Zone.

10 On November 25, 2015, Machine Zone filed a complaint against Peak in the  
11 Superior Court of California, County of Santa Clara, Case No. 1-15-cv-288498. Machine  
12 Zone alleges causes of action for: (1) Breach of Contract; (2) Declaratory Relief of Right to  
13 Terminate MSA; (3) Breach of Covenant of Good Faith and Fair Dealing; (4) Fraudulent  
14 Inducement; (5) Rescission; (6) Negligent Misrepresentation; and (7) Promissory Estoppel.  
15 Machine Zone alleges that Peak Hosting's network architecture failed to meet industry  
16 standards, causing Game of War to have numerous network outages. Machine Zone is  
17 seeking \$23 million in compensatory and consequential damages based on the amounts paid  
18 to Peak Hosting prior to its termination notice.

19 On December 3, 2015, Peak filed its complaint against Machine Zone and  
20 Epic War in the complex department of the Superior Court of California, County of Santa  
21 Clara, Case No. 1-15-cv-288681. Peak alleges causes of action for: (1) Misappropriation of  
22 Trade Secrets; (2) Breach of Contract; (3) Breach of the Implied Covenant of Good Faith and  
23 Fair Dealing; (4) Negligent Misrepresentation; (5) Fraudulent Inducement; (6) Unfair  
24 Competition; (7) Promissory Estoppel; (8) Conversion; and (9) Declaratory Relief. Peak  
25 alleges that Machine Zone's claims that Peak materially breached the Agreement was a  
26 pretext for Machine Zone's decision to terminate the Agreement after building its own data

1 center using Peak's trade secrets and confidential know-how. Peak seeks to recover more  
2 than \$100 million in damages and other relief, including \$97.3 million in liquidated damages  
3 under the contract as well as millions of dollars in pre-judgment interest and contractual  
4 attorneys' fees. Peak also seeks substantial additional monetary and injunctive relief,  
5 including disgorgement of profits, based on its claim that Machine Zone and Epic War  
6 misappropriated Peak's trade secrets to facilitate and expedite Machine Zone's transition to a  
7 new data center in Las Vegas.

8           On December 4, 2015, Peak offered to consolidate the two actions in the  
9 Superior Court's complex civil Litigation department, and proposed the parties stipulate to  
10 maintaining the status quo and preserving all rights while they attempted to mediate the  
11 dispute. On December 23, 2105, Machine Zone stipulated to consolidation of the actions.  
12 On January 4, 2016, the Superior Court issued an order deeming the cases complex within  
13 the meaning of California Rule of Court 3.400. As such, the cases would have a single judge  
14 for all purposes, including trial, and since the judge only handles complex civil litigation, the  
15 trial date would not be postponed due to priority of criminal trials, which frequently occurs in  
16 other civil departments.

17           On January 15, 2016, the Superior Court issued an order consolidating the  
18 cases in the complex department. The same day Peak served its trade secret disclosure  
19 statement with notice to Machine Zone that it intended to appear *ex parte* on January 20,  
20 2016 for hearing on Peak's application for Temporary Restraining Order ("TRO") and Writ  
21 of Attachment ("Writ"). On January 20, 2106, the Superior Court held a hearing on Peak's  
22 TRO and Writ. The Court denied the TRO and Writ without prejudice, and set an early  
23 hearing on Peak's motion for preliminary injunction and permitted limited discovery  
24 concerning Peak's trade secret claims subject to any objections by Machine Zone to Peak's  
25 trade secret disclosure statement. The Court also suggested that the parties pursue an earlier  
26 mediation. Machine Zone agreed to mediation, and on March 8, 2016, the parties attended

1 mediation with the Hon. James Kleinberg (Ret.) at JAMS. The parties did not reach a  
2 settlement.

3 On March 25, 2016, the parties attended the Initial Case Management  
4 Conference ("CMC"). At the CMC, Peak stated it would take its motion for preliminary  
5 injunction off calendar if the Superior Court lifted the stay on discovery and set an early  
6 March 6, 2017 trial date. Machine Zone objected to setting a trial date, and instead requested  
7 phased discovery and motion practice limited to Peak's trade secret claims. The Superior  
8 Court adopted Peak's request and set trial for March 6, 2017, lifting the stay on all discovery,  
9 which was to proceed in accordance with the California Code of Civil Procedure. Thereafter,  
10 the parties exchanged and responded to extensive written discovery, including form and  
11 special interrogatories, requests for production, and requests for admission. The parties also  
12 subpoenaed Cisco, which is located in Northern California and thus within the state court's  
13 jurisdiction, for documents and depositions related to the Cisco software bug.

14 Using outside eDiscovery vendors, the parties engaged in collecting the  
15 substantial volume of electronically stored information ("ESI") from numerous custodians  
16 and datasets, and agreed to produce documents pursuant to mutually agreeable search terms.  
17 The parties extensively met and conferred with Cisco's retained counsel to obtain responsive  
18 documents and deposition dates regarding one of the central liability issues in the case. The  
19 parties also met and conferred on issues related to party discovery, and after Peak served an  
20 amended trade secret disclosure statement to address Machine Zone's objections, the parties  
21 agreed to proceed while reserving right to avoid burdening the Superior Court with discovery  
22 disputes. When Peak filed for bankruptcy, the parties were in the process of preparing to  
23 produce documents and schedule depositions, including Cisco's deposition following Cisco's  
24 production. The status of the litigation following the bankruptcy filing is further described  
25 below.

1 As a result of Machine Zone's departure, Peak's business needs dramatically  
2 changed. For example, Peak initially reduced its work force from approximately 185 people  
3 to less than 50 people; it consolidated its data centers from five to one; it has had to spend  
4 considerable time analyzing its current equipment needs and returning equipment it no longer  
5 required; and it moved out of its prior office space.

6 Mr. Papen and others at Peak have spent and continue to spend significant  
7 time participating in the litigation with Machine Zone and pursuing a judgment against  
8 Machine Zone.

9 **D. CORPORATE OFFICERS, DIRECTORS AND MANAGEMENT**  
10 **TEAM**

11 Peak's management team is currently comprised of (1) Jeffrey Papen, Chief  
12 Executive Officer and founder; (2) Jon Billow, President and Chief Technology Officer; and  
13 (3) Lisa Bunday, Chief Financial Officer; all of whom are located in Oregon. Post-  
14 confirmation, Mr. Billow will serve as the President and principal active manager of  
15 Reorganized Debtor. Mr. Papen will not be part of the management team or receive a salary  
16 but will continue to be involved in the company to generate sales and to focus on the  
17 Machine Zone Litigation. To the extent Mr. Papen generates sales, he is expected to receive  
18 a commission on the same basis as other sales personnel. Sales commissions are generally  
19 calculated at 10% of net revenue received on a contract-by-contract basis.

20 Mr. Billow is responsible for leading Peak in developing an effective strategic  
21 plan to advance its mission and objectives. He provides leadership for all aspects of the  
22 company, including product, system, network, software, customer engineering, sales and  
23 marketing, and operations. His experience in ensuring production efficiency, quality, service,  
24 and cost-effective management of resources is critical to the ongoing success of Peak.

25 Mr. Billow is an experienced executive leader with over 20 years' success as a  
26 C-level executive with companies such as Vircon, Reipan, CPP, and NameSecure.com.

1 Additionally, he has built and sold several IT consultancy companies and worked with many  
2 Fortune 100 companies. Mr. Billow received his master's and bachelor's degrees in  
3 Information Systems from Corlins University. He served in the U.S. Army as a second  
4 lieutenant in the 75th Regiment, 3rd Ranger Battalion. Mr. Billow will remain as President  
5 of Reorganized Debtor, be issued equity of 500 Common Units and be paid an annual  
6 compensation of \$280,000, plus \$50,000 available as incentive bonuses for achieving  
7 revenue and profitability thresholds. All Debtor's employees are at-will employees.  
8 Reorganized Debtor's new equity holders will have the authority to appoint or change  
9 management in accordance with the terms of the LLC Agreement and consistent with the  
10 objectives of the Plan, meaning that Reorganized Debtor's objective must remain to  
11 implement the Plan and make required payments to creditors. There are no retiree benefits to  
12 be paid by Reorganized Debtor.

#### 13 **IV. EVENTS LEADING TO THE BANKRUPTCY FILING**

14 Peak's bankruptcy filing was precipitated by Machine Zone's actions, and the  
15 resulting financial loss to Peak, as described above.

16 As a result of Machine Zone's actions, and before filing its Bankruptcy Case,  
17 Peak made significant cuts in staffing and worked to negotiate payment plans and/or the  
18 return of equipment with many of its lenders and lessors. However, it was unable to reach  
19 agreements with all of its lessors and lenders, and could not afford to continue making  
20 payments on the equipment it leased or financed to support its former customer, Machine  
21 Zone. Machine Zone, for its part, breached its obligations to negotiate in good faith to take  
22 over Peak's payments to the lenders and lessors. As a result, Peak filed for Chapter 11  
23 bankruptcy protection.

1     **V.     SIGNIFICANT POST-PETITION EVENTS**

2             **A.     FIRST DAY MOTIONS**

3             Early in the case, Peak obtained a number of Bankruptcy Court orders  
4     designed to ensure a smooth transition through Chapter 11. These orders authorized Peak to,  
5     among other items, pay employees, make utility deposits, and obtain funds for continued  
6     operations. Peak obtained court approval to use the cash collateral of Bank of the West to  
7     pay the ongoing Chapter 11 expenses through cash collateral orders. The Court entered an  
8     Interim Order Authorizing the Use of Cash Collateral on June 15, 2016 and a Final Order  
9     Authorizing the Use of Cash Collateral on August 4, 2016.

10            **B.     DEBTOR-IN-POSSESSION LOANS**

11            As part of its early transition into bankruptcy, Peak also obtained post-petition  
12    financing to support business operations and fund the out-of-pocket costs associated with the  
13    Machine Zone Litigation. A detailed description of these two loans can be found at  
14    bankruptcy docket numbers 207 and 220 or by contacting counsel for Peak. A summary of  
15    the material terms of the loans is as follows:

16                    **1.     Operating Loan**

17            Peak entered into an agreement with PSA 9, LLC ("PSA 9") whereby PSA 9  
18    agreed to loan Peak up to \$500,000 to support Peak's operations as set forth in the Final  
19    Order Authorizing Debtor to Obtain Unsecured Credit Pursuant to Bankruptcy Rule 4001  
20    (Operating Loan) [ECF No. 207] ("Operating Loan"). PSA 9 is owned by Vernon Ventures,  
21    LLC, which is the sole member and sole manager of PSA 9. Vernon Ventures, LLC is solely  
22    owned by Joyce Chang, who is the wife of the owner of the entity that owns a 20% interest in  
23    Peak. Peak has drawn the entire \$500,000 of the Operating Loan from PSA 9.

24            Pursuant to the terms of Peak's agreement with PSA 9, PSA 9 has an  
25    unsecured Administrative Expense Claim under Section 503(b)(1) of the Bankruptcy Code,  
26    which shall be subject and subordinate only to (a) unpaid fees of the U.S. Trustee pursuant to

1 11 U.S.C. § 1930(a), and (b) unpaid Administrative Expense Claims for professional fees and  
2 expenses to the extent allowed pursuant to 11 U.S.C. § 330 and incurred prior to the entry of  
3 any order converting this case to a case under Chapter 7 of the Bankruptcy Code. The  
4 Operating Loan stated that it may be converted to equity in Reorganized Debtor upon  
5 confirmation of a plan of reorganization. Debtor's Plan provides the terms for conversion of  
6 the Operating Loan to new preferred equity in Reorganized Debtor.

## 7 **2. Litigation Loan**

8 As described below, Peak is represented by Susman Godfrey and Ropers  
9 Majeski in its litigation with Machine Zone. Susman Godfrey is being paid on a contingent  
10 fee basis; Ropers Majeski is being paid by Peak's insurer. Although Peak is not obligated to  
11 pay its legal fees in the litigation as they are incurred, it is obligated to pay out-of-pocket  
12 costs incurred by Susman Godfrey as they are incurred. Accordingly, Peak entered into an  
13 agreement with PSA 9 whereby PSA 9 agreed to loan Peak up to \$1.5 million to cover Peak's  
14 out-of-pocket costs and expenses in the litigation. On August 9, 2016, the Bankruptcy Court  
15 entered a Final Order Authorizing Debtor to Obtain First Priority Secured Credit (Litigation  
16 Loan) [ECF No. 220] (the "Litigation Loan"). As Debtor has represented to the Court, once  
17 funds become available to Mr. Papen, the Debtor intends to seek Court approval for Mr.  
18 Papen to participate in the Litigation Loan by loaning his personal funds to Peak. Although  
19 there was no written agreement between PSA 9 and Mr. Papen, it was the expectation of the  
20 parties that Mr. Papen would fund a portion of the Litigation Loan once his divorce was  
21 finalized, which Debtor anticipates will occur soon. PSA 9 has no other relationship with  
22 Mr. Papen. The Litigation Loan funds will enable Peak's legal counsel to properly prepare  
23 the prosecution and defense of the litigation in a timely manner.

24 Pursuant to the terms of the Litigation Loan, PSA 9 obtained a perfected,  
25 first-position security interest and continuing lien on Peak's right, title, and interest in the  
26 Machine Zone Litigation, which lien is prior to any and all other liens. To date, Peak has

1 drawn \$200,000 of the Litigation Loan from PSA 9. The Litigation Loan will be transferred  
2 to the Litigation Trust and be paid as a Secured Creditor from the proceeds of the Machine  
3 Zone Litigation or, if sufficient proceeds are not available, then as a general Unsecured  
4 Creditor from the other Litigation Trust Assets or Reorganized Debtor. For the avoidance of  
5 any doubt, PSA 9's lien is limited to the proceeds from the Machine Zone Litigation and  
6 does not extend to any proceeds of avoidance actions or proceeds recovered from other  
7 actions commenced by the Litigation Trust.

8 **C. RELIEF FROM STAY**

9 Peak has been returning significant amounts of equipment to equipment  
10 vendors both pre- and post-petition. In order to help vendors reduce expenses and be able to  
11 promptly proceed with the liquidation of returned equipment, Peak sought and obtained an  
12 order granting relief from the automatic stay of the bankruptcy to allow each vendor with  
13 equipment that was returned to it by Peak to liquidate that equipment in a commercially  
14 reasonable manner. The relief from stay is not to obtain equipment from Debtor, but to  
15 dispose of any equipment that is voluntarily returned by Debtor to an equipment vendor.

16 In order for Machine Zone's claims against Peak in the litigation to proceed  
17 during Peak's Chapter 11 case, Peak and Machine Zone have entered into a stipulated order  
18 to modify the automatic stay imposed by 11 U.S.C. § 362, such that Peak and Machine Zone  
19 can fully prosecute and defend all claims and defenses in their litigation.

20 **D. REMOVAL AND REMAND**

21 The Machine Zone Litigation was originally filed in Superior Court of  
22 California, in Santa Clara County. The case was specially assigned to the complex case  
23 department, given a specific judge, and a date certain trial date was set. The case was to go  
24 to trial in March 2017. After the Bankruptcy Case was filed, Machine Zone filed a Notice of  
25 Removal removing the consolidated Machine Zone action to the United States Bankruptcy  
26 Court for the District of Northern California, Case No. 16-05045 (the "Northern District

1 Action"). The state court subsequently vacated all dates, including trial, and all party and  
2 third-party discovery was put on hold.

3 On July 8, 2016, the parties submitted a stipulation and proposed order in the  
4 Northern District Action, requesting a transfer of venue to the United States District Court  
5 for the District of Oregon under 28 U.S.C. § 1412. The transfer order was entered on  
6 July 15, 2016. On July 22, 2016, Peak filed a Motion for Abstention and to Remand the case  
7 back to state court. On August 29, 2106, the Bankruptcy Court agreed with Peak and entered  
8 an order remanding the proceeding back to California state court. Machine Zone appealed  
9 the Bankruptcy Court's order and the appeal was heard in the United States District Court for  
10 the District of Oregon Oral argument was held on February 6, 2017, and on February 7,  
11 2017, the District Court issued an Opinion and Order denying the appeal and affirming the  
12 Bankruptcy Court's remand order.

13 The litigation will continue to proceed in California state court. It is Peak's  
14 desire to proceed with the litigation on the merits as quickly as possible. A case management  
15 conference was held in the state court litigation on October 28, 2016. At that time the state  
16 court scheduled a trial in the Machine Zone Litigation to commence on July 10, 2017. The  
17 July trial date was subsequently taken off of the court's docket by the California state court.  
18 Peak believes the trial will now occur in the fall of 2017.

19 On December 5, 2016, the parties engaged in mediation in Newport Beach,  
20 California. All statements and communications made in connection with the mediation  
21 process are strictly confidential and cannot be disclosed. The case did not settle at the  
22 mediation but additional mediation sessions may be held. Subsequent to, and outside of the  
23 mediation, Machine Zone made a settlement offer to Peak on December 8, 2016, which was  
24 not accepted.

1 On December 20, 2016, Machine Zone filed a substitution of attorney in the  
2 Machine Zone Litigation; Machine Zone is now represented by Gibson, Dunn & Crutcher  
3 LLP in the Machine Zone Litigation.

4 **E. RETURN OF EQUIPMENT**

5 As described above, as a result of Machine Zone's departure, Peak's  
6 equipment needs dramatically changed. Since the Petition Date, Peak has continued to spend  
7 considerable time analyzing its current equipment needs and returning equipment it no longer  
8 requires. This has been a time-consuming and difficult process due to operational and  
9 logistical issues. The equipment that has been returned and continues to be returned is being  
10 packaged and located at a third-party warehouse. That warehouse has certain limitations,  
11 including, but not limited to, how much palletized equipment can be on the floor at any one  
12 time. Peak is prohibited from operating the forklifts at the warehouse location; only the third  
13 party is authorized to do so. Once the pallets for a creditor are pulled and staged, all  
14 organization of other creditors' equipment must stop until the first creditor picks up its  
15 equipment. Once the equipment is pulled off the shelf, the final inventory for the pallet is  
16 completed and the pallets are shrink-wrapped to help protect the inventory. These steps take  
17 time and if a creditor does not show up to pick up the inventory on specified date, the process  
18 is delayed. Also, some leases have been assigned to other parties. Where that occurs, pallets  
19 need to be taken apart and resorted so that the equipment can be separated and go to the new  
20 assignee. This all takes time given the significant amount of equipment being returned.

21 **F. CLOSING OF HOSTING BUSINESS AND ASSIGNMENT OF**  
22 **CONTRACTS**

23 Peak's lease for its remaining hosting site expired at the end of 2016. Due to the loss  
24 of the Machine Zone business, Peak needed to downsize the amount of space it leased at that  
25 location. Peak was unable to negotiate an extension of the lease for less space. As a result,  
26 Peak vacated the premises by December 31, 2016 and terminated its hosting. Consequently,

1 Peak is also returning all equipment associated with the hosting operations to the various  
2 equipment lessors and secured creditors. All equipment was removed from the premises by  
3 December 31, 2016 and has been or will be returned to Creditors..

4 Peak entered into an agreement with IT Lynk to assume and assign the Peak hosting  
5 contracts to IT Lynk. In exchange, Peak will receive 5.5% of the monthly recurring revenues  
6 received by IT Lynk for a period of time under those contracts. On December 9, 2016, Peak  
7 filed a Motion to Assume and Assign Executory Contracts (Hosting Agreements) [ECF  
8 No. 428] with the Bankruptcy Court to approve the assumption and assignment, which  
9 Motion was subsequently granted. The transaction with IT Lynk closed by the end of 2016.  
10 Now that the hosting location is closed and the hosting contracts have been assigned to  
11 IT Lynk, Peak will focus exclusively on managed services and consulting work.

#### 12 **G. PAPEN INJUNCTION**

13 Mr. Papen, as founder and 80% owner of Peak, signed numerous personal  
14 guarantees on loans and leases with various vendors. Two of the vendors filed lawsuits to  
15 pursue claims against Mr. Papen on his guarantee during the pendency of the Bankruptcy  
16 Case. Peak believes that Mr. Papen's time, money, and energy is best spent reorganizing  
17 Peak and prosecuting the Machine Zone Litigation. That will result in the highest and best  
18 return to all creditors. Consequently, Peak sought and obtained a preliminary injunction  
19 prohibiting those vendors from pursuing lawsuits or other collection actions against  
20 Mr. Papen pending confirmation of a plan of reorganization. The injunction is presently set  
21 to expire on February 28, 2017, but Debtor has requested an extension through the date a  
22 Plan of Reorganization is confirmed.

#### 23 **H. AVOIDABLE LIENS AND PREFERENCES**

24 Peak has not yet undertaken a comprehensive preference analysis, but has  
25 conducted a preliminary analysis. To date, Peak has identified three avoidable liens. At this  
26 time, Peak has entered into stipulated orders with Capital Community Bank and Data Sales

1 Co., Inc. avoiding the liens on the Machine Zone Litigation that were granted to them within  
2 90 days of the Petition Date. Peak attempted to reach a similar order with Collins  
3 Technology Park Partners, LLC and Digital Loudoun Parkway Center North  
4 ("Digital/Collins"), but has been unable to do so to date. On December 2, 2016, Debtor filed  
5 an adversary proceeding against Digital/Collins to avoid its lien and seek the return of funds  
6 paid to it within 90 days of the Petition Date. Peak is not aware of any additional avoidance  
7 actions at this time, but further analysis may disclose avoidance actions not currently  
8 contemplated. The Digital/Collins adversary proceeding and all other preference claims and  
9 other avoidance and recovery claims under Chapter 5 of the Bankruptcy Code will be  
10 transferred to the Litigation Trust.

#### 11 **I. EMPLOYMENT OF PROFESSIONALS**

12 Debtor has retained Tonkon Torp LLP as its general counsel in this case.  
13 Debtor also sought and obtained Bankruptcy Court approval for the employment of  
14 (1) Cascade Capital Group, LLC as a business and financial consultant; (2) Susman Godfrey  
15 LLP ("Susman Godfrey"), as special Litigation counsel, to be paid on a contingent fee basis;  
16 (3) Ropers Majeski Kohn Bentley PC ("Ropers Majeski"), as special Litigation counsel, to be  
17 paid by Debtor's insurance; (4) Henderson Bennington Moshofsky, P.C. and Isler Northwest  
18 LLC, as Debtor's accountants; and (5) Acme Financial, LLC as a valuation consultant.

#### 19 **J. BUSINESS ADJUSTMENTS**

20 Since filing for Chapter 11 protection, Peak has re-evaluated its business  
21 needs and options. First and foremost, as a result of Machine Zone's conduct, Peak was  
22 immediately forced to reduce its data centers from five to one. As stated above, Peak's lease  
23 with its remaining data center expired at the end of 2016. Peak explored numerous options  
24 for extending this lease or moving to a new data center but was unable to do either on a  
25 profitable basis. Because of its loss in revenue due to Machine Zone's actions, Peak  
26 determined that it could not extend its lease for the remaining data center and temporarily

1 ceased providing hosting services. However, Peak will continue operations and reorganize  
2 its business focused on managed services and consulting pending the results of the Machine  
3 Zone Litigation.

4 The move to managed services and consulting will eliminate many fixed  
5 costs. Peak will continue to assess and adjust its staff size, while being careful to retain key  
6 personnel necessary to pursue the Machine Zone Litigation. Peak will retain only a limited  
7 amount of equipment needed for the consulting operations. Peak intends to resume providing  
8 managed hosting services when it receives a recovery in the Machine Zone Litigation or  
9 other opportunities are sufficient to recapitalize the hosting operations.

## 10 **VI. ASSETS AND LIABILITIES**

### 11 **A. ASSETS**

#### 12 **1. Personal Property**

13 As of the Petition Date, Peak's hard assets consisted primarily of  
14 computer-related equipment. A detailed list (120 pages in length) of this equipment can be  
15 found at Schedule B, Attachment #3 [Docket No. 113]. The equipment was either leased  
16 pursuant to true leases or financed pursuant to capital leases. To the extent a portion of  
17 equipment under a lease is being retained, Peak will pay the present value of that equipment  
18 as a Secured Claim. As of the Effective Date, Peak will have returned all equipment that is  
19 not necessary for its continued operations. As of the Petition Date, Peak also had some  
20 miscellaneous office furniture and capital equipment with little market value. A list of those  
21 items can be found at Schedule B, Attachments #1 and #2 [Docket No. 113]. Peak also had  
22 cash and accounts receivable as of the Petition Date, including a receivable from Mr. Papen  
23 in the amount of \$262,032.58. Peak has made demand for payment of Mr. Papen's receivable  
24 and expects to be paid prior to confirmation.

25 Peak's primary asset is its claims against Machine Zone in the Machine Zone  
26 Litigation: (a) misappropriation of trade secrets, (b) breach of contract, (c) breach of the

1 implied covenant of good faith and fair dealing, (d) negligent misrepresentation,  
2 (e) fraudulent inducement, (f) unfair competition, (g) promissory estoppel, (h) conversion,  
3 and (i) declaratory relief. The basis for these claims is described in detail in Section III.C  
4 above. Peak's contract damages in the Machine Zone Litigation are in excess of  
5 \$100 million, plus interest and attorneys' fees, and Peak may be amending its claims after  
6 additional discovery to increase the amount of the claims asserted against Machine Zone.

## 7 **B. LIABILITIES**

### 8 **1. Bank of the West**

9 According to the proof of claim filed by Bank of the West, the amount of debt  
10 owing to Bank of the West as of the Petition Date is \$6,278,189.39 in principal, plus  
11 \$21,627.07 in interest, and \$8,855.67 in late charges. The obligations of Peak to Bank of the  
12 West are secured by a perfected blanket security interest in Peak's inventory, equipment,  
13 accounts, general intangibles, and the contract claims in the Machine Zone Litigation, among  
14 other things.

### 15 **2. Equipment Lenders**

16 **a. Operating Leases.** Peak had operating leases for equipment  
17 with numerous lessors. Peak has rejected all of its operating leases pursuant to an Order  
18 Granting Debtor's Motion to Reject Executory Contracts and Unexpired Leases entered on  
19 September 15, 2016 [ECF No. 290]. It initially retained certain equipment with various  
20 lessors pursuant to stipulated adequate protection orders. However, with the closing of the  
21 hosting business, Peak will only be retaining certain laptops, desktops and miscellaneous  
22 equipment for use in its ongoing consulting business. All other equipment is no longer being  
23 used by Peak and has been, is in the process of being, or will be returned to the equipment  
24 vendors. The lessors will have Unsecured Claims for any deficiency balance owing after  
25 mitigating their damages by liquidating the returned equipment. The equipment lessors with  
26 leases that have been rejected include the following:

- Banc of America has an operating lease (assigned from Winthrop) identified by Debtor as PE040115-001 and PE040115-A01.
- Bank of the West has an operating lease (sold by Western (assigned from VAR)) identified by Debtor as DAL2 Build Sch 7.

- Ever Bank has an operating lease (assigned from VAR) identified by Debtor as DAL2 Build Sch 4.
- HP Financial Services has an operating lease identified by Debtor as Sch 1, Sch 2, Sch 3, Sch 4, Sch 5, Sch 6, Sch 7, and Sch 8.
- NFS has an operating lease identified by Debtor as 2014-205 Sch 3, 900-6454564-542, 900-6454564-544, 900-6454564-545, 900-6454564-547, and 900-6454564-548.

- Winthrop Resources Corporation has an operating lease identified by Debtor as PE040115-A02.

Debtor has determined it will retain certain equipment previously leased from Data Sales. Data Sales will be treated as a Class 4 Claim to the extent of the retained equipment.

**b. Capital Leases and Secured Loans.** Peak also has capital leases for equipment with numerous secured lenders. Capital leases are disguised financing agreements in which the lessors are actually lenders. The Claims of those creditors are classified as Secured Claims to the extent equipment is being retained and unsecured for the balance of their claim. Certain parties dispute Debtor's characterization of capital leases as disguised financing agreements. Peak has returned, is in the process of returning, or will return to its lenders all of the equipment related to the hosting business so most issues over the characterization as a true lease or disguised financing agreement will not be material.

The capital lease equipment lenders as of the Petition Date were as follows:

- Axis Capital Inc. and Debtor are parties to a secured financing agreement identified by Debtor as Axis Sch 1, and Axis Sch 2.
- Balboa Capital Corporation has a capital lease (assigned from VAR) identified by Debtor as 173339-001, Splunk 1, and Splunk 2.

Debtor has determined that it will retain certain equipment from US Bank, Huntington Technology, and Bank of the West for continued use in the consulting business. US Bank will be treated as a Class 3 Claim, Huntington Technology as a Class 2 Claim, and Bank of the West as a Class 1 Claim with respect to the retained equipment.

### **3. Unsecured Creditors**

The total number of unsecured creditors who were either scheduled by Peak or filed claims is approximately 110. The total amount of Unsecured Claims scheduled by Peak or filed by Creditors is approximately \$55,000,000 (including the approximately \$23,000,000 claim of Machine Zone) as of the date of this Disclosure Statement. This amount excludes any duplication for scheduled and filed claims. Peak estimates that additional Rejection Claims will be filed after the return and liquidation of the equipment which may substantially increase the claims amounts. Peak is unable to estimate the amount of Rejection Claims at this time as Peak's books and records reflect monthly amounts previously owing to lessors and not total payments for the entire duration of the lease. Consequently, Peak is unable to estimate at this time what will be the final total amount of all Unsecured Claims.

Peak expects it will prevail in the Machine Zone Litigation in an amount that will provide for payment in full to Unsecured Creditors and result in a distribution to Interest holders. If Peak does not prevail in the Machine Zone Litigation, General Unsecured Creditors will still be entitled to distributions from Reorganized Debtor's operations. Assuming that Peak distributes \$891,930 of Adjusted Net Income from 2017 through 2021, as it projects, and assuming there are Allowed Claims of \$55 million, General Unsecured Creditors will receive a distribution from Reorganized Debtor of approximately 1.6%. If the

1 Allowed Claim amounts are more or less than \$55 million, the distributions to General  
2 Unsecured creditors will increase or decrease accordingly. Notably, the \$55 million in  
3 claims schedule by Peak or filed by creditors includes Machine Zone's claim filed in the  
4 approximate amount of \$23 million to which Debtor has filed an objection. The actual  
5 distribution to Unsecured Claims will not be known until all Rejection Claims have been  
6 filed and all Claim objections have been resolved. Alternatively, Creditors are given the  
7 right to convert their debt into equity in Reorganized Debtor. However, such an investment  
8 should be based on the long-term future of Reorganized Debtor as the projections indicate  
9 that any return on investment to Common Unit holders would not begin to be realized until  
10 the year 2021. Prior to that time all funds are projected to be distributed to Creditors or in  
11 payment of the Series A Preferred Unit holder.

## 12 **VII. DESCRIPTION OF PLAN**

### 13 **A. BRIEF EXPLANATION OF CHAPTER 11**

14 Chapter 11 is the principal business reorganization chapter of the Bankruptcy  
15 Code. Under Chapter 11, a debtor is authorized to reorganize its business for the benefit of  
16 itself, its creditors, and equity holders. In addition to permitting rehabilitation of Debtor,  
17 another goal of Chapter 11 is to promote equality of treatment of creditors and equity holders  
18 of equal rank with respect to the distribution of a debtor's assets. In furtherance of these two  
19 goals, upon the filing of the reorganization under Chapter 11, Section 362 of the Bankruptcy  
20 Code generally provides for an automatic stay of substantially all acts and proceedings  
21 against Debtor and its property, including all attempts to collect debts or enforce liens that  
22 arose prior to commencement of Debtor's case under Chapter 11.

23 The confirmation of a plan of reorganization is the principal objective of a  
24 Chapter 11 reorganization case. A plan of reorganization sets forth the means for satisfying  
25 claims against, and interests in, a debtor. Confirmation of a plan of reorganization by a  
26 bankruptcy court makes the plan binding upon Debtor, any issuer of securities under the plan,

1 any person acquiring property under the plan, and any creditor and any equity holder of  
2 Debtor. Subject to certain limited exceptions provided by the Bankruptcy Code, and except  
3 as specifically provided in the plan of reorganization, the confirmation order discharges  
4 Debtor from any debt that arose prior to the date of such confirmation and order and  
5 substitutes therefore the obligations specified in the plan.

6 **B. SOLICITATION AND CLASSIFICATION AND TREATMENT OF**  
7 **CLAIMS AND EQUITY SECURITIES**

8 **1. General**

9 Pursuant to Section 1123(a)(1) of the Bankruptcy Code, a Plan of  
10 Reorganization must designate classes of Claims and classes of interest. The Plan classifies  
11 all Claims and Interests into eleven classes, including a class of Small Unsecured Claims for  
12 administrative convenience pursuant to Section 1122(b) of the Bankruptcy Code. The  
13 classification of Claims and Interests is made for the purpose of voting on the Plan and  
14 making distributions thereunder, and for ease of administration of the Plan. A Claim or  
15 Interest is classified in a particular Class only to the extent that the Claim or Interest qualifies  
16 within the description of that Class and is classified in a different Class to the extent that the  
17 Claim or Interest qualifies within the description of such different Class. A Claim or Interest  
18 is entitled to vote in a particular Class and to receive distributions in such Class only to the  
19 extent that such Claim or Interest is an Allowed Claim or Allowed Interest in that Class and  
20 has not been paid prior to the Effective Date. Under the Plan, a Claim or Interest is an  
21 Allowed Claim against or an Allowed Interest in Debtor to the extent that (a) proof of the  
22 Claim or Interest was (1) timely filed, or (2) deemed filed under applicable law by reason of  
23 an order of the Bankruptcy Court; or (3) scheduled by Debtor on its Schedules of Liabilities  
24 as neither contingent, unliquidated or disputed; and (b) (i) no party in interest has filed an  
25 objection within the time fixed by the Bankruptcy Court; or (ii) the Claim or Interest is  
26 allowed by Final Order; and (iii) with respect to an application for compensation or

1 reimbursement of an Administrative Expense Claim, the amount of Administrative Expense  
2 Claim has been approved by the Bankruptcy Court.

## 3                   **2.       Unclassified Claims**

4                   Administrative Expense Claims and Priority Tax Claims are not classified.  
5                   An Administrative Expense Claim is a Claim against Debtor constituting an expense of  
6 administration of the Bankruptcy Case allowed under Section 503(b) of the Bankruptcy Code  
7 including, without limitation, the actual and necessary costs and expenses of preserving the  
8 estate and operating Debtor's business during the Bankruptcy Case; claims for the value of  
9 goods received by Debtor within 20 days before the Petition Date sold in the ordinary course  
10 of business; any indebtedness or obligations incurred by Debtor during the pendency of the  
11 Bankruptcy Case in connection with the provision of goods or services to Debtor;  
12 compensation for legal and other professional services and reimbursement of expenses; and  
13 statutory fees payable to the U.S. Trustee.

14                   A "Priority Tax Claim" is a Claim of a governmental unit of the kind entitled  
15 to priority under Section 507(a)(8) of the Bankruptcy Code or that would otherwise be  
16 entitled to priority but for the Secured status of the Claim. Each holder of an Allowed  
17 Priority Tax Claim shall be paid by Reorganized Debtor, commencing on the 12th day of the  
18 first full month following the Effective Date or the date the Claim is Allowed, the full  
19 amount of its Allowed Priority Tax Claim as allowed by 11 U.S.C. § 1129(a)(9)(C) and (D)  
20 in equal amortizing monthly payments of principal and interest at the non-default rate  
21 determined under applicable non-bankruptcy law or, if there is no such defined rate, then at a  
22 rate equal to the prime rate plus 1% fixed as of the Confirmation Date, or such other rate as  
23 determined by the Bankruptcy Court, over a period ending June 12, 2021. There have been  
24 Property Tax Claims filed in the amount of \$48,128.

25                   Pursuant to the Plan of Reorganization, Administrative Expense Claims will  
26 be paid in full on the later of the Effective Date or the date on which any such Administrative

1 Expense Claim becomes an Allowed Claim unless such holder shall agree to a different  
2 treatment of such Claim (including, without limitation, any different treatment that may be  
3 provided for in any documentation, statute, or regulation governing such Claim). However,  
4 the Administrative Expense Claims representing liabilities incurred in the ordinary course of  
5 business (including amounts owed to vendors and suppliers that have sold goods or furnished  
6 services to Debtor after the Petition Date), if any, will be paid in accordance with the terms  
7 and conditions of the particular transactions and any other agreements relating thereto.  
8 Debtor will include the estimated amount of such expenses in the Report of Administrative  
9 Expense Claims to be filed prior to the hearing on confirmation.

### 10 **3. Classified Claims**

11 The following summary of distributions under the Plan to Classified Claims  
12 does not purport to be complete and is subject to, and is qualified in its entirety by reference  
13 to, the Plan attached hereto as **Exhibit 1**.

14 **a. Class 1 (Bank of the West).** Bank of the West ("BOW")  
15 asserts a blanket lien on substantially all of Debtor's assets, including Peak's contract claims  
16 in the Machine Zone Litigation, to secure its Allowed Secured Claim.

17 BOW will retain its interest in its Collateral with the same priority that it had  
18 on the Petition Date except that BOW's lien in the Litigation Trust shall be subordinate to the  
19 Litigation Loan pursuant to the Final Order Authorizing Debtor to Obtain First Priority  
20 Secured Credit (Litigation Loan) [ECF No. 220]. BOW will retain its lien on all assets  
21 transferred into the Litigation Trust including, but not limited to, Peak's account receivable  
22 due from Machine Zone, Peak's contract causes of action against Machine Zone and other  
23 parties, and Peak's intellectual property assets. BOW will be repaid the full amount of its  
24 Allowed Secured Claim from the Litigation Proceeds as, and to the extent, such funds  
25 become available. In addition, BOW will have a Secured Claim against Reorganized  
26 Debtor's assets equal to the greater of (a) \$803,449 that consists of \$781,149 (representing

Debtor's accounts receivable as of the Petition Date minus offsets), plus \$22,300 (representing the fair market value calculated at 20% of the original purchase price) of equipment collateral being retained by Reorganized Debtor comprised of Thunderbolt (S/N C02KL6Z1F2GC), Thunderbolt Display (S/N C02KL6YUF2GC), Macbook Air 13 (S/N C1MP3CZ5G085), Thunderbolt (S/N C02MR8JVF2GC), Macbook Pro 15 (S/N C02Q421XG8WL), Thunderbolt (S/N C02MH4VZF2GC), Macbook Pro 15 (S/N C02PV9DMG8WN), Asus (S/N ECLMTF164922), Asus (S/N ECLMTF164929), MacBook Pro 15 (S/N C02PX1V0G8WL), Thunderbolt Display (S/N C02GP8MBDJGR), MacBook Pro (S/N C02PW5CXG8WN), Asus Display (S/N F7LMTF165239), Asus Display (S/N FLMTF165265), MacBook Pro 15 (S/N C02Q32GHG8WL), Asus Display (S/N F7LMTF164718), Macbook Pro (S/N C02PX97ZG8WN), Thunderbolt Display (S/N C02ML8CQF2GC), Thunderbolt Display (S/N C02ML4PTF2GC), Macbook Pro (S/N C02PNYG0G8WN), Thunderbolt Display (S/N C02MH4WAF2GC), MacBook Pro (S/N C02PJ2CKG3QN), Asus Display (S/N ECLMTF111848), ASUS Display (S/N ECLMTF164638), MacBook Pro (S/N C02Q3DW0G8WN), Thunderbolt Display (S/N C02L83A4F2GC), Thunderbolt Display (S/N C02M70PNF2GC), Macbook Pro (S/N C02PJ2DCG3QN), Lenovo (S/N PFOABTOE), Asus Display (S/N F7LMTF165272), Thunderbolt Display (S/N C02NX4YMF2GC), Macbook Pro (S/N C02PJ22YG3QN), Lenovo (S/N pf08mvlrPF9XB5528090), Asus (S/N F7LMTF165274), Thunderbolt Display (S/N C02NL3T8F2GC), Asus Display (S/N F4LMTF158717), MacBook (S/N C02Q2006G8WP), Macbook Pro (S/N C02H70CQDW48), Thunderbolt Display (S/N C02N80UCF2GC), MacBook (S/N C02PL1TWG3QN), Thunderbolt Display (S/N C02NK4A9F2GC), Thunderbolt Display (S/N C02PP421F2GC), Asus Display (S/N F4LMTF158727), Asus Display (S/N F4LMTF159323), Macbook Pro (S/N C02PL1PEG3QN), Macbook Pro (S/N C02Q50T9G8WL), Thunderbolt (S/N C02NR1BXF2GC), Thunderbolt (S/N C02MH5CYF2GC), Thunderbolt (S/N

1 C02LN4KKF2GC), Asus (S/N F5LMTF148675), Asus (S/N ECLMTF164761), Asus (S/N  
2 F1LMTF076810), Asus (S/N F7LMTF165261), and Asus (S/N ECLMTF164759)) or (b) the  
3 value of BOW's collateral being retained by Reorganized Debtor as of the Effective Date as  
4 determined in accordance with 11 U.S.C. § 506(a). BOW has not yet indicated if it agrees or  
5 disagrees with this estimated value of the equipment being retained by Debtor. All BOW's  
6 remaining equipment collateral will be surrendered to BOW. The proceeds, after liquidation  
7 of BOW's equipment collateral, shall reduce BOW's total Allowed Claim but not the secured  
8 amount to be paid by Reorganized Debtor. Reorganized Debtor will pay the greater of  
9 \$803,449 or, in the event of a dispute regarding the value, the value of the collateral being  
10 retained by Reorganized Debtor as determined in accordance with 11 U.S.C. § 506(a) in  
11 monthly payments of interest only commencing on the 15th day of the first full month  
12 following the Effective Date and continuing on the 15th day of each month thereafter for the  
13 first 12 months and thereafter in equal amortizing payments of principal and interest at a  
14 fixed rate of 4.5% per annum, or, in the event of a dispute over the applicable interest rate, at  
15 such other rate fixed by the Bankruptcy Court at confirmation for an additional 36 months.  
16 In the event the Litigation Proceeds distributed to BOW and payments from Reorganized  
17 Debtor are insufficient to pay BOW's claim in full, BOW will have an unsecured Deficiency  
18 Claim for the unpaid balance.

19 BOW will also retain its lien on Peak's contract claims in the Machine Zone  
20 Litigation transferred into the Litigation Trust, which lien shall be a second lien position on  
21 the Litigation Proceeds, subject only to the Litigation Loan. In the event the Litigation is not  
22 successful, BOW will have an unsecured deficiency claim against Reorganized Debtor for  
23 the unpaid balance of its Claim.

24 Alternatively, at the time it files its ballot accepting or rejecting Debtor's Plan,  
25 BOW may elect to convert some or all of its Allowed Claim into Common Units of  
26 Reorganized Debtor. The conversion rate shall be 1 Common Unit issued for each \$1,000 of

1 Allowed Claim, subject to a minimum conversion requirement of \$10,000 for 10 Common  
2 Units of Reorganized Debtor.

3                   **b.       Class 2 (Huntington Technology Finance, Inc.).** Prior to the  
4 Petition Date, Huntington Technology Finance, Inc., as assignee of Fort Capital Resources,  
5 LLC, ("Huntington") entered into Equipment Finance Agreement No. xxx3161 with Debtor  
6 dated March 16, 2015, Equipment Finance Agreement No. xxx3261 with Debtor dated  
7 April 1, 2015, and Equipment Finance Agreement No. xxx4291 with Debtor dated April 29,  
8 2015, under which Huntington financed the purchase of certain equipment by Debtor.  
9 Huntington perfected its security interest in that equipment collateral as set forth in UCC 15-  
10 7462623612 filed in California on May 1, 2015.

11                   Debtor intends to keep the following equipment that was financed by  
12 Huntington:

13                   Macbook Pro: C02NR0NZG3QN

14                   MacBook: C02NV046G9JN

15                   Thunderbolt: SC02NJ4RYF2GC

16                   Macbook Pro: SC02PC0FXG3QN

17                   The equipment that Debtor intends to keep is worth \$4,500 based on Debtor's  
18 estimate of the fair market value of the retained equipment, which was calculated at 20% of  
19 the original purchase price. Huntington has not yet indicated if it agrees or disagrees with  
20 this estimated value. All remaining collateral has been or will be surrendered to Huntington.  
21 Huntington will have a first priority lien position on the equipment retained as its collateral.  
22 Huntington will have an Allowed Secured Claim against Reorganized Debtor in the amount  
23 of \$4,500 or in the event of a dispute over the value of the equipment retained by  
24 Reorganized Debtor, then the value as determined in accordance with 11 U.S.C. § 506(a).  
25 Reorganized Debtor will pay that amount in monthly payments of interest only commencing  
26 on the 15th day of the first full month following the Effective Date and continuing on the

1 15th day of each month thereafter for the first 12 months, and thereafter in equal amortizing  
2 monthly payments of principal and interest at the 4.5% per annum or, in the event of a  
3 dispute over the applicable interest rate, at such other rate fixed by the Bankruptcy Court at  
4 confirmation, for an additional 24 months.

5 Alternatively, to the extent Huntington's Allowed Claim equals or exceeds  
6 \$10,000, Huntington may, at the time it casts its ballot accepting or rejecting Debtor's Plan,  
7 elect to convert some or all of its Allowed Claim into Common Units of Reorganized Debtor.  
8 The conversion rate shall be 1 Common Unit in Reorganized Debtor for each \$1,000 of  
9 Allowed Claim, subject to a minimum conversion requirement of \$10,000 for 10 Common  
10 Units of Reorganized Debtor.

11 c. **(U.S. Bank Equipment Finance)**. Prior to the Petition Date,  
12 Debtor leased certain equipment from U.S. Bank, N.A. d/b/a/ U.S. Bank Equipment Finance,  
13 as assignee of VAR Resources Inc. ("US Bank") pursuant to five capital lease agreements in  
14 2013 and 2014. US Bank perfected its security interest in that collateral as set forth in  
15 UCC 13785441258 filed in California on November 6, 2013, UCC 137389145485 filed in  
16 California on December 4, 2013, UCC 137389443496 filed in California on December 5,  
17 2013, UCC 147424065134 filed in California on August 11, 2014, and UCC 15-7446200049  
18 filed in California on January 21, 2015. Debtor intends to keep the following equipment for  
19 use in ongoing operations:

20 Macbook Pro: C02NR0PEG3QN

21 Macbook Pro: SC02NT2N2G3QN

22 Macbook Pro: SC02NT26EG3QN

23 Thunderbolt: SC02NL1NMF2GC

24 Thunderbolt: SC02NL1SFF2GC

25 The equipment that Debtor intends to keep is worth \$3,000 based on Debtor's  
26 estimate of the fair market value of the retained equipment, which was calculated at 20% of

1 the original purchase price. US Bank has not yet indicated if it agrees or disagrees with this  
2 estimated value. All remaining collateral has been or will be surrendered to US Bank. US  
3 Bank will retain its first priority lien position on the equipment retained as its collateral. US  
4 Bank will have an Allowed Secured Claim against Reorganized Debtor in the amount of  
5 \$3,000 or in the event of a dispute over the value of the equipment retained by Reorganized  
6 Debtor, then the value as determined in accordance with 11 U.S.C. § 506(a). Reorganized  
7 Debtor will pay that amount in monthly payments of interest only commencing on the 15th  
8 day of the first full month following the Effective Date and continuing on the 15th day of  
9 each month thereafter for the first 12 months, and thereafter in equal amortizing monthly  
10 payments of principal and interest at 4.5% per annum or, in the event of a dispute over the  
11 applicable interest rate, at such other rate fixed by the Bankruptcy Court at confirmation, for  
12 an additional 24 months.

13 Alternatively, at the time it files its ballot accepting or rejecting Debtor's Plan,  
14 US Bank may elect to convert some or all of its Allowed Claim into Common Units of  
15 Reorganized Debtor. The conversion rate shall be 1 Common Unit issued for each \$1,000 of  
16 Allowed Claim, subject to a minimum conversion requirement of \$10,000 for 10 Common  
17 Units of Reorganized Debtor.

18 **d. Class 4 (Data Sales Co., Inc.).** Prior to the Petition Date,  
19 Debtor and Data Sales Co., Inc. ("Data Sales") entered into Master Equipment Lease No. 54-  
20 10159 dated July 15, 2010, under which Data Sales leased certain equipment to Debtor.  
21 Thereafter, Debtor and Data Sales Company of the Netherlands B.V. ("Data Sales BV")  
22 entered into a Master Equipment Lease Agreement No. 54-80005 dated January 10, 2014,  
23 under which Data Sales BV leased certain separate equipment to Debtor. Data Sales and  
24 Data Sales BV are affiliated entities. Debtor, Data Sales, and Data Sales BV entered into a  
25 Cross-Default and Cross-Collateral Agreement dated January 10, 2014, with respect to  
26 Master Equipment Lease No. 54-10159 and Master Equipment Lease Agreement No. 54-

1 80005. Pursuant to a series of equipment schedules, Data Sales and Data Sales BV leased  
2 equipment to Debtor. Data Sales filed nine UCC Financing statements in California on  
3 May 27, 2015 perfecting its interest in the equipment. Debtor has rejected the Data Sales  
4 Master Equipment Lease and Data Sales BV Master Equipment Lease Agreement, and all  
5 equipment that Debtor leased from Data Sales BV will be returned, except Debtor intends to  
6 keep the following equipment for use in ongoing operations:

7 Macbook Air 13: C02MN0L4FH00

8 Thunderbolt: C02MC0FWF2GC

9 Thunderbolt Display: C02MC0G6F2GC

10 Thunderbolt Display: C02MT02QF2GC

11 Thunderbolt Display: C02LC43SF2GC

12 MacBook: C02M516QFD58

13 Thunderbolt Display: C02MT01RF2GC

14 Macbook Pro 13: C02MM3G7FH00

15 Macbook Pro 13: C02N11UWFH00

16 The equipment that Debtor intends to keep is worth \$10,000 based on  
17 negotiations with Data Sales over the fair market value of the equipment and change from an  
18 operating lease to a secured claim. Notwithstanding the negotiations between Debtor and  
19 Data Sales as to the fair market value of the retained equipment, Data Sales has not yet  
20 indicated if it will ultimately agree or disagree with this estimated value. All remaining  
21 equipment has been or will be surrendered to Data Sales. Data Sales will have a first priority  
22 lien upon the equipment retained as its collateral. Data Sales will have an Allowed Secured  
23 Claim against Reorganized Debtor in the amount of \$10,000 or in the event of a dispute over  
24 the value of the equipment retained by Reorganized Debtor, then the value as determined in  
25 accordance with 11 U.S.C. § 506(a). Reorganized Debtor will pay that amount in monthly  
26 payments of interest only commencing on the 15th day of the first full month following the

Effective Date and continuing on the 15th day of each month thereafter for the first 12 months, and thereafter in equal amortizing monthly payments of principal and interest at 4.5% per annum or, in the event of a dispute over the applicable interest rate, at such other rate fixed by the Bankruptcy Court at confirmation, for an additional 24 months.

Alternatively, at the time it files its ballot accepting or rejecting Debtor's Plan, Data Sales may elect to convert some or all of its Allowed Claim into Common Units of Reorganized Debtor. The conversion rate shall be 1 Common Unit issued for each \$1,000 of Allowed Claim, subject to a minimum conversion requirement of \$10,000 for 10 Common Units of Reorganized Debtor.

e. **Class 5 (Digital Loudoun Parkway Center, North, LLC and Collins Technology Park Partners, LLC).** Digital Loudoun Parkway Center, North, LLC ("Loudoun") and Collins Technology Park Partners, LLC ("Collins") (together, "Digital/Collins") were parties to datacenter lease agreements with Debtor. Specifically, Loudoun and Debtor entered into a Deed of Datacenter Lease Agreement and related documents for a datacenter located in Virginia on December 2, 2012; Collins and Debtor entered into a Datacenter Lease Agreement and related documents for a datacenter located in Texas with an effective date of April 29, 2014.

Digital/Collins and Debtor entered into an Agreement Terminating Leases on or after March 18, 2016, pursuant to which Debtor (i) paid Digital/Collins \$30,000, (ii) granted to Digital/Collins a security interest in and lien on Debtor's claims against Machine Zone, Inc. and Epic War LLC in the litigation styled *Peak Web LLC v. Machine Zone, Inc. and Epic War LLC* pending in Superior Court of California, County of Santa Clara, Case No. 1-15-cv-288681 (the "Litigation") to secure indebtedness then owing by Debtor to Digital/Collins, and (iii) granted Digital/Collins a priority distribution scheme from the proceeds of the Litigation. Debtor scheduled Digital/Collins as a precautionary creditor. Digital/Collins did not file a proof of claim. Digital/Collins now assert a secured claim of

1 approximately \$8 million pursuant to the Agreement Terminating Leases. Debtor filed  
2 adversary proceeding number 16-03145-pcm against Digital/Collins to avoid the Agreement  
3 Terminating Leases as a preference and Debtor disputes that Digital/Collins have a valid  
4 secured claim. Digital/Collins filed an answer to the adversary proceeding. To the extent  
5 Digital/Collins prevail in the adversary proceeding, they will receive payments pursuant to  
6 the terms of the Agreement Terminating Leases, as described above, which payments will be  
7 subordinate to the Litigation Loan and Bank of the West and senior to payments to  
8 Unsecured Creditors. To the extent Debtor prevails in the adversary proceeding, and if  
9 Digital/Collins has an Allowed Claim, it will be treated as a Class 8 Unsecured Creditor.

10 Alternatively, at the time it files its ballot accepting or rejecting Debtor's Plan,  
11 Digital/Collins may elect to convert some or all of its Allowed Claim into Common Units of  
12 Reorganized Debtor. The conversion rate shall be 1 Common Unit issued for each \$1,000 of  
13 Allowed Claim, subject to a minimum conversion requirement of \$10,000 for 10 Common  
14 Units of Reorganized Debtor.

15 **f. Class 6 (Richardson Independent School District of Texas).**

16 Richardson Independent School District ("Richardson") has filed a secured proof of claim in  
17 the amount of \$6,777.60 for unpaid ad valorem property taxes secured by personal property.  
18 Pursuant to sections 32.01, 32.05, and 32.07 of the Texas Property Tax Code, Richardson's  
19 claim is automatically perfected as a matter of law and remains perfected even if Debtor no  
20 longer owns the personal property in question. Richardson shall be paid its Allowed Secured  
21 Claim in equal amortizing monthly payments of principal and interest at the annual rate of  
22 12%, or if the applicable interest rate is in dispute, at such other rate as determined by the  
23 Bankruptcy Court, commencing on the 12th day of the first full month following the  
24 Effective Date or the date the Claim is Allowed, over a period ending June 12, 2021.

25 Alternatively, at the time it files its ballot accepting or rejecting Debtor's Plan,  
26 Richardson may elect to convert some or all of its Allowed Claim into Common Units of

1 Reorganized Debtor. The conversion rate shall be 1 Common Unit issued for each \$1,000 of  
2 Allowed Claim, subject to a minimum conversion requirement of \$10,000 for 10 Common  
3 Units of Reorganized Debtor.

4 **g. Class 7 (Dallas County Texas).** Dallas County (Texas) has  
5 filed a secured proof of claim in the amount of \$3,652.81 for unpaid ad valorem taxes  
6 secured by personal property. Pursuant to sections 32.01, 32.05, and 32.07 of the Texas  
7 Property Tax Code, Dallas County's claim is automatically perfected as a matter of law and  
8 remains perfected even if Debtor no longer owns the personal property in question. Dallas  
9 County shall be paid its Allowed Secured Claim in equal amortizing monthly payments of  
10 principal and interest at the annual rate of 12%, or if the applicable interest rate is in dispute,  
11 at such other rate as determined by the Bankruptcy Court, commencing on the 12th day of  
12 the first full month following the Effective Date or the date the Claim is Allowed over a  
13 period ending June 12, 2021.

14 Alternatively, at the time it files its ballot accepting or rejecting Debtor's Plan,  
15 Dallas County may elect to convert some or all of its Allowed Claim into Common Units of  
16 Reorganized Debtor. The conversion rate shall be 1 Common Unit issued for each \$1,000 of  
17 Allowed Claim, subject to a minimum conversion requirement of \$10,000 for 10 Common  
18 Units of Reorganized Debtor.

19 **h. Class 8 (General Unsecured Claims).** Each General  
20 Unsecured Claim will be paid (i) its Pro Rata share of the Unsecured Creditor Proceeds of the  
21 Litigation Trust, plus (ii) its Pro Rata share of 50% of the Adjusted Net Income of  
22 Reorganized Debtor calculated over a semi-annual calendar period, with payments to be  
23 made on the 45th day following the end of each full semi-annual calendar period after the  
24 Effective Date and continuing on each February 15th and August 15th thereafter until 50% of  
25 Adjusted Net Income for eight full semi-annual calendar periods has been paid, plus  
26 (iii) interest, if applicable, on its Allowed Claim at the federal judgment rate or, in the event

1 of a dispute over the applicable interest rate, as determined by the Bankruptcy Court, up to  
2 the full amount until its Allowed Claim.

3 Alternatively, at the time it files its ballot accepting or rejecting Debtor's Plan,  
4 to the extent a General Unsecured Creditor's Allowed Claim equals or exceeds \$10,000, that  
5 General Unsecured Creditor may elect to convert some or all of its Allowed Claim into  
6 Common Units of Reorganized Debtor. The conversion rate shall be 1 Common Unit issued  
7 for each \$1,000 of Allowed Claim, subject to a minimum conversion requirement of \$10,000  
8 for 10 Common Units of Reorganized Debtor.

9 **i. Class 9 (Administrative Convenience Claims).** Class 9  
10 consists of all Allowed Unsecured Claims in the amount of \$3,000 or less, or that have been  
11 reduced to \$3,000 by timely election of the holders thereof. Each holder of a Class 9 Claim  
12 will be paid (i) 25% of its Allowed Claim in cash within nine months after the Effective  
13 Date, plus (ii) its Pro Rata Share of the Unsecured Creditor Proceeds of the Litigation Trust,  
14 including interest on its Allowed Claim at the federal judgment rate, or, in the event of a  
15 dispute over the applicable interest rate, as determined by the Bankruptcy Court, up to the  
16 full amount of its Allowed Claim. Debtor anticipates that there will be approximately 31 to  
17 45 Administrative Convenience Claimants, which will result in a total initial payment of  
18 approximately \$6,700 - \$16,888.

19 **j. Class 10 (Equity Security Holders).** Class 10 consists of the  
20 Interests held by the Equity Security Holders of Debtor as of the Petition Date. All existing  
21 equity Interests in Debtor shall be cancelled and extinguished as of the Effective Date as to  
22 Reorganized Debtor. New equity in Reorganized Debtor will be issued as set forth in  
23 Section VII.E.2.a below. Interest holders are entitled to receive distributions from the  
24 Litigation Trust only after all Trust expenses and all Allowed Claims have been paid in full,  
25 with interest.

1                                    **k.      Class 11 (Other Secured Claims).** Class 11 consists of  
2 Allowed Secured Claims not otherwise classified or provided for under the Plan. Debtor will  
3 surrender the equipment or other tangible collateral securing the Allowed Secured Claim of  
4 each Class 11 Creditor to that Creditor in full satisfaction of each Class 11 Creditor's  
5 Allowed Secured Claim. To the extent that a Class 11 Creditor has an Allowed Deficiency  
6 Claim, any such Claim will be treated as a Class 8 or Class 9 Claim. Any and all setoff  
7 rights of Class 11 Creditors are preserved subject to Section 553 of the Bankruptcy Code and,  
8 if applicable, in accordance with Section 2.4.2 of the Litigation Trust Agreement.

9                    **C.      ADMINISTRATIVE EXPENSES**

10                    Debtor has retained the following professionals: (a) Tonkon Torp LLP as its  
11 general counsel in this case; (b) Cascade Capital as its consultant and chief restructuring  
12 officer, (c) Susman Godfrey and Ropers Majeski as its special Litigation counsel, and  
13 (d) Henderson Bennington Moshofsky, P.C. and Isler Northwest LLC as its accountants. The  
14 Unsecured Creditors' Committee has retained Ball Janik LP as its counsel. Certain Creditors  
15 may also file Administrative Expense Claims. The total amount of Administrative Expense  
16 Claims is uncertain at this time but Debtor anticipates Administrative Claims at confirmation,  
17 including approximately \$642,000 in claims of professionals (net of retainers), to be  
18 approximately \$742,000, except to the extent Administrative Claims not yet filed may  
19 subsequently be filed. It is anticipated that some professionals may agree to defer payment  
20 of their Administrative Claim, if necessary. Debtor's Plan provides the terms for conversion  
21 of the Operating Loan to new preferred equity in Reorganized Debtor so the Operating Loan  
22 will not be treated as an Administrative Expense Claim. In accordance with local rules,  
23 Debtor will file a report setting forth estimated amounts for Administrative Expense Claims  
24 prior to the plan confirmation hearing.

25                    Winthrop Resources Corporation ("Winthrop") filed an administrative  
26 expense claim for \$144,802.37; Presidio Technology Capital, LLC ("Presidio") filed an

1 administrative expense claim for \$124,121.90; Banc of American Leasing & Capital, LLC  
2 (“Banc of America”) filed an administrative expense claim for more than \$80,000. Debtor  
3 has filed objections to Winthrop, Presidio and Banc of America’s administrative expense  
4 claims and believes they are entitled to no administrative expense claims. To the extent other  
5 equipment vendors may seek to file an administrative expense claim, Debtor intends to file  
6 an objection. Debtor’s estimate of administrative expense claims at confirmation excludes  
7 administrative expense claims filed by Winthrop, Presidio and Banc of America.

#### 8 **D. EXECUTORY CONTRACTS**

9 The Bankruptcy Code gives debtors the right, after commencement of their  
10 Chapter 11 Cases, subject to the approval of the Bankruptcy Court, to assume or reject  
11 executory contracts and unexpired leases. Generally, an "executory contract" is a contract  
12 under which material performance (other than the payment of money) is still due by each  
13 party. To the extent they have not been rejected already, the Plan provides for the rejection  
14 by Debtor of all its executory contracts with equipment vendors except those subject to a  
15 motion or order to assume or to assume and assign pending as of, or entered prior to, the  
16 Effective Date. Debtor is not aware of any defaults in executory contracts that it is assuming  
17 that would require it to make cure payments.

18 If an executory contract or unexpired lease is or has been rejected, the  
19 Creditor may file a proof of claim for damages resulting from such rejection. An Order  
20 Granting Debtor's Motion to Reject Executory Contracts and Unexpired Leases [ECF  
21 No. 290] was entered on September 15, 2016 and provided that any rejection Claims or  
22 Administrative Claims by equipment lessors identified therein must be filed on or before  
23 October 13, 2016 or such Claim would be barred. The Plan provides that all other contracts  
24 rejected through the Plan file a Proof of Claim with respect to any such rejection Claim  
25 within 30 days of the Bankruptcy Court’s approval of the rejection of the relevant executory  
26 contract or unexpired lease. Any such Claim shall constitute a Class 8 or Class 9 Claim to

1 the extent that such Claim is finally treated as an Allowed Claim. To the extent Debtor  
2 rejects an unexpired lease of nonresidential real property, the Claim for damages resulting  
3 from such rejection will be limited to the amount allowed under the Bankruptcy Code.

#### 4 **E. IMPLEMENTATION OF THE PLAN**

5 Implementation of the Plan will be in two components: the creation of and  
6 transfer of certain assets to a Litigation Trust and, separately, the continued business  
7 operations of Reorganized Debtor.

##### 8 **1. Litigation Trust**

9 A Litigation Trust shall be established in the form attached to the Plan as  
10 **Exhibit A** or a trust agreement substantially similar thereto as approved by the Bankruptcy  
11 Court. The Litigation Trust shall hold (a) Peak's claims against Machine Zone in *Peak Web*  
12 *LLC v. Machine Zone, Inc., Epic War LLC and Does 1 through 10, inclusive*, Santa Clara  
13 County Superior Court Case No. 1-15-cv-288681 and all other claims Debtor may have  
14 arising out of or related to any of the facts, circumstances, events or issues raised therein  
15 against Machine Zone, Inc., Epic War LLC, and Does 1 through 10 inclusive; (b) any and all  
16 other claims or causes of action in any way related to or arising out of the facts,  
17 circumstances, events, or issues described therein whether against Machine Zone, Epic War,  
18 or any other party, whether or not that party is or may become a party to the above-captioned  
19 litigation or another action that may be subsequently filed, including, but not limited to, all  
20 the assets listed in question #74 of Debtor's Second Amended Schedule B; (c) all Debtor's  
21 intellectual property rights and trade secrets as of the Confirmation Date; (d) all claims for  
22 avoidance and recovery under Chapter 5 of the Bankruptcy Code, and (e) any other claims or  
23 assets transferred to the Litigation Trust pursuant to the Plan, Confirmation Order, or the  
24 Litigation Trust Agreement, and any income, proceeds, profits, revenue, or assets generated  
25 therefrom. The transfer shall be made pursuant to 11 U.S.C. §§ 1123(a)(5)(B) and  
26 1123(b)(3)(B) of the Bankruptcy Code. The purpose of the Litigation Trust is to prosecute

1 the Machine Zone Litigation and other assets through trial or otherwise litigate and liquidate  
2 Debtor's claims and distribute the proceeds to the Creditors of Debtor in the same order of  
3 priority as set forth in the Bankruptcy Code. The Litigation Trust Agreement provides that  
4 Mr. Mark Calvert will be the initial Litigation Trustee. Debtor believes Mr. Calvert is well  
5 qualified to act as the Litigation Trustee. Mr. Calvert is the Managing Director of Cascade  
6 Capital Group, a boutique investment banking firm that has experience with a wide variety of  
7 matters. Mr. Calvert is a Certified Public Accountant (CPA), Certified Insolvency and  
8 Recovery Advisor (CIRA), Certified Turnaround Professional (CTP), and a Certified Fraud  
9 Examiner (CFE). He has over 35 years of experience working with troubled companies, and  
10 in the past 10 years has restructured in excess of \$5 billion in debt in and outside of formal  
11 bankruptcy proceedings. He has an extensive understanding of business, financial matters,  
12 and litigation.

13 Mr. Calvert has been involved in over 80 litigation matters where the amounts  
14 in dispute involved hundreds of millions of dollars. Notably, Mr. Calvert has acted in a  
15 trustee capacity in the past where he was required to assume responsibilities similar to those  
16 of the Litigation Trustee in this case. For example, in *In re Consolidated Meridian Funds*,  
17 (Bankr. E.D. Wash, Case No. 10-17952), Mr. Calvert was appointed as the liquidating trustee  
18 to oversee the liquidation of the four consolidated debtors' assets, including two lawsuits  
19 seeking damages in excess of \$100 million each against an accounting firm and a bank, both  
20 with attorneys on a success fee basis. He also oversaw 60 avoidance lawsuits (and resulting  
21 mediation) and retained and managed attorneys both on an hourly and success fee basis.

22 Mr. Calvert also worked as the trustee in *In re Natural Molecular Testing*  
23 *Corporation* (Bankr. W.D. Wash., Case No. 13-19298). In his role as trustee, he oversaw  
24 numerous avoidance actions and the litigation of a more than \$80 million dispute with the  
25 U.S. Department of Justice. Again, Mr. Calvert managed attorneys on this matter.  
26

1 Mr. Calvert has also acted as a damages expert, including the matter of  
2 *Shahinian et al. v. Kimberly-Clark Corporation et al.* (C.D. Cal., Case No. CV 14-8390  
3 DMG), a multi-party matter in which the plaintiffs assert fraud and violations of unfair  
4 competition law claims and seek damages in hundreds of millions of dollars, and the matter  
5 of *Biloxi Freezing & Processing, Inc., et al. v. Mississippi Power Company* (Harrison County  
6 Circuit Court, Miss. Case No. A2401-16-45), in which the plaintiffs seek damages for  
7 alleged unfair business practices and fraud. Mr. Calvert is well qualified to act as the  
8 Litigation Trustee.

9 The Litigation Trustee will act in consultation with and at the direction of the  
10 Litigation Trust Committee. The Litigation Trust Committee will consist of Mr. Papen, one  
11 person designated by the Litigation Loan Lender, and one person designated by the  
12 Unsecured Creditors' Committee. The Litigation Trust shall have the full authority to take all  
13 necessary actions and steps to fully liquidate and distribute the Litigation Trust Assets, to  
14 incur debt to the extent necessary to prosecute the claims assigned to the Litigation Trust and  
15 to retain professionals as needed. The existing Litigation Loan and the contingency fee  
16 agreement with Susman Godfrey shall be assigned to the Litigation Trust and shall remain in  
17 full force and effect. The BOW junior secured lien on the contractual claims and other assets  
18 in the Litigation Trust shall remain in full force and effect. Any offset rights of Machine  
19 Zone shall be preserved pursuant to Section 2.4.2 of the Litigation Trust Agreement. The  
20 Litigation Trust will be separate and distinct from Debtor and Reorganized Debtor and be  
21 fully governed by the terms of the Litigation Trust Agreement.

## 22 **2. Reorganized Debtor Operating Company**

23 Reorganized Debtor shall be comprised of the operating company which will  
24 consist of all remaining assets of Debtor not transferred to the Litigation Trust. Reorganized  
25 Debtor shall continue to operate and make payments to Creditors from future operations as  
26 otherwise described in this Disclosure Statement and the Plan.

1                   **a. New Equity.** On the Effective Date, all existing equity will be  
2 deemed cancelled in Reorganized Debtor. Reorganized Debtor will issue new Series A  
3 Preferred Units and new Common Units. The Operating Loan Lender will be issued 500,000  
4 Series A Preferred Units of Reorganized Debtor in full satisfaction of its Operating Loan.  
5 Reorganized Debtor's management will initially be issued 500 Common Units. Those units  
6 will be issued to Mr. Billow. Creditors will have the option to convert their Allowed Claims  
7 into Common Units. For the avoidance of any doubt, Creditors who have Allowed Claims or  
8 Claims subject to an objection may make the election to convert their Claims to equity but  
9 only creditors with finally Allowed Claims will be issued Common Units. A Creditor may  
10 convert \$1,000 of its Allowed Claim into 1 Common Unit of Reorganized Debtor, subject to  
11 a minimum conversion requirement of \$10,000 for 10 Common Units of Reorganized  
12 Debtor. If a Creditor elects to convert its Allowed Claim from debt to equity in Reorganized  
13 Debtor then the Creditor will no longer be entitled to any distributions from the Litigation  
14 Trust or receive debt payments from Reorganized Debtor on account of the Claim amount  
15 converted to equity. THE ELECTION TO CONVERT ALL OR A PORTION OF AN  
16 ALLOWED CLAIM TO COMMON UNITS IN REORGANIZED DEBTOR MUST BE  
17 MADE BY THE CREDITOR AT THE SAME TIME IT DELIVERS ITS BALLOT TO  
18 DEBTOR; A CREDITOR'S ELECTION TO CONVERT ALL OR A PORTION OF AN  
19 ALLOWED CLAIM TO COMMON UNITS IN REORGANIZED DEBTOR IS  
20 INDEPENDENT OF A CREDITOR'S DECISION TO SUBMIT A BALLOT TO ACCEPT  
21 OR REJECT THE PLAN. Debtor believes that holders of Common Units will not receive  
22 any economic benefit for at least four years from the Effective Date, during which time  
23 Reorganized Debtor's Adjusted Net Income will be used to pay General Unsecured Creditors  
24 and the holders of the Series A Preferred Units. Any conversion by a Creditor of its Claim  
25 from debt to equity in Reorganized Debtor should be considered a long-term investment.  
26

1 Creditors may contact Spencer Fisher in Debtor's counsel's office at  
2 503-802-2167 or spencer.fisher@tonkon.com to receive a copy of a discounted cash flow  
3 analysis of future revenue of the Company as of April 1, 2017. Creditors who are interested  
4 in converting Allowed Claims to Common Units in Reorganized Debtor, as set forth herein,  
5 can receive additional information to the extent it exists, is relevant, and is appropriate to be  
6 provided, by contacting Spencer Fisher in Debtor's counsel office at 503-802-2167 or  
7 spencer.fisher@tonkon.com, verifying that the request for additional information is solely for  
8 purposes of deciding whether to convert an Allowed Claim to Common Units, and entering  
9 into a standard form confidentiality agreement with Debtor agreeing that any information  
10 provided will be used solely for purposes of evaluating whether to convert their claim from  
11 debt to Common Units of equity in Reorganized Debtor.

12 The rights, preferences, and privileges of equity unit holders are set out in the  
13 Amended and Restated Limited Liability Company Agreement of Peak Web, LLC ("LLC  
14 Agreement") attached to the Plan as **Exhibit B**. The following is a summary of certain  
15 material terms of the LLC Agreement. This summary does not purport to describe all the  
16 terms of the LLC Agreement. This summary is qualified by reference to the complete LLC  
17 Agreement, which is attached as **Exhibit B** to the Plan and incorporated by reference. All  
18 creditors are urged to read the LLC Agreement carefully and in its entirety. Capitalized  
19 terms not otherwise defined below are as defined in the LLC Agreement.

20 (i) **Rights Of Members**

21 The Company is a limited liability company and will issue units and its  
22 owners will be called members. The rights of the members will be governed by the LLC  
23 Agreement and the California Revised Uniform Limited Liability Company Act.

24 (ii) **Classes of Membership Units**

25 The Company will be able to issue two classes of units: Series A Preferred  
26 Units and Common Units. The LLC Agreement authorizes up to 800,000 Common Units, of

1 which 119,500 are reserved for issuance to employees, officers, directors, or managers of the  
2 Company under a Unit Plan ("Reserved Units"), and 500,000 Series A Preferred Units.

3 PSA 9 will receive all 500,000 Series A Preferred Units in the Company in  
4 full satisfaction of its Operating Loan. PSA 9, as the holder of all the Series A Preferred  
5 Units, will have voting rights and will have an initial capital account currently estimated to  
6 equal \$510,974.84, representing amounts due under the Operating Loan as of April 1, 2017.

7 The Common Units of the Company (other than the Reserved Units) will be  
8 offered to creditors of the Company with Allowed Claims. Such creditors will be allowed to  
9 convert a minimum of \$10,000 in Allowed Claims for 10 Common Units, and thereafter,  
10 \$1,000 in Allowed Claims for each additional 1 Common Unit. Based on a discounted cash  
11 flow analysis of future revenue of the Company as of April 1, 2017, 1 Common Unit of the  
12 Company shall represent an initial Capital Account value as of April 1, 2017 of \$1.49 on a  
13 fully diluted basis.

14 The Company will issue 500 Common Units to Jon Billow, as President of the  
15 Company.

16 **(iii) Board of Managers**

17 The Company will be managed by a Board of Managers, which will have  
18 three managers, each with one vote. The LLC Agreement provides that the initial Board of  
19 Managers will be comprised of one person selected by PSA 9 as the Series A Preferred Unit  
20 holder, one manager selected by Majority Approval of the Common Members, and the third  
21 manager to be the President of the Company, initially Jon Billow.

22 The Board of Managers of the LLC will have complete authority to manage  
23 and control the Company and its business, subject only to rights reserved to the Members as  
24 discussed below and under the California Uniform Limited Liability Company Act.  
25 Decisions of the Board require the affirmative vote of a majority of managers present at a  
26

1 meeting at which a quorum is in attendance. A quorum will be present if a majority of the  
2 managers are present.

3 **(iv) Voting Rights**

4 Except as provided in the Act or the LLC Agreement, each Member shall have  
5 one vote per Unit owned by such Member.

6 Certain actions require either the written consent of the Series A Preferred  
7 Member and a Majority Approval of the Common Members or the written consent of the  
8 Manager appointed by the Series A Preferred Member and the Manager appointed by the  
9 Common Members: (i) altering or changing the rights, preferences or privileges of the  
10 Series A Preferred Units; (ii) increasing or decreasing the number of authorized Series A  
11 Preferred Units or increasing the number of Units reserved under a Unit Plan;  
12 (iii) authorizing the issuance of securities having a preference over or on a par with the  
13 Series A Preferred Units; (iv) except as permitted by the LLC Agreement, redeeming,  
14 repurchasing, or otherwise acquiring any equity interests in the Company; (v) amending this  
15 Agreement or the Articles; (vi) except as permitted under a Unit Plan for employees, officers,  
16 directors, Managers or Members and grants approved under such plan, as approved by the  
17 Board of Managers, authorizing the issuance of any additional Common Units (or  
18 equivalents thereof); (vii) approving a consolidation or merger or a sale of all, substantially  
19 all, or a significant portion of the assets of the Company, or recapitalizing, liquidating or  
20 dissolving the Company; (viii) changing the number of authorized Managers; or  
21 (ix) dissolving or winding up of the Company, or conversion of the Company to another  
22 business entity.

23 **(v) Distributions**

24 Subject to a determination by the Board of Managers that a distribution would  
25 render the Company insolvent or would otherwise be materially adverse to the Company, the  
26

1 LLC Agreement provides that the Company shall distribute to all Members in cash amounts  
2 for payment of Estimated Tax Amounts within 90 days after the close of each Fiscal Year.

3 In addition, Cash Available for Distribution shall be distributed in such  
4 amounts and at such times as determined by the Board of Managers and the Series A  
5 Preferred Member. If distributions of Cash Available for Distribution are made, it shall be  
6 distributed to Members as follows: (i) First, to the Series A Preferred Member until the  
7 Series A Preferred Member has received an amount equal to 4.5% interest per annum,  
8 compounded monthly, on its initial Capital Account balance, until fully paid (the "Preferred  
9 Return"); (ii) Second, to the Series A Preferred Member until the Series A Preferred Member  
10 has received an amount equal to its initial Capital Account balance; and (iii) Third, to the  
11 Common Members in proportion to their respective Percentage Interests of Common Units.  
12 Upon the Company's distribution to the Series A Preferred Member an amount, together with  
13 all prior amounts distributed, such that the Series A Preferred Member has collectively  
14 received from all such distributions an amount equal to its initial Capital Account plus the  
15 Preferred Return), then such final distribution will be in full payment and liquidation of the  
16 Series A Preferred Units, and upon such distribution the rights and privileges of the Series A  
17 Preferred Member as a Member and holder of Series A Preferred Units will cease without  
18 any further action on the part of the Company or the Series A Preferred Member.

19 **(vi) Transfer Restrictions**

20 No holder of Units will be permitted to Transfer Units except as provided  
21 under the LLC Agreement. A holder of Units may transfer Units to (i) the Company, or  
22 (ii) any Person approved by the Company through written action of the Board of Managers.

23 **b. Section 1145 Exemption**

24 Pursuant to section 1145 of the Bankruptcy Code, the issuance of the Series A  
25 Preferred Units and Common Units are exempt from, among other things, the registration  
26 requirements of section 5 of the Securities Act and any other applicable United States, state,

1 or local law requiring registration for offer or sale of a security or registration or licensing of  
2 an issuer of, underwriter of, or broker or dealer in, a security.

3 **c. Section 701 Exemption**

4 The 500 Common Units being issued to Mr. Billow are part of his  
5 compensation, so pursuant to SEC Rule 701, the issuance of those Common Units is exempt  
6 from the registration requirements of section 5 of the Securities Act.

7 **d. Reorganized Debtor's Operations.** In the past, Debtor  
8 provided both hosting and consulting services. The business model going forward is based  
9 only upon operations as a managed services and consulting business. The hosting business is  
10 very capital-intensive, and is based on an economy of scale concept. There is a minimum  
11 revenue level required to maintain a profitable hosting business based on the fixed costs of a  
12 data center, operational support personnel, and shared infrastructure (network bandwidth and  
13 equipment, etc.). Once that minimum break-even threshold has been exceeded, the  
14 incremental cost to add revenue is small, and as such the profitability of a hosting business  
15 scales very well. Consulting, on the other hand, is much simpler; there is a linear  
16 relationship between revenue and costs with consulting, as every dollar of consulting is tied  
17 to an hourly labor rate. There are fewer opportunities to increase marginal profitability in  
18 consulting as opposed to hosting, but a consulting business can be profitable at almost any  
19 revenue level. As Peak focuses more on consulting opportunities however, it believes that  
20 hosting opportunities will continue to be present. As soon as Peak has the financial ability  
21 from the Litigation Proceeds, or capital investments, or finds a large enough opportunity to  
22 cross that minimum profit barrier, it expects to return to a blended hosting/consulting  
23 business model to leverage the overall profitability of Reorganized Debtor.

24 The managed services and consulting business has historically been profitable  
25 for Peak and can continue to be so. While every company, regardless of its industry is  
26 becoming more dependent on technology, their ability to hire and retain technology staff is

1 not keeping pace. There is no software or hardware that is able to run itself without human  
2 intervention during the configuration, implementation, or troubleshooting/maintenance  
3 phases. All technology, especially cloud technology, needs talented and experienced  
4 engineers to be successful. Managed services and consulting are another way of saying  
5 "outsourcing," where companies trade off W2 employees for 1099 contractors and service  
6 contracts. This provides companies an opportunity to selectively employ talented engineers  
7 that they could not afford or keep busy on a full-time basis. It also allows for companies to  
8 retain specific transitory skill sets on a per-project basis.

9 Peak has over 15 years of experience in the managed services and consulting  
10 space. Peak's expertise includes managing Amazon Web Services (AWS) Cloud  
11 implementation, as well as the implementation of most enterprise and data center server,  
12 storage, and network solutions. Peak has a particularly strong reputation for unsurpassed  
13 network engineering capabilities. Peak has successfully performed managed services and  
14 consulting work for a number of entities including JDate, MySpace, Facebook, YouTube,  
15 Hi5, Hulu, AppNexus, Veoh, SMS.ac, and Overseer.

16 The managed services model Reorganized Debtor will be providing is similar  
17 to the services Peak has offered for the last 15 years, except now the hardware and data  
18 center will be owned by the customer, instead of Peak. This positions Peak well to be able to  
19 leverage its expertise and best practices, while at the same time not incurring the high fixed  
20 overhead and necessity for scale to offer profitable managed hosting.

21 The primary productized services to be offered by Reorganized Debtor will be  
22 global network assessment, architecture design, operational remediation, and software-  
23 defined networking engagements. Computer and telephone networks are the backbone of  
24 global enterprises, and the evolving complexity, regulatory requirements, and demands on  
25 these networks is increasing at an extraordinary rate. Additionally, the advent of "Software  
26 Defined Networking" has allowed companies to view their network as software to be

1 manipulated, automated, and managed in an entirely new way. Peak has the industry  
2 expertise to capitalize on these opportunities in a way that very few other firms are able.  
3 Peak already has several Fortune 100 customers who are consuming these services, and this  
4 is the target client base for the services moving forward. These companies have the scale,  
5 complexity, and reliance on their network, paired with the financial wherewithal to recognize  
6 the value Peak provides.

7 Of Peak's projected revenue for April through December, 2017, 46%  
8 (\$1,589,760) is based on signed contracts with existing customers. In addition to these  
9 signed contracts, an additional 40% (\$1,382,400) of Peak's projected revenue for April  
10 through December, 2017 is based on anticipated contracts with existing customers who enter  
11 into quarterly or job specific contracts with Peak.

12 **e. Reorganized Debtor's Personnel.** Jon Billow will be the  
13 president and principal active manager of Reorganized Debtor. Mr. Billow has extensive  
14 experience in the consulting industry, having worked primarily in this field for his entire  
15 career spanning over 24 years. He was a founding partner of Napier Corporation, a project-  
16 based technology consulting firm. He grew the firm over four years from two people to over  
17 100 billable engineers, and in 1998, successfully sold the firm to Exodus Communications.  
18 Customers were primarily Fortune 1000 clients in the areas of Network infrastructure  
19 deployment, data center migrations, and information security audit and intrusion detection  
20 analysis.

21 Subsequent to that, Mr. Billow became the Chief Information Officer for  
22 NameSecure Inc. – a network domain registration company. While there, he oversaw the  
23 development of the technology platform and professional services team. When the company  
24 was acquired by Network Solutions, the valuation for the acquisition was primarily based on  
25 this technology platform and engineering team. In 2002, Mr. Billow founded Reipan  
26 International (an IT consulting firm), and over the course of eight years built the firm to over

1 300 billable engineers. In 2010, Reipan was sold to an international IT consulting firm  
2 looking to expand by acquiring industry leaders in enterprise IT security. Through these  
3 acquisitions, Mr. Billow has generated over \$125 million in shareholder value, and has  
4 established a successful track record of doing so via organically growing firms in a self-  
5 funded, profitable manner.

6 Reorganized Debtor will substantively be following this same proven,  
7 successful recipe that Mr. Billow has used his entire career – the products, services,  
8 methodology, targeted customer base, and growth model are identical to the firms where  
9 Mr. Billow has historically generated significant shareholder value. As stated above,  
10 Mr. Billow will initially receive 500 Common Units in Reorganized Debtor.

11 Mr. Papen will also assist in the growth and development of the consulting  
12 business. Mr. Papen started Peak Web LLC as a network consulting company (Peak Web  
13 Consulting), with Mr. Papen having spent significant time developing the global network  
14 strategy, design, and implementations for companies such as Yahoo, MySpace, etc. As such,  
15 Mr. Papen has over 20 years' experience working side-by-side with management at these  
16 companies; individuals who have subsequently founded their own companies, and have  
17 become extremely influential in the industry. Mr. Papen maintains these relationships and,  
18 combined with his reputations and experience as a keynote speaker at industry events, has the  
19 ability to gain access to decision makers and senior level buyers in target customer prospect  
20 companies for Reorganized Debtor. Mr. Papen will not receive any ownership units in  
21 Reorganized Debtor.

22 Additional management for Reorganized Debtor will be Erin Stadick, who has  
23 been with Peak for three years, and has a long tenure in network engineering. Mr. Stadick is  
24 the Director of Strategic Development. Michelle Koert, who has been with Peak for two  
25 years and has significant experience with professional services with IBM/Sungard, will be a  
26 sales executive.

1                                **f. Reorganized Debtor's Operating Projections.** Peak will  
2 provide consulting and managed services as a profitable and growing business. Peak projects  
3 that it will generate approximately \$3.5 million in 2017 (\$4.5 million annualized), growing to  
4 an annual revenue of approximately \$7.5 million by the end of 2020. The projected revenue  
5 increase is based upon expectations from a proven, experienced sales force and consultants  
6 with the experience customers are looking for. Peak's financial projections do not reflect the  
7 additional revenue that would be earned once it returns to the hosting business after its  
8 anticipated recovery in the Machine Zone Litigation. Reorganized Debtor's projected  
9 operating revenue and expenses are attached hereto as **Exhibit 2** and explained below.  
10 (Reorganized Debtor's projected Adjusted Net Income, 50% of which will be paid to  
11 Unsecured Creditors semi-annually for four years, are also attached hereto as **Exhibit 2**.)

12                                **(i) General Methodology and Assumptions.** The projections are  
13 based upon existing consulting contracts and Debtor's expectations of developing future  
14 business with existing contacts and others within the industry as guided by management  
15 knowledge, expectations, and experience. The projections were prepared by management of  
16 the Company with the help of Mr. Calvert, the CRO. The projections include a number of  
17 assumptions, all based upon anticipated revenue growth as determined by management. The  
18 major assumption is sales growth. The final projections are conservative, reasonable, and are  
19 achievable.

20                                **(ii) Overview.** The projected revenue assumes that the Company  
21 exited the managed hosting space by December 31, 2016 due to the loss of the primary data  
22 center space. By the Confirmation Date, the Debtor will have shifted its full focus to a  
23 consulting model. Debtor for the past several years performed consulting services for both  
24 managed hosting customers and non-hosting pure consulting clients. As such, the revision in  
25 the business model is not a new business venture, but rather a focus on the consulting side of  
26

1 the business. Additionally, the consulting business enjoys scalability while costs are variable  
2 based upon active contracts and sales. Thus, the business is scalable.

3 (iii) **Sales.** The success of meeting the revenue forecast sits with  
4 the sales team, who have a proven track record and strong commission incentives to drive  
5 sales. The sales team will be focused on selling consulting engagements and will no longer  
6 be pulled between selling managed hosting and consulting. Debtor expects that each  
7 consulting engagement will have a duration of approximately three to four months with an  
8 average engagement generating approximately \$300,000 in gross revenue. Debtor currently  
9 does not have any binding contracts beyond 2017. Management used its personal business  
10 experience and current sales pipeline reports to extrapolate sales projections based on its  
11 number of sales representatives and estimating the potential of its accounts. In addition,  
12 Debtor believes that it will need to be competitively priced for the first year or two. As the  
13 client base continues to build in the industry (and the negative of the bankruptcy dissipates)  
14 Reorganized Debtor will be able to be more selective in clients and rates charged will  
15 improve accordingly. Peak projects that its billing rates will decrease from 2017 to 2018 by  
16 3.3% and then increase from 2018 to 2019 by 4.1%, and increase from 2019 to 2020 by  
17 1.2%. As such, the gross profit on revenue will improve. Lastly, the consulting business  
18 model will afford Reorganized Debtor the opportunity to engage clients that previously  
19 would have been unattainable as they were not in need of managed hosting but do engage  
20 consultants to assist in managing their infrastructure and development.

21 (iv) **Cost of Sales.** With a consulting model, the largest cost of  
22 sales is labor, which is fully variable depending on the growth in sales. Reorganized Debtor  
23 will have the ability to scale up labor as needed to service revenue as it comes in rather than  
24 hiring and hoping the revenue will come. Debtor's existing talent base described in Section c  
25 above and their connections will ensure the ability to attract quality personnel and clients.  
26

1 (v) **Overhead.** Operating expenses remain minimal under the  
2 consulting model. Significant support is not needed on the administration side so labor has  
3 been reduced accordingly. The engineering team will be performing the engagements  
4 primarily at client locations, reducing the need for a large office space. Capital equipment is  
5 at a minimum. The primary overhead expenses are related to the selling of new engagements  
6 in the form of travel expenses, investing in existing talent to keep skills sharp and leading  
7 edge, and maintaining appropriate levels of business insurance. Most of the overhead is  
8 fixed in nature. Debtor sees the potential to almost double sales while limiting growth in  
9 overhead expenses thereby allowing for increased revenue and increased Adjusted Net  
10 Profits.

11 (vi) Debtor's statements with respect to its ability to be selective  
12 with respect to taking on clients, setting billing rates, and attracting personnel, as well as  
13 Debtor's statements regarding its prospects to increase sales and limit growth in overhead  
14 expenses are based on the opinions and experience of Debtor's current management. The  
15 projections for the Reorganized Debtor are not based on third party analyses or market  
16 studies.

17 **F. EFFECT OF CONFIRMATION**

18 **1. Binding Effect**

19 The treatment of, and consideration received by, holders of Allowed Claims  
20 and Interests pursuant to the Plan will be in full satisfaction of their respective Claims against  
21 or Interests in Debtor. The Confirmation Order shall bind Debtor and any Creditor, and  
22 discharge Debtor from any liability that arose before the Effective Date as provided in  
23 Sections 524 and 1141 of the Bankruptcy Code, and any debt and liability of a kind specified  
24 in Sections 502(g), 502(h) or 502(i) of the Bankruptcy Code, whether or not: (a) a proof of  
25 claim based on such Creditor's debt or liability is Filed or deemed Filed under Section 501 of  
26

1 the Bankruptcy Code; (b) a Claim based on such debt or liability is Allowed; or (c) the holder  
2 of the Claim based on such debt or liability has accepted the Plan.

### 3 **2. Revesting, Operation of Business**

4 Except as otherwise provided in the Plan, all property of the estate not  
5 transferred to the Litigation Trust shall revest in Reorganized Debtor on the Effective Date  
6 free and clear of all rights, claims, liens, charges, encumbrances, and interests, except as  
7 otherwise specifically provided in the Plan.

### 8 **3. Injunction**

9 The effect of confirmation shall be as set forth in Section 1141 of the  
10 Bankruptcy Code. Except as otherwise provided in the Plan, prior order of the Bankruptcy  
11 Court, or in the Confirmation Order, confirmation of the Plan shall act as a permanent  
12 injunction applicable to entities against (a) the commencement or continuation, including the  
13 issuance or employment of process, of a judicial, administrative, or other action or  
14 proceeding of any kind against Debtor or Reorganized Debtor that was or could have been  
15 commenced before the entry of the Confirmation Order; (b) the enforcement, attachment,  
16 collection, or recovery against Reorganized Debtor, the Litigation Trust, or their respective  
17 assets of any judgment, award, decree, or order obtained before the Petition Date; (c) any act  
18 to obtain possession of or to exercise control over, or to create, perfect, or enforce a lien  
19 upon, all or any part of the assets of Reorganized Debtor or the Litigation Trust; (d) asserting  
20 any setoff, right of subrogation or recoupment of any kind against any obligation due to  
21 Debtor, Reorganized Debtor, or its property; and (e) proceeding in any manner in any place  
22 whatsoever that does not conform to, does not comply with, or is inconsistent with the  
23 provisions of the Plan of the Confirmation Order. Neither the injunction nor any provision of  
24 the Plan prohibits or otherwise affects Machine Zone's right to prosecute or defend against  
25 the consolidated Machine Zone Litigation or to set off any Allowed Claim of Machine Zone  
26 against any claim of the Debtor, Reorganized Debtor, or the Litigation Trust.

1                   **4.       Event of Default**

2                   Upon the occurrence of an Event of Default, the holder of an Allowed Claim  
3 to whom performance is due shall have all rights and remedies granted by law (namely, state  
4 law breach of contract rights), the Plan, or any agreement between the holder of such Claim  
5 and Debtor or Reorganized Debtor.

6                   **5.       Modification of the Plan; Revocation or Withdrawal of the Plan**

7                   Subject to Section 1127 of the Bankruptcy Code, Debtor reserves the right to  
8 alter, amend, modify or withdraw the Plan before its substantial consummation so long as the  
9 treatment of holders of Claims and Equity Security under the Plan are not adversely affected.

10                  **6.       Retention of Jurisdiction**

11                  Notwithstanding the entry of the Confirmation Order or the Effective Date  
12 having occurred, the Bankruptcy Court shall retain exclusive jurisdiction over all matters  
13 arising out of or relating to the Chapter 11 Case, including but not limited to the following  
14 matters to: (a) classify the Claim or interest of any Creditor or Interests, reexamine Claims  
15 or Interests that have been owed for voting purposes, and determine any objections that may  
16 be Filed to Claims or Interests; (b) determine requests for payment of Claims entitled to  
17 priority under Section 507(a) of the Bankruptcy Code, including compensation and  
18 reimbursement of expenses in favor of professionals employed at the expense of the  
19 bankruptcy estate; (c) avoid transfers or obligations to subordinate Claims under Chapter 5 of  
20 the Bankruptcy Code; (d) approve the assumption, assignment, or rejection of an executory  
21 contract or an unexpired lease pursuant to this Plan; (e) resolve controversies and disputes  
22 arising in connection with the interpretation, implementation, or enforcement of this Plan;  
23 (f) implement the provision of this Plan and enter orders in aid of confirmation and/or the  
24 discharge, or the effect of such discharge, provided to Debtor; (g) determine the validity,  
25 priority or extent of any Claims or Claims of lien; (h) adjudicate adversary proceedings,  
26 applications, contested matters, or other litigation matters pending on the Effective Date or

1 hereafter commenced in this Bankruptcy Case; (i) order and implement such orders as may  
2 be appropriate in the event the Confirmation Order is for any reason stayed, revoked,  
3 modified, or vacated; (j) hear and determine any applications to modify the Plan, to cure any  
4 defect or omission, or to reconcile any inconsistency in the Plan or related documents, or in  
5 any order of the Bankruptcy Court, including the Confirmation Order; (k) ensure that  
6 distributions to holders of Allowed Claims are accomplished as provided herein; (l) hear and  
7 determine any issue arising out of or related to the Litigation Trust, and any issues presented  
8 as arising under the Litigation Trust Agreement; (m) hear and determine objections to or  
9 requests for estimations of Claims, including any objections to the classification of any Claim  
10 and to allow, disallow and/or estimate any Claim in whole or in part; (n) hear and determine  
11 any other matters related hereto and not inconsistent with Chapter 11 of the Bankruptcy  
12 Code; and (o) enter a final decree closing this Bankruptcy Case.

#### 13 **7. United States Trustee Fees**

14 Reorganized Debtor shall be responsible for timely payment of fees incurred  
15 pursuant to 28 U.S.C. § 1930(a)(6) until the case is closed, converted or dismissed. After  
16 confirmation, Reorganized Debtor shall serve on the United States Trustee a financial report  
17 for each quarter, or portion thereof, that the case remains open. The quarterly financial report  
18 shall include a statement of all disbursements made during the course of the quarter, whether  
19 or not pursuant to the Plan.

#### 20 **VIII. LIQUIDATION ANALYSIS**

21 A Plan of Reorganization cannot be confirmed unless the Bankruptcy Court  
22 finds that the Plan is in the "best interest of creditors" or holders of Claims against, and  
23 Equity Security in, Debtor subject to such plan. The best interest test is satisfied if a plan  
24 provides each dissenting or non-voting member of each impaired Class with a recovery not  
25 less than the recovery such member would receive if Debtor was liquidated in a hypothetical  
26 case under Chapter 7 of the Bankruptcy Code by a Chapter 7 Trustee. Debtor believes the

1 holders of impaired Claims will not receive less than they would receive under a Chapter 7  
2 liquidation. In applying the "best interest" test, the Bankruptcy Court would ascertain the  
3 hypothetical recovery in a Chapter 7 proceeding to Secured Creditors, priority claimants,  
4 General Unsecured Creditors, and Equity Interest Holders. The hypothetical Chapter 7  
5 recoveries would then be compared with the distribution offered to each Class of Claims or  
6 Equity Security under the Plan to determine that the Plan satisfied the "best interest" test set  
7 forth in the Bankruptcy Code.

8 A Chapter 7 liquidation of Debtor's case would result in the immediate  
9 cessation of Peak's operations. Substantially all assets would be liquidated and distributed to  
10 the Secured Creditors, with the Secured Creditors realizing less than the amount proposed  
11 under the Plan. Unsecured Creditors and Equity Security holders would likely receive  
12 nothing in a liquidation from the liquidation value of Debtor's assets. Debtor's liquidation  
13 analysis showing projected results of a liquidation of Debtor's assets (other than Debtor's  
14 claims in the Machine Zone Litigation and claims under Chapter 5 of the Bankruptcy Code)  
15 is attached hereto as **Exhibit 3**. The liquidation analysis shows that Unsecured Creditors,  
16 Priority Creditors, Administrative Expense Creditors, and even some Secured Creditors,  
17 would receive nothing in a Chapter 7 bankruptcy.

18 If the Bankruptcy Case were liquidated, the Chapter 7 Trustee would  
19 determine whether to pursue the Machine Zone Litigation. The Machine Zone Litigation has  
20 less value in a Chapter 7 under the Trustee's control than in the current Chapter 11 under  
21 Peak's control. Debtor believes that the Machine Zone Litigation would be more difficult to  
22 pursue in a Chapter 7 because the people most knowledgeable about the facts of the case  
23 would no longer be affiliated with Peak, leaving the Chapter 7 Trustee without the necessary  
24 people to develop, and assist in prosecuting the case; the Chapter 7 Trustee would have no  
25 personal knowledge of the facts in the case; and the Litigation Loan used to finance Peak's  
26 expenses in the Machine Zone Litigation, described in section III(C) above, would terminate.

Debtor believes it is likely that the Machine Zone Litigation would be settled for less than the amount owed to the Secured Creditors, the expenses of the litigation, Chapter 11 Administrative Expenses, and the Chapter 7 Trustee fees and costs. There would likely be no recovery to Unsecured Creditors. On the other hand, Debtor has the incentive, knowledge, resources and team in place to aggressively pursue a full and fair recovery.

## **IX. POSSIBLE U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE PLAN**

### **A. INTRODUCTION**

Implementation of the Plan may have federal, state, local and foreign tax consequences for Debtor, Creditors and Equity Security Holders. No tax opinion or ruling has been sought or will be obtained with respect to any tax consequences of the Plan, and the following discussion does not constitute and is not intended to constitute either a tax opinion or tax advice to any person.

The following discussion is based on the Internal Revenue Code of 1986, as amended (the "IRC"), the Treasury Regulations promulgated thereunder, and published rulings and court decisions in effect as of the date hereof, all of which are subject to change, possibly retroactively, and such changes could modify or adversely affect the federal income tax consequences summarized below. There can be no assurance that the Internal Revenue Service will agree with the federal income tax consequences described below.

The federal income tax consequences of the Plan are complex. Each Creditor and each Equity Security Holder is strongly urged to consult its own tax advisers as to the particular federal, state, local and foreign income and other tax consequences of the transactions contemplated by the Plan.

### **B. CANCELLATION OF DEBT INCOME: GENERAL RULE**

Subject to certain exceptions, a debtor realizes income (referred to herein as "cancellation of debt" or "COD" income) upon the discharge or cancellation of its outstanding indebtedness equal to the excess (if any) of (a) the amount of indebtedness

1 discharged over (b) the amount of cash plus the issue price of any new indebtedness issued  
2 plus the fair market value of any other consideration given in satisfaction of the indebtedness.

3 One of the exceptions to this general rule provides that a debtor is not required  
4 to include COD income in gross income if Debtor is under the jurisdiction of the court in a  
5 Title 11 case and the discharge is granted by the court or the discharge is pursuant to a plan  
6 approved by the court. Instead, the amount excluded from gross income is applied to reduce  
7 certain tax attributes of Debtor in a specified order. Tax attributes generally are reduced by  
8 one dollar for each dollar excluded from gross income, except that tax credits are reduced by  
9 one-third of the amount excluded from gross income. Notwithstanding the general order of  
10 attribute reduction, the IRC provides a debtor with an election to reduce its tax basis in  
11 depreciable assets prior to reducing net operating losses. The reduction in tax attributes  
12 generally takes effect after the federal income tax is determined for the tax year in which the  
13 debt discharge occurs.

14 **C. GENERAL TAX CONSEQUENCES TO EQUITY SECURITY**  
15 **HOLDERS**

16 Debtor is classified as a partnership for federal income tax purposes.  
17 Section 1399 of the IRC provides that no separate taxable entity is created as a result of a  
18 partnership in bankruptcy. Therefore, the commencement of a bankruptcy proceeding by or  
19 against Debtor will not result in the creation of a new taxable entity, nor will the  
20 commencement of the proceedings result in the recognition of any income, gain or loss to  
21 Debtor, or result in the acceleration of any income or recapture of any tax benefits to Debtor  
22 or Equity Security Holders.

23 As a partnership, Debtor is not itself generally subject to federal income tax.  
24 Instead, the Equity Security Holders are required to report on their respective income tax  
25 returns their allocable shares of Debtor's income, gains, losses, credits and deductions  
26 without regard to whether they receive any corresponding cash distributions. If any Equity

1 Security Holder is also classified as a partnership or another types of pass-through entity,  
2 such as an S corporation, its allocable share of Debtor's income, gains, losses, credits and  
3 deductions will similarly be passed through to its owners.

4 Reorganized Debtor is expected to continue to be classified as a partnership  
5 after confirmation of the Plan. Accordingly, Reorganized Debtor's post-confirmation  
6 income, gains, losses, credits and deductions will continue to be passed through to its equity  
7 security holders. Specifically, the Operating Loan Lender (and any subsequent holder of  
8 Series A Preferred Units) is expected to be allocated amounts of income equal to the amount  
9 of the preferred return payable with respect to its Series A Preferred Units, and the holders of  
10 Common Units are expected to be allocated the balance of Reorganized Debtor's income, pro  
11 rata in accordance with the number of Common Units held by each. Reorganized Debtor's  
12 Amended and Restated Limited Liability Company Agreement required Reorganized Debtor  
13 to make tax distributions to its unitholders, but if Reorganized Debtor does not have  
14 sufficient cash to make such distributions, Reorganized Debtor's unitholders could be  
15 allocated and required to pay income tax on Reorganized Debtor's income without receiving  
16 any cash distributions to cover such tax.

17 In addition, under the IRC, any cancellation of debt income recognized by  
18 Debtor will flow through to the Equity Security Holders. Because the IRC exclusions from  
19 cancellation of debt income for discharge of debt in a Title 11 Bankruptcy Case or with  
20 respect to an insolvent taxpayer are applied at the ultimate beneficial owner level, they will  
21 not be available with respect to the Equity Security Holders, unless an Equity Security  
22 Holder is itself the subject of a Title 11 Bankruptcy Case or is insolvent.

23 **D. GENERAL TAX CONSEQUENCES TO HOLDERS OF ALLOWED**  
24 **CLAIMS**

25 Allowed Claims are expected to be paid from a portion of the Adjusted Net  
26 Income of Reorganized Debtor and from the proceeds of the Litigation Trust. Each holder of

1 an Allowed Claim will be treated as if the Allowed Claim was paid and extinguished in  
2 exchange for an amount equal to the sum of the Adjusted Net Income received by the holder  
3 and the holder's allocable share of the Litigation Trust Assets that will be transferred to the  
4 Litigation Trust, as described in Part IX.E below.

5 The holder of an Allowed Claim that elects to convert all or a portion of its  
6 Allowed Claim to Common Units will be treated for tax purposes as contributing its debt to  
7 Reorganized Debtor in exchange for an equity interest and should not recognize any gain or  
8 loss on such contribution. However, nonrecognition treatment will not apply to the extent  
9 that the Common Units are issued in exchange for indebtedness for unpaid rent, royalties or  
10 interest (including accrued original issue discount) that accrued on or after the beginning of  
11 the holder of the Allowed Claim's holding period for the indebtedness. Instead, these items  
12 should result in income or loss to the holder of the Allowed Claim.

13 To the extent that the holder of an Allowed Claim does not elect conversion to  
14 Common Units, the holder will be treated as if the Allowed Claim was paid and  
15 extinguished in exchange for an amount equal to the sum of the Adjusted Net Income  
16 received by the holder and the holder's allocable share of the Litigation Trust Assets that will  
17 be transferred to the Litigation Trust, as described in Part IX.E below.

18 The tax consequences of the Plan to a holder of such an Allowed Claim will  
19 depend, in part, on the type of consideration the holder receives in exchange for the Allowed  
20 Claim, whether the holder reports income on the accrual or cash-basis method, and whether  
21 the holder receives distributions under the Plan in more than one taxable year.

22 In general, a holder of an Allowed Claim that receives cash or property –  
23 including an allocable share of the Litigation Trust Assets that are transferred to the  
24 Litigation Trust – in satisfaction of its Allowed Claim in a single taxable year will recognize  
25 (a) ordinary interest income to the extent such payments are attributable to interest that has  
26 accrued but has not been previously taken into income by the holder with respect to the

1 Allowed Claim and (b) gain or loss in an amount equal to the difference between (i) the  
2 amount of cash and the fair market value of other property received by such holder in  
3 satisfaction of such Allowed Claim (other than amounts attributable to accrued interest,  
4 which is taxed as described above) and (ii) the holder's adjusted tax basis in such Allowed  
5 Claim. If the Allowed Claim is for a loan, the holder may be entitled to a bad debt deduction  
6 to the extent the amount received is less than the tax basis of the loan. The general tax  
7 consequences to holders of Allowed Claims arising from the transfer of Litigation Trust  
8 Assets to the Litigation Trust are described in Part IX.E below.

9 Where gain or loss is recognized by a holder of an Allowed Claim under the  
10 foregoing rules, the character of such gain or loss as long-term or short-term capital gain or  
11 loss or as ordinary income or loss will be determined by a number of factors, including the  
12 tax status of the holder, whether the Allowed Claim constitutes a capital asset in the hands of  
13 the holder and how long it has been held, whether the Allowed Claim was acquired at a  
14 market discount, and whether and to what extent the holder had previously claimed a bad  
15 debt deduction.

16 **E. GENERAL TAX CONSEQUENCES TO THE LITIGATION TRUST,**  
17 **HOLDERS OF ALLOWED CLAIMS, AND INTERESTS HOLDERS**  
18 **FOLLOWING TRANSFER OF MACHINE ZONE CLAIMS**

19 **1. Classification of Litigation Trust for Federal Income Tax Purposes**

20 The Litigation Trust is intended to qualify as a "liquidating trust" for U.S.  
21 federal income tax purposes. In general, a liquidating trust is not a separate taxable entity, but  
22 instead is treated for U.S. federal income tax purposes as a "grantor trust." However, merely  
23 establishing a trust as a liquidating trust does not ensure that it will be treated as a grantor  
24 trust for U.S. federal income tax purposes. The Internal Revenue Service ("IRS"), in Revenue  
25 Procedure 94-45, 1994-2 C.B. 684, set forth the general criteria for obtaining an IRS ruling  
26 as to the grantor trust status of a liquidating trust under a Chapter 11 plan. The Litigation  
Trust will be structured to comply with such general criteria. The following discussion

1 assumes that the Litigation Trust will be respected as a grantor trust for U.S. federal income  
2 tax purposes. However, no opinion of counsel has been requested, and the Litigation Trustee  
3 does not intend to obtain a ruling from the IRS, concerning the tax status of the Litigation  
4 Trust as a grantor trust. Accordingly, there can be no assurance that the IRS would not take a  
5 contrary position. If the IRS were to challenge successfully the classification of the Litigation  
6 Trust, the U.S. federal income tax consequences to the Litigation Trust could vary from those  
7 discussed herein (including the potential for an entity-level tax on income of the Litigation  
8 Trust).

## 9 **2. General Tax Consequences of Transfer of Machine Zone Claims** 10 **to Litigation Trust**

11 The transfer of the Litigation Trust Assets to the Litigation Trust should be  
12 treated for federal tax purposes as the transfer of the Litigation Trust Assets to the holders of  
13 Allowed Claims and to the Interests holders (collectively, the "Beneficiaries"), immediately  
14 followed by the Beneficiaries' contribution of the Litigation Trust Assets to the Litigation  
15 Trust. As soon as practicable after the Effective Date, the Trustee of the Litigation Trust in  
16 consultation with advisors and consultants, as appropriate, will determine and report the  
17 value of the Litigation Trust Assets and the portion of such value allocable to each  
18 Beneficiary in accordance with applicable law. It is expected that the Trustee's valuation will  
19 take into account a number of factors, including but not limited to its estimation of the  
20 likelihood that Debtor will prevail on the Machine Zone Litigation claims, the estimated cost  
21 of the litigation, and the estimated duration of the litigation. All parties to and Beneficiaries  
22 of the Litigation Trust must consistently use such valuation for all U.S. federal income tax  
23 purposes.

24 As detailed in Part IX.D above, the holders of Allowed Claims will recognize  
25 income, gain, deduction or loss upon the deemed transfer to them of their allocable shares of  
26 the Litigation Trust Assets, depending on the nature and character of their respective

1 Allowed Claims. The Interests holders are not expected to recognize any income, gain,  
2 deduction or loss upon the deemed transfer to them of their allocable shares of the Litigation  
3 Trust Assets. The Beneficiaries' deemed contributions to the Litigation Trust should be  
4 tax-free.

5 The tax bases of the Litigation Trust Assets will be adjusted to equal their fair  
6 market value. There will be no carryover basis from Debtor's Bankruptcy Estate. A new  
7 holding period for the proceeds of the Litigation Trust Assets will begin upon the transfer to  
8 the Litigation Trust.

9 **3. General Tax Consequences of Litigation Trust Following**  
10 **Contribution of Machine Zone Claims**

11 As a grantor trust, the Litigation Trust will not be liable for income taxes.  
12 Instead, the Litigation Trust's income, gains, losses, credits and deductions will be passed  
13 through to the Beneficiaries, who will report on their federal income tax returns their  
14 allocable shares of such income, gains, losses, credits and deductions. The character of items  
15 of income, gain, loss, deduction and credit to any Beneficiary holding a beneficial interest in  
16 the Litigation Trust, and the ability of the Beneficiary to benefit from any deductions or  
17 losses, may depend on the particular circumstances or status of the Beneficiary.

18 The Beneficiaries' obligation to report their respective shares of the Litigation  
19 Trust's tax items is not dependent on the distribution of any cash or other Litigation Trust  
20 assets by the Litigation Trust. Accordingly, a Beneficiary may incur a tax liability as a result  
21 of owning a share of the proceeds of the Litigation Trust Assets, regardless of whether the  
22 Litigation Trust distributes cash or other assets. In addition, due to possible differences in  
23 the timing of income on, and the receipt of cash from the Litigation Trust, a Beneficiary may  
24 be required to report and pay tax on a greater amount of income for a taxable year than the  
25 amount of cash received by the Beneficiary during the year.

1           The Litigation Trust will file annual information tax returns with the IRS as a  
2 grantor trust pursuant to Treasury Regulations Section 1.671-4(a) that will include  
3 information concerning certain items of income, gain, loss, deduction and credit. Each  
4 Beneficiary will receive a copy of the information returns and must report on its federal  
5 income tax return its share of all such items.

6           **F.       INFORMATION REPORTING AND BACKUP WITHHOLDING**

7           Certain payments, including the payments with respect to Claims pursuant to  
8 the Plan, are generally subject to information reporting by the payor to the IRS. Moreover,  
9 under certain circumstances, a holder of a Claim may be subject to "backup withholding"  
10 with respect to payments made pursuant to the Plan, unless such holder either (a) comes  
11 within certain exempt categories (which generally include corporations) and, when required,  
12 demonstrates this fact, or (b) provides a correct United States taxpayer identification number  
13 and certifies under penalty of perjury that the holder is a United States person, the taxpayer  
14 identification number is correct, and that the taxpayer is not subject to backup withholding  
15 because of a failure to report all dividend and interest income. Backup withholding is not an  
16 additional tax. Amounts withheld under the backup withholding rules may be credit against  
17 the holder's United States federal income tax liability, and the holder may obtain a refund any  
18 excess amounts withheld under the backup withholding rules by filing an appropriate claim  
19 for refund with the IRS.

20           **G.       GENERAL DISCLAIMER**

21           The federal income tax consequences of the Plan are complex. The foregoing  
22 discussion is not intended to be a substitute for careful tax planning, particularly since certain  
23 of the federal tax consequences of the Plan will not be the same for all Creditor, Equity  
24 Security Holders or other persons due to their individual circumstances. Each Creditor and  
25 each Equity Security Holder (including the ultimate beneficial owners of Equity Security  
26 Holders that are pass-through entities) is urged to consult with its own tax advisors in

determining the federal, state local and foreign income and other tax consequences of the transactions contemplated by the Plan.

**X. ACCEPTANCE AND CONFIRMATION OF THE PLAN**

**A. CONFIRMATION HEARING**

The Bankruptcy Court has scheduled a hearing on confirmation of the Plan on \_\_\_\_\_, at \_\_\_\_\_ Pacific time. The hearing will be held at the U.S. Bankruptcy Court for the District of Oregon, 1001 SW Fifth Avenue, Portland, Oregon in Courtroom No. 1, before the Honorable Peter C. McKittrick, United States Bankruptcy Judge. At that hearing, the Bankruptcy Court will consider whether the Plan satisfies the various requirements of the Bankruptcy Code, including whether it is feasible and whether it is in the best interest of Creditors and Equity Security Holders of Debtor. Debtor will submit a report to the Bankruptcy Court prior to the hearing concerning the votes for acceptance or rejection of the Plan by the parties entitled to vote thereon. Any objection to confirmation of the Plan must be timely filed on or before \_\_\_\_\_ to be considered by the Court.

**B. REQUIREMENTS OF CONFIRMATION**

At the hearing on confirmation, the Bankruptcy Court will determine whether the provisions of Section 1129 of the Bankruptcy Code have been satisfied. If all of the provisions of Section 1129 are met, the Bankruptcy Court may enter an order confirming the Plan. Debtor believes the Plan satisfies all of the requirements of Chapter 11 of the Bankruptcy Code, that it has complied or will have complied with all of the requirements of Chapter 11, and that the Plan has been proposed and is made in good faith.

**C. CRAMDOWN**

As discussed in Section II(D) above, the Court may confirm a Plan, even if it is not accepted by all impaired classes, if the Plan has been accepted by at least one impaired Class of Claims and the Plan meets the cram down requirements set forth in Section 1129(b)

1 of the Bankruptcy Code. In the event that any impaired Class of Claims does not accept the  
2 Plan, Debtor requests that the Bankruptcy Court confirm the Plan in accordance with  
3 Section 1129(b) of the Bankruptcy Code or otherwise permit Debtor to modify the Plan.

#### 4 **D. FEASIBILITY**

5 Debtor believes that confirmation of the Plan is not likely to be followed by  
6 the liquidation of Reorganized Debtor or a need for a further financial reorganization of  
7 Reorganized Debtor. Debtor is already liquidating certain assets through the Liquidation  
8 Trust. Further, as described in Section VII.E.2.c. above and illustrated in **Exhibit 2** attached  
9 hereto, Reorganized Debtor will be able to operate profitably after confirmation.

#### 10 **E. RISK FACTORS**

11 Debtor's operations and financial results are subject to various risks and  
12 uncertainties that could adversely affect its business, cash flows, financial condition and  
13 results of operations. Additional risks and uncertainties not currently known to Peak or that  
14 are not identified here may also materially and adversely affect the business, cash flows,  
15 financial condition, or results of operations. Statements that refer to expectations,  
16 projections, or other characterizations of future events or circumstances, including any  
17 underlying assumptions, are forward-looking statements. These statements are not  
18 guarantees and are subject to risks, uncertainties and assumptions that are difficult to predict.  
19 Therefore, actual results could differ materially and adversely from forward-looking  
20 statements or projections. Some important factors that could cause Reorganized Debtor's  
21 actual results to differ from expectations in any forward-looking statements include, but are  
22 not limited to, those risks discussed and summarized below.

##### 23 **1. General Factors**

24 **a. Financial Performance May Vary.** As discussed in Section  
25 VII.E.2.b. in this Disclosure Statement, Reorganized Debtor expects to engage in the  
26 managed services and consulting business for the initial period following confirmation.

1 Subsequently, it may again return to the hosting business. Peak has projected financial  
2 results that reflect providing managed services and consulting services to existing and new  
3 customers based on known facts and hypothetical assumptions. Actual financial results,  
4 however, may differ significantly from the projections. Reorganized Debtor may not be able  
5 to meet the projected financial results or achieve the revenue or cash flow that it has assumed  
6 in projecting future business prospects.

7 If Debtor has insufficient cash to pay all Allowed Administrative Expense  
8 Claims in full upon confirmation, it will need to reach arrangements with these Claimants to  
9 defer payment of their respective Administrative Expense Claims in order to confirm the  
10 Plan.

11 **b. The Outcome of the Machine Zone Litigation is Unknown.**

12 As described in Section III.C., Peak is pursuing claims against Machine Zone in the Machine  
13 Zone Litigation. While Peak believes there is the potential for a significant recovery against  
14 Machine Zone or others, it is unknown whether judgments will be awarded in Peak's favor,  
15 how long it will take to obtain judgments, how much the judgment awards will be, or what  
16 amount Peak might otherwise be able to obtain through settlements. If Peak were to prevail  
17 on its claims at trial, then all Creditors would be paid in full and there would be substantial  
18 equity. If Peak loses on its claims at trial, the Creditors would be paid only from  
19 Reorganized Debtor's continued operations. If settlements are reached, then the proceeds  
20 would be distributed to Creditors in the order of priority under the Bankruptcy Code.

21 **c. Competition.** Several companies provide managed hosting  
22 and consulting services in competition with Peak.

23 **d. Staffing.** Employee staffing in the managed services and  
24 consulting business is a key to success and is highly competitive. Reorganized Debtor's  
25 business model relies upon retaining certain of its existing staff, and later hiring additional  
26 managed hosting and consulting staff. Peak's projections are based on its prior business

1 success and ability to attract talented staff. However, if key staff were to leave or Peak were  
2 unable hire sufficient additional qualified employees, it would have a material adverse effect  
3 on Reorganized Debtor's business.

4 **F. ALTERNATIVES TO CONFIRMATION OF THE PLAN**

5 If a Plan is not confirmed, Debtor or another party in interest may attempt to  
6 formulate or propose a different plan or plans of reorganization. Such plans might involve a  
7 reorganization and continuation of Debtor's business, a sale of Debtor's business as a going  
8 concern, an orderly liquidation of Debtor's assets, or any combination thereof. If no plan of  
9 reorganization is determined by the Bankruptcy Court to be confirmable, the Bankruptcy  
10 Case may be converted to a liquidation proceeding under Chapter 7 of the Bankruptcy Code.

11 In a Chapter 7 liquidation, a Trustee would be appointed or elected with the  
12 purpose of liquidating Debtor's assets. Typically, in a liquidation, assets are sold for less  
13 than their going concern or fair market valuation and, accordingly, the return to Creditors is  
14 less than the return in a reorganization, which derives the value to be distributed from the  
15 business as a going concern. Proceeds from a Chapter 7 liquidation would be distributed to  
16 Creditors and Interest holders of Debtor in accordance with the priorities set forth in the  
17 Bankruptcy Code. Generally, distributions would not be made until the end of a Chapter 7  
18 case and there would be no interim distributions. As explained in Section VIII above, if  
19 Debtor's case were converted to Chapter 7, Debtor believes the Secured Creditors would  
20 receive relief from the automatic stay to collect the liquidation value of their collateral, and  
21 General Unsecured Creditors and Interest holders would likely receive nothing. Debtor urges  
22 all parties to vote to accept the Plan.

1 **XI. CONCLUSION**

2 Please read this Disclosure Statement and the Plan carefully. After reviewing  
3 all the information and making an informed decision, please vote by using the enclosed

1 Peak Web LLC ("Peak" or "Debtor") as Debtor and debtor-in-possession,  
2 proposes the following Plan of Reorganization ("Plan") pursuant to Section 1129(a) of  
3 Title 11 of the United States Code. This Plan provides the terms upon which Peak will  
4 restructure its business and provide payments to its creditors. The Plan provides for a  
5 Litigation Trust to be established to pursue the Machine Zone Litigation and related claims  
6 and for Peak to restructure its business as a managed services and consulting business. The  
7 Plan provides for payment to creditors primarily from any recovery in the Machine Zone  
8 Litigation and, to the extent necessary, from Peak's future business operations. The  
9 Disclosure Statement provided herewith will assist you in understanding this Plan and  
10 making an informed judgment concerning how to vote. However, the terms of this Plan, not  
11 what is contained in the Disclosure Statement, shall control and be binding on the parties if  
12 this Plan is confirmed by the Bankruptcy Court.

## 13 ARTICLE 1

### 14 DEFINITIONS

15 Definitions of certain terms used in this Plan are set forth below. Other terms  
16 are defined in the text of this Plan or the text of the Disclosure Statement. In either case,  
17 when a defined term is used, the first letter of each word in the defined term is capitalized.  
18 Terms used and not defined in this Plan or the Disclosure Statement shall have the meanings  
19 given in the Bankruptcy Code or Bankruptcy Rules, or otherwise as the context requires.  
20 The meanings of all terms shall be equally applicable to both the singular and plural, and  
21 masculine and feminine, forms of the terms defined. The words "herein," "hereof," "hereto,"  
22 "hereunder," and others of similar import, refer to the Plan as a whole and not to any

**MEANS FOR EXECUTION OF PLAN**

6.1 Litigation Trust. A Litigation Trust shall be established by the Litigation Trust Agreement attached hereto as **Exhibit A** or in a form substantially similar thereto as approved by the Bankruptcy Court in the Confirmation Order. Debtor shall transfer the Litigation Trust Assets to the Litigation Trust. The transfer shall be made pursuant to 11 U.S.C. §§ 1123(a)(5)(B) and 1123(b)(3)(B) of the Bankruptcy Code.

Mr. Mark Calvert shall be appointed as the initial Litigation Trustee of the Litigation Trust. The Litigation Trust Committee for the Litigation Trust shall consist of three members: Mr. Jeffery Papen, one person designated by the Litigation Loan Lender, and one person designated by the Unsecured Creditors Committee. The Litigation Trustee shall be responsible for operation and management of the Litigation Trust in consultation with, and at the direction of, the Litigation Trust Committee. The Litigation Trust is established for the sole purpose of liquidating the claims and assets assigned to it and distributing the proceeds received from the liquidation of those assets. The Litigation Trust is established for the benefit of holders of all Allowed Claims and Interests who constitute the Litigation Trust Beneficiaries. The Litigation Trust is intended to be treated as a grantor trust for federal income tax purposes and intended to qualify as a liquidating trust within the meaning of Treasury Regulation § 301.7701-4.d. The Litigation Proceeds shall be used to pay the expenses of the Litigation Trust, including, but not limited to, the costs and expenses of the Litigation Trust, and then to pay Allowed Claims; with payment first going to Allowed Secured Claims in order of priority, then any unpaid Administrative Expense Claims, then Priority Tax Claims, then Allowed Unsecured Claims, including Allowed Administrative Convenience Claims, until all Allowed Claims have been paid in full, with interest, and then any remaining proceeds shall be distributed to the holders of the Interests in Debtor.

1                   6.2     Reorganized Debtor. Reorganized Debtor shall be comprised of the  
2 post-confirmation operating company which will consist of all remaining assets of Debtor not  
3 transferred to the Litigation Trust. Reorganized Debtor shall continue to operate and make  
4 payments to Creditors as described in this Plan.

5                   6.3     New Equity in Reorganized Debtor. On the Effective Date, all  
6 existing equity Interests will be deemed canceled in Reorganized Debtor. Reorganized  
7 Debtor will issue new equity in the form of Series A Preferred Units and new Common  
8 Units. The Operating Loan Lender will be issued 500,000 Series A Preferred Units of  
9 Reorganized Debtor in full satisfaction of the Operating Loan. Reorganized Debtor's  
10 President, Mr. Jon Billow, will be issued 500 Common Units in Reorganized Debtor. Other  
11 Creditors with Allowed Claims have the option to convert their debt into Common Units of  
12 Reorganized Debtor. The conversion rate shall be 1 Common Unit issued in Reorganized  
13 Debtor for each \$1,000 of Allowed Claim, subject to a minimum conversion requirement of  
14 \$10,000 for 10 Common Units of Reorganized Debtor. Creditors may elect to convert all or  
15 a portion of their Allowed Claim subject to the minimum conversion requirement of \$10,000  
16 for 10 units. THE ELECTION TO CONVERT ALL OR A PORTION OF AN ALLOWED  
17 CLAIM TO COMMON UNITS IN REORGANIZED DEBTOR MUST BE MADE BY THE  
18 CREDITOR AT THE TIME IT DELIVERS ITS BALLOT ACCEPTING OR REJECTING  
19 DEBTOR'S PLAN. If a Creditor elects to convert its Allowed Claim from debt to equity in  
20 Reorganized Debtor, then the Creditor will no longer be entitled to any distributions from the  
21 Litigation Trust and will not receive debt payments from Reorganized Debtor on account of  
22 the Claim amount converted to equity.

23                   6.4     Restated Operating Agreement. Upon the Effective Date, Reorganized  
24 Debtor shall adopt the Amended and Restated Limited Liability Company Agreement of  
25 Peak Web LLC (the "LLC Agreement") substantially in the form attached hereto as  
26 **Exhibit B.** The rights, preferences, and privileges of Series A Preferred Unit and Common

1 Unit holders are set out in the LLC Agreement. After the Effective Date, Reorganized  
2 Debtor may further amend the LLC Agreement in accordance with its terms and applicable  
3 state law, provided it is consistent with the Plan as set forth in the Confirmation Order.

4 6.5 Setoffs. Debtor may, but shall not be required to, set off against any  
5 Claim and the distributions to be made pursuant to the Plan in respect of such Claim, any  
6 claims of any nature whatsoever that Debtor may have against the holder of such Claim, but  
7 neither the failure to do so nor the allowance of any Claim hereunder shall constitute a  
8 waiver or release of any such claim Debtor may have against such holder.

9 6.6 Corporate Action. Upon entry of the Confirmation Order, all actions  
10 contemplated by the Plan shall be authorized and approved by Peak in all respects (subject to  
11 the provisions of the Plan), including, without limitation, the execution, delivery, and  
12 performance of all documents and agreements relating to the Plan, including the Litigation  
13 Trust Agreement. Upon entry of the Confirmation Order, the appropriate officers of Debtor  
14 are authorized and directed to execute and deliver the agreements, documents, and  
15 instruments contemplated by the Plan, including the Litigation Trust Agreement, in the name  
16 of and on behalf of Debtor.

17 6.7 Event of Default; Remedy. Any material failure by Reorganized  
18 Debtor to perform any term of this Plan, which failure continues for a period of 30 days  
19 following receipt by Reorganized Debtor of written notice of such default from the holder of  
20 an Allowed Claim to whom performance is due, shall constitute an event of Default. Upon  
21 the occurrence of an Event of Default, the holder of an Allowed Claim to whom performance  
22 is due shall have all rights and remedies granted by law, this Plan, or any agreement between  
23 the holder of such Claim and Debtor or Reorganized Debtor. An Event of Default with  
24 respect to one Claim shall not be an Event of Default with respect to any other Claim.

1                   6.8     Conditions Precedent to Effectiveness of Plan. Unless waived by  
2 Debtor, the following conditions must occur and be satisfied for the Plan to become effective,  
3 and are conditions precedent to the Effective Date:

4                   6.8.1   The Bankruptcy Court shall have entered the Confirmation  
5 Order, in form and substance reasonably satisfactory to Debtor, which shall, among other  
6 things, provide that any and all executory contracts and unexpired leases assumed pursuant to  
7 the Plan shall remain in full force and effect for the benefit of Reorganized Debtor  
8 notwithstanding any provision in any such contract or lease, or in applicable law (including  
9 those described in Sections 365(b)(2) and (f) of the Bankruptcy Code) that prohibits,  
10 restricts, or conditions such transfer, or that enables or requires termination or modification  
11 of such contract or lease; and

12                  6.8.2   All documents, instruments, and agreements, including, but  
13 not limited, to the Litigation Trust Agreement, each in form and substance satisfactory to  
14 Debtor, provided for or necessary to implement this Plan, shall have been executed and  
15 delivered by the parties thereto, unless such execution or delivery has been waived by the  
16 party to be benefitted thereby.

## 17                                   **ARTICLE 7**

### 18                           **EXECUTORY CONTRACTS AND UNEXPIRED LEASES**

19                  7.1     Assumption and Rejection. Except as may otherwise be provided, all  
20 executory contracts of Debtor that are not assumed herein or otherwise subject to a prior  
21 Bankruptcy Court order or pending motion before the Bankruptcy Court, are rejected by  
22 Debtor. Reorganized Debtor shall promptly pay all amounts required under Section 365 of  
23 the Bankruptcy Code to cure any defaults for executory contracts and unexpired leases being  
24 assumed and shall perform its obligations from and after the Effective Date in the ordinary  
25 course of business. Notwithstanding the above, all of Debtor's managed hosting and  
26 consulting contracts in existence on the Effective Date shall be assumed.

7.2 Assignment. Except as may be otherwise provided in this Plan, the Confirmation Order, or other Order of the Bankruptcy Court, all executory contracts that Debtor assumed shall be deemed assigned to Reorganized Debtor as of the Effective Date. The Confirmation Order shall constitute an order authorizing such assignment of assumed executory contracts, and no further assignment documentation shall be necessary to effectuate such assignment.

7.3 Rejection Claims. Except as previously ordered by the Bankruptcy Court, any other Rejection Claims must be Filed no later than 30 days after entry of the order rejecting the executory contract or unexpired lease, or 30 days after entry of the Confirmation Order, whichever is sooner. Any such Rejection Claim not Filed within such time shall be forever barred from asserting such Claim against Debtor, Reorganized Debtor, their property, estate, and any guarantors of such obligations. Each Rejection Claim resulting from such rejection shall constitute a General Unsecured Claim or Administrative Convenience Claim.

## ARTICLE 8

## EFFECT OF CONFIRMATION

8.1 Debtor's Injunction. The effect of confirmation shall be as set forth in Section 1141 of the Bankruptcy Code. Except as otherwise provided in the Plan, prior order of the Bankruptcy Court, or in the Confirmation Order, confirmation of the Plan shall act as a permanent injunction applicable to entities against (a) the commencement or continuation, including the issuance or employment of process, of a judicial, administrative, or other action or proceeding of any kind against Debtor or Reorganized Debtor that was or could have been commenced before the entry of the Confirmation Order; (b) the enforcement, attachment, collection, or recovery against Reorganized Debtor, the Litigation Trust, or their respective assets of any judgment, award, decree, or order obtained before the Petition Date; and (c) any act to obtain possession of or to exercise control over, or to create, perfect, or enforce a lien upon, all or any part of the assets of Reorganized Debtor or the Litigation Trust; (d) asserting

1 any setoff, right of subrogation or recoupment of any kind against any obligation due to  
2 Debtor, Reorganized Debtor, or its property; and (e) proceeding in any manner in any place  
3 whatsoever that does not conform to, does not comply with, or is inconsistent with the  
4 provisions of the Plan or the Confirmation Order. Neither the injunction nor any provision of  
5 the Plan prohibits or otherwise affects Machine Zone's right to prosecute or defend against  
6 the consolidated Machine Zone Litigation or to set off any Allowed Claim of Machine Zone  
7 against any claim of the Debtor, Reorganized Debtor, or the Litigation Trust.

## 8 **ARTICLE 9**

19 and/or estimate any Claim in whole or in part;

20                  9.1.14   hear and determine any other matters related hereto and not  
21 inconsistent with Chapter 11 of the Bankruptcy Code; and

22                  9.1.15   enter a final decree closing this Bankruptcy Case.

23                                   **ARTICLE 10**

24                                   **ADMINISTRATIVE PROVISIONS**

25                  10.1   Modification of the Plan. Debtor may alter, amend, or modify the Plan  
26 pursuant to Section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019 at any time

1 prior to the time the Bankruptcy Court has signed the Confirmation Order. After such time,  
2 and prior to substantial consummation of the Plan, Reorganized Debtor may, so long as the  
3 treatment of holders of Claims and Equity Security under the Plan is not adversely affected,  
4 institute proceedings in Bankruptcy Court to remedy any defect or omission, or to reconcile  
5 any inconsistencies in the Plan, the Disclosure Statement, or the Confirmation Order, and any  
6 other matters as may be necessary to carry out the purposes and effects of the Plan; provided,  
7 however, that prior notice of such proceedings shall be served in accordance with Bankruptcy  
8 Rule 2002.

9 10.2 Revocation or Withdrawal of Plan

10 10.2.1 Right to Revoke. Debtor reserves the right to revoke or  
11 withdraw the Plan at any time prior to the Effective Date.

12 10.2.2 Effect of Withdrawal or Revocation. If Debtor revokes or  
13 withdraws the Plan prior to the Effective Date, then the Plan shall be deemed null and void.  
14 In such event, nothing contained herein shall be deemed to constitute a waiver or release of  
15 any claims by or against Debtor or any other Entity, or to prejudice in any manner the rights  
16 of Debtor or any Entity in any further proceeding involving Debtor.

17 10.3 Nonconsensual Confirmation. Debtor shall request that the  
18 Bankruptcy Court confirm the Plan pursuant to Section 1129(b) of the Bankruptcy Code if  
19 the requirements of all provisions of Section 1129(a) of the Bankruptcy Code, except  
20 Subsection 1129(a)(8), are met.

21 **ARTICLE 11**

22 **MISCELLANEOUS PROVISIONS**

23 11.1 Revesting. Except for the Trust Assets transferred to the Litigation  
24 Trust and as otherwise expressly provided herein, on the Effective Date all remaining  
25 property and assets of the estate of Debtor shall revest in Reorganized Debtor free and clear  
26 of all claims, liens, encumbrances, charges, and other interests of Creditors arising on or

1 before the Effective Date, and Reorganized Debtor may operate, from and after the Effective  
2 Date, free of any restrictions imposed by the Bankruptcy Code or the Bankruptcy Court.

3 11.2 Cancellation of Documents Evidencing Unsecured Claims. As of the  
4 Effective Date (subject to resolution of any objection to the Claim if a Disputed Claim), any  
5 note, agreement, instrument, judgment, or other document evidencing an Unsecured Claim in  
6 any Class shall be deemed cancelled, null, and void, except for the right, if any, to receive  
7 distributions under this Plan; provided, however, that nothing herein shall affect the liability  
8 of any Entity other than Debtor on, or the property of any Entity other than Debtor for, such  
9 Claim.

10 11.3 Rights of Action. Except as otherwise expressly provided herein, any  
11 claims, rights, interests, causes of action, defenses, counterclaims, crossclaims, third-party  
12 claims, or rights of offset, recoupment, subrogation, or subordination, including, without  
13 limitation, claims under Section 550(a) of the Bankruptcy Code or any of the sections  
14 referenced therein (including, without limitation, any and all Avoidance Actions) accruing to  
15 Debtor, shall remain assets of Reorganized Debtor. Reorganized Debtor may pursue such  
16 rights of action, as appropriate, in accordance with its best interests and for its benefit.

17 11.4 Governing Law. Except to the extent the Bankruptcy Code, the  
18 Bankruptcy Rules, or other federal laws are applicable, the laws of the State of Oregon shall  
19 govern the construction and implementation of the Plan, and all rights and obligations arising  
20 under the Plan.

21 11.5 Withholding and Reporting Requirements. In connection with the  
22 Plan and all instruments issued in connection therewith and distributions thereon, Debtor and  
23 Reorganized Debtor shall comply with all withholding, reporting, certification, and  
24 information requirements imposed by any federal, state, local, or foreign taxing authorities,  
25 and all distributions hereunder shall, to the extent applicable, be subject to any such  
26 withholding, reporting, certification, and information requirements. As soon as practicable

1 after the Effective Date, the Trustee of the Litigation Trust will determine and report the  
2 value of the Litigation Trust Assets and the portion of such value allocable to each  
3 beneficiary of the Litigation Trust. All parties to and beneficiaries of the Litigation Trust  
4 must consistently use such valuation for all U.S. federal income tax purposes. Entities  
5 entitled to receive distributions hereunder shall, as a condition to receiving such distributions,  
6 provide such information and take such steps as Reorganized Debtor may reasonably require  
7 to ensure compliance with such withholding and reporting requirements, and to enable  
8 Reorganized Debtor to obtain the certifications and information as may be necessary or  
9 appropriate to satisfy the provisions of any tax law.

10 Reorganized Debtor shall provide the Unsecured Creditors Committee's  
11 designee on the Litigation Trust Committee and any other Creditors with Allowed Claims or  
12 Claims with pending objections who so request, a semi-annual financial report sufficiently  
13 detailed to report Reorganized Debtor's operating results and identify the calculation of the  
14 amounts distributed to Creditors.

15 11.6 Time. Unless otherwise specified herein, in computing any period of  
16 time prescribed or allowed by the Plan, the day of the act or event from which the designated  
17 period begins to run shall not be included. The last day of the period so computed shall be  
18 included, unless it is not a Business Day, in which event the period runs until the end of the  
19 next succeeding day that is a Business Day.

20 11.7 Section 1146(c) Exemption. Pursuant to Section 1146(c) of the  
21 Bankruptcy Code, the issuance, transfer, or exchange of any security under the Plan; or the  
22 execution, delivery, or recording of an instrument of transfer pursuant to, in implementation  
23 of, or as contemplated by the Plan; or the revesting, transfer, or sale of any real property of  
24 Debtor or Reorganized Debtor pursuant to, in implementation of, or as contemplated by the  
25 Plan; shall not be taxed under any state or local law imposing a stamp tax, transfer tax, or  
26 similar tax or fee. Consistent with the foregoing, each recorder of deeds or similar official

1 for any city, county, or governmental unit in which any instrument hereunder is to be  
2 recorded shall, pursuant to the Confirmation Order, be ordered and directed to accept such  
3 instrument without requiring the payment of any documentary stamp tax, deed stamps,  
4 transfer tax, intangible tax, or similar tax.

5 11.8 Severability. In the event any provision of the Plan is determined to be  
6 unenforceable, such determination shall not limit or affect the enforceability and operative  
7 effect of any other provisions of the Plan. To the extent any provision of the Plan would, by  
8 its inclusion in the Plan, prevent or preclude the Bankruptcy Court from entering the  
9 Confirmation Order, the Bankruptcy Court, on the request of Debtor, may modify or amend  
10 such provision, in whole or in part, as necessary to cure any defect or remove any  
11 impediment to confirmation of the Plan existing by reason of such provision.

12 11.9 Binding Effect. The provisions of the Plan shall bind Debtor,  
13 Reorganized Debtor, and all Creditors and Equity Security Holders, and their respective  
14 successors, heirs, and assigns.

15 11.10 Retiree Benefits. On or after the Effective Date, to the extent required  
16 by Section 1129(a)(13) of the Bankruptcy Code, Reorganized Debtor shall continue to pay all  
17 retiree benefits (if any) as that term is defined in Section 1114 of the Bankruptcy Code,  
18 maintained or established by Debtor prior to the Effective Date, without prejudice to  
19 Reorganized Debtor's rights under applicable non-bankruptcy law to modify, amend, or  
20 terminate the foregoing arrangements.

21 11.11 Recordable Order. The Confirmation Order shall be deemed to be in  
22 recordable form, and shall be accepted by any recording officer for filing and recording  
23 purposes without further or additional orders, certifications, or other supporting documents.

24 11.12 Plan Controls. In the event and to the extent that any provision of the  
25 Plan is inconsistent with the provisions of the Disclosure Statement, or any other instrument  
26

1 or agreement contemplated to be executed pursuant to the Plan, the provisions of the Plan  
2 shall control and take precedence.

3 11.13 Effectuating Documents and Further Transactions. Debtor and  
4 Reorganized Debtor shall execute, deliver, file, or record such contracts, instruments,  
5 assignments, and other agreements or documents, and take or direct such actions as may be  
6 necessary or appropriate to effectuate and further evidence the terms and conditions of this  
7 Plan.

8 11.14 Timing of Actions. Notwithstanding anything to the contrary herein,  
9 any action required by the Plan to be taken on the Effective Date shall be made or taken on  
10 the Effective Date or as soon as practical thereafter, but in any event within 20 days of the  
11 Effective Date.

## PEAK WEB LITIGATION TRUST AGREEMENT

This Litigation Trust Agreement (the "Agreement") dated as of \_\_\_\_\_, 2017 is established by Peak Web LLC ("Grantor," "Peak," or "Debtor") and Mark Calvert, solely in his capacity as the Peak Web Litigation Trustee (and any successors) ("Litigation Trustee") and is executed in connection with and pursuant to the terms of Debtor's Plan of Reorganization (October 11, 2016), as amended or modified (the "Plan"), filed in the United States Bankruptcy Court for the District of Oregon as Case No. 16-32311-pcm11 (the "Chapter 11 Case").

This Agreement is executed in order to establish a litigation trust (the "Litigation Trust") in connection with Peak's Plan of Reorganization confirmed by the Bankruptcy Court.

On June 13, 2016, Debtor filed its voluntary petition for relief under Chapter 11 of the United States Bankruptcy Code ("Petition Date").

On \_\_\_\_\_, 2017, the Bankruptcy Court entered an order confirming Debtor's Plan (the "Confirmation Order").

The Plan provides, among other things, that on the Effective Date, certain assets shall be deemed transferred and assigned to this Litigation Trust to be administered by the Litigation Trustee in accordance herewith. This Litigation Trust is created pursuant to, and to effectuate, certain provisions of the Plan and Confirmation Order pursuant to which the Litigation Trustee will hold the Litigation Trust Assets as contemplated by the Agreement, the Plan, and the Confirmation Order.

This Litigation Trust is established for the sole purpose of liquidating and distributing Litigation Trust Assets pursuant to the Plan and the terms of this Agreement with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of this Litigation Trust.

The Litigation Trust is established for the benefit of holders of all Allowed Claims and Interests, as those terms are defined in the Plan (individually, a "Litigation Trust Beneficiary" and collectively, the "Litigation Trust Beneficiaries") (i) to pursue all Litigation Trust Claims, and (ii) to liquidate and distribute Litigation Trust Assets.

The Litigation Trustee was duly appointed as a representative of Peak pursuant to Section 1123(a)(5), (a)(7), and (b)(3)(B) of the Bankruptcy Code.

The Litigation Trust is intended to be treated as a grantor trust for federal income tax purposes. The Litigation Trust is intended to qualify as a liquidating trust within the meaning of Treasury Regulations section 301.7701-4(d).

NOW, THEREFORE, in consideration of the premises and agreements contained herein, the parties hereto agree as follows:

## ARTICLE I DEFINITIONS

Unless otherwise defined herein, all capitalized terms used in this Agreement shall have the meanings assigned to them in the Plan or in the Bankruptcy Code (as in effect on the date hereof). If there is any discrepancy between a definition herein and a definition in the Plan, the definition in the Plan shall govern.

1.1 **"Beneficiaries"** means the holders of Allowed Claims and Interests, as defined in the Plan.

1.2 **"Litigation Trustee"** means Mark Calvert solely in his capacity as the Peak Web Litigation Trustee and any successor or replacement duly appointed and acting in the capacity of Litigation Trustee as provided in Article VIII of this Agreement.

1.3 **"Litigation Trust"** means the Peak Web Litigation Trust established by the Plan set forth in this Agreement.

1.4 **"Litigation Trust Assets"** means (i) Peak's claims against Machine Zone in *Peak Web LLC v. Machine Zone, Inc., Epic War LLC and Does 1 through 10, inclusive*, Santa Clara County Superior Court Case No. 1-15-cv-288681 and all other claims Debtor may have arising out of or related to any of the facts, circumstances, events, or issues raised therein against Machine Zone, Inc., Epic War LLC, and Does 1 through 10 inclusive; (ii) any and all other claims or causes of action in any way related to or arising out of the same or similar facts, circumstances, events, or issues described therein whether against Machine Zone, Epic War, or any other party, whether or not that party is or may become a party to the above-captioned litigation or another action that may be subsequently filed; (iii) all Debtor's intellectual property rights and trade secrets; (iv) any and all avoidance or recovery claims of Debtor's bankruptcy estate under Chapter 5 of the Bankruptcy Code; and (v) any other claims or assets transferred to the Litigation Trust pursuant to the Plan, Confirmation Order, or this Agreement, and any income, proceeds, profits, revenue, or assets generated therefrom.

1.5 **"Litigation Counsel"** means the firms of Susman Godfrey LLP, Ropers Majeski Kohn Bentley PC, and any other counsel retained to represent the interests of the Litigation Trust with respect to any Litigation Trust Assets.

## ARTICLE II ESTABLISHMENT, PURPOSE AND FUNDING OF THE LITIGATION TRUST

2.1 Creation and Name. There is hereby created the Peak Web Litigation Trust, which is referred to in Article VI of the Plan. The Litigation Trustee may conduct the affairs of the Litigation Trust under the name of the "Peak Web Litigation Trust."

2.2 Declaration of Trust. In order to declare the terms contained herein, and in consideration of the confirmation of the Plan, Debtor and the Litigation Trustee have executed this Agreement for the purpose of creating the Litigation Trust.

2.3 Purpose of Peak Web Litigation Trust. The Grantor and the Litigation Trustee, pursuant to the Plan and in accordance with the Bankruptcy Code, hereby create this Litigation Trust for the purpose of prosecuting or otherwise liquidating and distributing the Litigation Trust Assets in accordance with Treasury Regulation section 301.7701-4(d) and Revenue Procedure 94-45, 1994-28 I.R.B.124 (July 11, 1994) ("Revenue Procedure 94-45") (or any subsequent Revenue Procedures that may be issued relating to liquidating trusts). In particular, this includes: reviewing, litigating, settling, dismissing, or releasing Peak's claims against Machine Zone in *Peak Web LLC v. Machine Zone, Inc., Epic War LLC and Does 1 through 10, inclusive*, Santa Clara County Superior Court Case No. 1-15-cv-288681 and any and all other claims or causes of action constituting a Litigation Trust Asset, and distributing the proceeds of any recoveries therefrom in accordance with this Agreement and the Plan. The activities of the Litigation Trust shall be limited to those activities set forth herein and as otherwise contemplated by the Plan. The Litigation Trustee understands and agrees that the Litigation Trust has no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the Litigation Trust.

2.4 Transfer of Litigation Trust Asset; Taxation

2.4.1 Pursuant to the Plan, which is incorporated by reference herein, the Grantor and the Litigation Trustee hereby establish, for the benefit of the Beneficiaries of the Litigation Trust, and the Grantor hereby grants, releases, assigns, conveys, transfers and delivers, on behalf of the Beneficiaries, the Litigation Trust Assets to the Litigation Trustee as of the Effective Date, in trust for the benefit of the Beneficiaries for the uses and purposes as specified in this Agreement and the Plan as well as all respective rights, title, and interest in and to any lawyer-client privilege, work product privilege, or other privilege or immunity attaching to documents or communications (whether written or oral) associated with the Litigation Trust Assets, all of which shall, and shall be deemed to, vest in the Litigation Trust for the benefit of the Litigation Trust Beneficiaries. The Grantor shall from time to time execute and deliver or cause to be executed and delivered all such documents (in recordable form where necessary or appropriate) and the Grantor shall take or cause to be taken such further action as the Litigation Trustee may reasonably deem necessary or appropriate, to vest or perfect in or confirm to the Litigation Trustee title to and possession of the Litigation Trust Assets in the Litigation Trust.

2.4.2 The Litigation Trust shall hold legal title to the Litigation Trust Assets. Following transfer, Debtor shall have no interest in or with respect to the Litigation Trust Assets. Notwithstanding the foregoing, for purposes of Section 553 of the Bankruptcy Code, the transfer of the Litigation Trust Assets to the Litigation Trust shall not affect the mutuality of obligations which otherwise may have existed prior to the effectuation of such transfer. The transfer of the Litigation Trust Assets to the Litigation Trust does not diminish, and fully preserves, any defenses a defendant would have if such Litigation Trust Assets had been retained by Debtor. The Litigation entitled *Machine Zone, Inc. v. Peak Web LLC*, Santa Clara County Superior Court Case No. 1-15-cv-288498 is not a Litigation Trust Asset, but all such rights of plaintiff therein to offset any claims it may have are preserved.

2.4.3 The Litigation Trustee shall have the sole authority and standing to bring all claims transferred to the Litigation Trust as Litigation Trust Assets, including the pending claims in the Machine Zone Litigation, and any other claims included as a Litigation Trust Asset

against any other person identified by the Litigation Trustee. To the extent any Litigation Trust Assets cannot be transferred to the Litigation Trust because of a restriction on transferability under applicable non-bankruptcy law that is not superseded or preempted by Section 1123 of the Bankruptcy Code, or any other provisions of the Bankruptcy Code, such Litigation Trust Assets shall be deemed to have been retained by Reorganized Debtor and the Litigation Trustee shall be deemed to have been designated as the exclusive representative of Reorganized Debtor pursuant to Section 1123(b)(3)(B) of the Bankruptcy Code to enforce and pursue such Litigation Trust Assets on behalf of Reorganized Debtor and all proceeds, income, and recoveries on account of any such Litigation Trust Assets shall be assets of the Litigation Trust and paid over thereto immediately upon receipt by Reorganized Debtor or any other person.

2.4.4 For all federal, state and local tax purposes, it is intended that the Litigation Trust be classified as a liquidating trust under Treasury Regulations section 301.7701-4(d) and as a grantor trust subject to the provisions of Subchapter J, Subpart E of the Internal Revenue Code that is owned by the Beneficiaries as grantors. Accordingly, the Grantor, the Beneficiaries, and the Litigation Trustee shall treat the formation of the Litigation Trust as if each Beneficiary had received a distribution of an undivided interest in the Litigation Trust Assets from the Grantor and then contributed such interests to the Litigation Trust. The Litigation Trustee shall operate and maintain the Litigation Trust in compliance with the guidelines for liquidating trusts and grantor trusts as set forth in Internal Revenue Service Revenue Procedure 94-45 and Treasury Regulations sections 1.671-4(a) and 301.7701-4(d) and all subsequent guidelines regarding liquidating trusts and grantor trusts issued by the Internal Revenue Service. The Litigation Trustee shall treat all Litigation Trust income as subject to tax on a current basis. Each Beneficiary shall report its share of the net income of the Litigation Trust and pay any tax owing thereon on a current basis. The Litigation Trust Assets shall be valued consistently by the Litigation Trustee, and the valuations shall be used for all federal, state and local income tax purposes.

### **ARTICLE III LITIGATION TRUST COMMITTEE**

3.1 Litigation Trust Committee. A three-member Litigation Trust Committee shall be established. The initial members of the Litigation Trust Committee shall be (1) Mr. Jeffrey Papan, (2) a designee appointed by the Litigation Loan Lender, and (3) a representative appointed by the Unsecured Creditors' Committee. The Litigation Trust Committee shall make certain determinations, in accordance with this Agreement and the Plan. Except as otherwise set forth herein, approval of a majority of the members of such Litigation Trust Committee shall be required for the Litigation Trust Committee to act, provided that the Litigation Trust Committee may delegate responsibility for discrete issues or decisions to one or more of its members. The Litigation Trust Committee shall have the rights and powers set forth herein.

3.2 Resignation/Replacement of Member of Litigation Trust Committee. In the event that a member of the Litigation Trust Committee can no longer carry out his or her duties as a member of such committee (by reason of death, resignation or disability), the entity on whose behalf the representative was appointed may appoint a successor. In the event no such successor is appointed by the entity on whose behalf the representative was appointed within thirty (30) days, the Litigation Trustee shall petition the Bankruptcy Court to appoint a successor.

3.3 Confidentiality. Each member of the Litigation Trust Committee shall, while serving as a member of the Litigation Trust Committee under this Agreement and at all times thereafter, hold strictly confidential and not use for personal gain any material, non-public information of or pertaining to any entity to which any of the Litigation Trust Assets relate or of which he or she has become aware in his/her capacity as a member of the Litigation Trust Committee. The attorney-client, work product, and all other applicable privileges shall apply to communications with the Litigation Trust Committee and Litigation Counsel. Notwithstanding the foregoing, any member of the Litigation Trust Committee may disclose confidential information to the Bankruptcy Court, provided that such information shall be filed under seal to the extent necessary to protect it from disclosure.

3.4 Seeking Relief from the Bankruptcy Court. The Bankruptcy Court shall have exclusive jurisdiction to review the actions of the Litigation Trustee and the Litigation Trust Committee. If the Litigation Trustee or any member of the Litigation Trust Committee disputes any decision made by the Litigation Trustee or the Litigation Trust Committee, or if any member of the Litigation Trust Committee disputes any proposed action or omission by the Litigation Trustee, the disputing party may apply to the Bankruptcy Court for relief from the decision or the proposed action or omission, in which case the Bankruptcy Court may grant such relief as it deems to be appropriate in the circumstances, including reversing or modifying the decision or the proposed action or omission, and the Bankruptcy Court's determination shall be binding on the Litigation Trustee and the Litigation Trust Committee.

#### **ARTICLE IV ADMINISTRATION OF THE LITIGATION TRUST**

4.1 Rights, Powers and Privileges. In connection with the administration of the Litigation Trust, except as set forth in this Agreement, the Litigation Trustee, in consultation with the Litigation Trust Committee is authorized to perform, any and all acts necessary or desirable to accomplish the purposes of the Litigation Trust, including prosecuting or otherwise liquidating and distributing the Litigation Trust Assets in accordance with Treasury Regulation section 301.7701-4(d). This includes: (i) reviewing, litigating, settling, dismissing, or releasing the claims transferred herein to the Litigation Trust, and (ii) distributing the proceeds of any of the Litigation Trust Assets in accordance with this Agreement and the Plan. In connection therewith, and subject to the limitations of Sections 3.4 and 4.4 hereof, the Litigation Trustee, in consultation with the Litigation Trust Committee, shall have discretion to pursue or not to pursue any and all claims, rights or causes of action, as he or she determines are in the best interests of the Beneficiaries and consistent with the purposes of the Litigation Trust, and shall have no liability for the outcome of his or her decision absent gross negligence, recklessness, fraud or willful misconduct. Without any limitation other than the limitations in this Agreement, the Litigation Trustee, in consultation with the Litigation Trust Committee, shall be expressly authorized, but shall not be required, to take the following actions which the Litigation Trustee, in his/her reasonable discretion, deems necessary or appropriate to fulfill the purpose of the Litigation Trust:

4.1.1 calculate and implement all distributions from the Litigation Trust in accordance with this Agreement and the Plan;

4.1.2 file all required tax returns and pay taxes and all other obligations on behalf of the Litigation Trust from funds held by the Litigation Trust, subject to limitations set forth herein and in the Plan;

4.1.3 periodically report to the Beneficiaries of the Litigation Trust as frequently as the Litigation Trustee reasonably believes is appropriate;

4.1.4 distribute the assets of the Litigation Trust in accordance with the provisions of this Agreement and the Plan;

4.1.5 retain and pay on a contingency fee basis (or normal and customary rates) professionals in connection with the Litigation Trustee's duties, subject to the limitations set forth herein and in the Plan (provided that the existing fee arrangements of Litigation Counsel shall not be modified unless approved by the Bankruptcy Court);

4.1.6 after consultation with and obtaining approval from the Litigation Trust Committee, analyze the Litigation Trust assets and decide whether to abandon, pursue, litigate, or settle such claims;

4.1.7 hold legal title to any and all rights of the Grantor and the Beneficiaries in or arising from the Litigation Trust assets;

4.1.8 protect and enforce the rights to the Litigation Trust assets vested in the Litigation Trustee by this Agreement and the Plan by any method deemed appropriate including, without limitation, by judicial proceedings or otherwise;

4.1.9 after consultation with and obtaining approval from the Litigation Trust Committee, compromise, adjust, arbitrate, sue on or defend, abandon, or otherwise deal with and settle, in accordance with the terms of this Agreement; claims in favor of or against the Litigation Trust;

4.1.10 determine and satisfy any and all liabilities created or incurred by the Litigation Trust;

4.1.11 request any appropriate tax determination with respect to the Litigation Trust;

4.1.12 in reliance upon the official claims register maintained in the Chapter 11 Case, maintain on the Litigation Trustee's books and records, a register evidencing the beneficial interest herein held by each Beneficiary;

4.1.13 open and maintain bank accounts on behalf of or in the name of the Litigation Trust;

4.1.14 make all tax withholdings, file tax information returns, make tax elections by and on behalf of the Litigation Trust and file returns for the Litigation Trust as appropriate;

4.1.15 send to each Beneficiary a separate statement stating the Beneficiary's share of income, gain, loss, deduction or credit;

4.1.16 establish such reserves for taxes, assessments, Litigation Trustee's fees and professional fees and other expenses of administration of the Litigation Trust as may be necessary and appropriate for the proper operation of matters incident to the Litigation Trust, subject to the limitations set forth herein and in the Plan;

4.1.17 pay all expenses and make all other payments relating to the Litigation Trust Assets, subject to the limitations set forth herein and in the Plan;

4.1.18 retain and pay third parties pursuant to Section 4.2 hereof;

4.1.19 obtain insurance coverage or a bond with respect to the liabilities and obligations of the Litigation Trustee and the members of the Litigation Trust Committee under this Agreement (in the form of an errors and omissions policy or otherwise);

4.1.20 make distributions in accordance with the terms hereof;

4.1.21 exercise all powers provided under the Plan to the Litigation Trustee;

4.1.22 invest any monies held as part of the Litigation Trust Assets in accordance with the terms of Section 4.3 hereof; and

4.1.23 terminate the Litigation Trust consistent with the terms of this Agreement and the Plan; and

4.1.24 such other responsibilities as may be vested in the Litigation Trustee pursuant to this Agreement, the Plan or the Confirmation Order, or as may be necessary and proper to carry out the provisions of the Plan.

The Litigation Trustee shall consult with, and obtain approval from, the Litigation Trust Committee prior to the actions described above or, in the absence of such approval, obtain an order of the Bankruptcy Court approving such transaction.

4.2 Agents and Professionals. The representation agreement entered on or about June 30, 2016 by and between Susman Godfrey LLP and Peak, as approved by the Bankruptcy Court pursuant to the Order Granting Debtor's Amended Application for Order to Employ Susman Godfrey LLP As Special Purpose Counsel pursuant to 11 U.S.C. § 328 [ECF No. 154] is hereby transferred to the Litigation Trust which shall be bound thereby and the Litigation Trust shall be substituted for Debtor with respect to all terms and conditions of the agreement. The Litigation Trustee and the Litigation Trust Committee may, but shall not be required to, consult with and retain any other attorneys, accountants, appraisers, or other parties deemed by the Litigation Trustee to have qualifications necessary to assist in the proper administration of the Litigation Trust. The Litigation Trustee may pay the reasonable salaries, fees and expenses of such persons (including himself/herself), including contingency fees, out of the Litigation Trust Assets, subject to the provisions of Section 8.8 hereof and the Plan.

4.3 Investment and Safekeeping of Litigation Trust Assets. Except as otherwise set forth in the Plan, all monies and other Litigation Trust Assets received by the Litigation Trustee shall, until distributed or paid over as herein provided, be held in the Litigation Trust for the benefit of the Beneficiaries. The Litigation Trustee shall be under no liability for interest or producing income on any monies received by the Litigation Trust and held for distribution or payment to the Beneficiaries, except as such interest shall be actually received by the Litigation Trustee. Investments of any monies held by the Litigation Trustee shall be administered in view of the manner in which individuals of ordinary prudence, discretion and judgment would act in the management of their own affairs; *provided, however*, that the right and power of the Litigation Trustee to invest monies held by the Litigation Trust or any income earned by the Litigation Trust shall be limited to the right and power to invest such monies, pending periodic distributions in accordance with the terms hereof and the Plan. For the removal of doubt, the investment powers of the Litigation Trustee, other than those reasonably necessary to maintain the value of the Litigation Trust Assets and the liquidating purpose of the Litigation Trust, are limited to powers to invest in demand and time deposits, such as short-term certificates of deposits, in banks or other savings institutions, or other temporary, liquid investments, such as treasury bills.

4.4 Limitations on Litigation Trustee. On behalf of the Litigation Trust or the Beneficiaries, the Litigation Trustee shall not at any time: (i) enter into or engage in any trade or business (other than the management and disposition of the Litigation Trust Assets), and no part of the Litigation Trust Assets or the proceeds, revenue or income therefrom shall be used or disposed of by the Litigation Trust in furtherance of any trade or business, or (ii) except as provided herein, reinvest any Litigation Trust Assets.

4.4.1 With regard to any sale, disposition, release, modification or waiver of existing rights as to an asset of the Litigation Trust or compromise or settlement of litigation or controverted matter, the Litigation Trustee must consult with, and obtain approval from, the Litigation Trust Committee with respect to any such transaction or, in the absence of such approval, an order of the Bankruptcy Court approving such transaction.

4.4.2 Other than as provided in this Agreement or the Plan, the Litigation Trustee is not empowered to incur indebtedness unless unanimously approved by the Litigation Trust Committee or as approved by the Bankruptcy Court and only as necessary to effectuate the purposes of the Litigation Trust.

4.4.3 The Litigation Trustee may only invest funds held in the Litigation Trust consistent with the requirements of this Agreement, the Bankruptcy Code or any order of the Bankruptcy Court modifying such requirements and, provided that the Litigation Trustee does so, he or she shall have no liability in the event of insolvency of any institution in which he or she has invested any funds of the Litigation Trust.

**ARTICLE V**  
**DISTRIBUTIONS FROM THE LITIGATION TRUST**

5.1 Distributions. As soon as reasonably practicable after the date of this Agreement and thereafter as the Litigation Trustee reasonably determines, the Litigation Trustee shall make distributions to Beneficiaries in accordance with this Agreement and the Plan. Subject to the last sentence of this Section 5.1, the Litigation Trustee shall as soon as reasonably practicable after the receipt thereof and at least annually distribute to the Beneficiaries all net cash proceeds of the Litigation Trust Assets, provided that the Litigation Trustee shall not be required to make any distribution to the extent that the amount of cash available for distribution totals less than \$250,000 in the aggregate. Notwithstanding the foregoing and subject to the limitations set forth in Section 5.6 below, the Litigation Trustee shall maintain a reserve of such amounts as are reasonably necessary to satisfy amounts that could be distributable in respect of such amounts (including administrative or other claims or other contingent liabilities) as reasonably necessary in his or her business judgment, in consultation with the Litigation Trust Committee, to fulfill his or her duties under this Agreement and the Plan.

5.2 Share of Distributions. Each Beneficiary shall receive its pro rata share of any and all distributions of the Litigation Trust Proceeds distributed in the same order of priority as set forth in the Bankruptcy Code and the Plan. The Litigation Proceeds shall be used to pay the expenses of the Litigation Trust, including, but not limited to, the costs and expenses of the Litigation Trust and all attorneys' fees, costs and expenses of Litigation Counsel, and then to payment of Allowed Creditor Claims, with payment first going to Secured Creditors in order of priority, then any unpaid Administrative Expense Claims, then Priority Tax Claims, then Allowed Unsecured Claims, until all such Claims have been paid in full, with interest, and then any remaining proceeds shall be distributed to the holders of the Interests in Debtor. The Litigation Trustee may withhold from amounts distributable to any Beneficiary, any and all amounts, determined in the Litigation Trustee's reasonable sole discretion, to be required by any law, regulation, rule, ruling, directive or other governmental requirement.

5.3 Delivery of Distributions. All distributions from the Litigation Trust to be made under this Agreement and the Plan shall be made to the Beneficiaries.

5.4 Timing of Distributions. Any payment or other distribution required to be made under the Litigation Trust or the Plan on a day other than a business day shall be due on the next succeeding business day. Any payment of cash shall be deemed made when such payment by check or wire transfer is transmitted.

5.5 Payments Limited to Litigation Trust Assets. All payments to be made by the Litigation Trustee to or for the benefit of any Beneficiary shall be made only to the extent that the Litigation Trustee has sufficient reserves to make such payments in accordance with this Agreement and the Plan. Each Beneficiary shall have recourse only to the Litigation Trust Assets for distribution under this Agreement.

5.6 Fees and Expenses. Subject to the limitations set forth herein and the Plan, the Litigation Trustee shall pay the operating and administrative expenses of the Litigation Trust out of the Litigation Trust Assets prior to distributions to or for the benefit of Beneficiaries, provided that payment of such expenses shall be solely out of the proceeds of the Litigation Trust Assets.

5.7 Priority Distributions. Any recovery by the Litigation Trust on account of the Litigation Trust Assets shall be applied in accordance with the priorities set forth in the Bankruptcy Code, Plan, or as set forth herein. Once all Allowed Claims have been paid in full, the Claims will be fully satisfied for all purposes, including, but not limited to, receipt of any further payments as may otherwise be due under the Plan from the Reorganized Debtor or from any other party. Thereafter, any remaining Litigation Trust Proceeds shall be distributed to the Interest holders.

5.8 Compliance with Laws. Any and all distributions of Litigation Trust Assets shall be in compliance with applicable laws.

## **ARTICLE VI BENEFICIARIES**

6.1 Identification of Beneficiaries. Each distribution by the Litigation Trustee to the Beneficiaries shall be made in accordance with the terms set forth in Article V hereof and the Plan and constitute a payment under the Plan.

6.2 Beneficial Interest Only. 6.3 Ownership of Beneficial Interests Hereunder. Each Beneficiary shall own a beneficial interest in the Litigation Trust equal to such Beneficiary's entitlement under the Plan.

6.4 Evidence of Beneficial Interest. Ownership of a beneficial interest in the Litigation Trust Assets shall not be evidenced by any certificate, security, or receipt or in any other form or manner whatsoever, except as maintained on the books and records of the Litigation Trust by the Litigation Trustee.

6.5 Limitation on Transferability. It is understood and agreed that the beneficial interests in the Litigation Trust shall be assignable on the same terms and conditions as the underlying Allowed Claims under the Bankruptcy Code. An assignment shall not be effective unless notice is given to the Litigation Trustee within fifteen (15) days of the assignment and until appropriate notification and proof thereof is submitted to the Litigation Trustee, and the Litigation Trustee may continue to pay all amounts to or for the benefit of the assigning Beneficiaries until receipt of proper notification and proof of assignment. The Litigation Trustee may rely upon such proof without the requirement of any further investigation. Any notice of a change of beneficial interest ownership as permitted by operation of law or the Bankruptcy Code shall be forwarded to the Litigation Trustee by registered or certified mail as set forth herein and filed with the Bankruptcy Court. The notice shall be executed by both the transferee and the transferor, and the signatures of the parties shall be acknowledged before notary public and as required by Bankruptcy Rule 3001(e). The notice must clearly describe the interest to be transferred. The Litigation Trustee may conclusively rely upon such signatures and acknowledgements as evidence of such transfer without the requirement of any further investigation.

7.3 Indemnification. The Litigation Trustee and the Litigation Trust Committee and its members shall be indemnified and receive reimbursement against and from all loss, liability, expense (including counsel fees) or damage which the Litigation Trustee and the Litigation Trust Committee and its members may incur or sustain in the exercise and performance of any of their powers and duties under this Agreement, to the full extent permitted by applicable law, except if such loss, liability, expense or damage is finally determined by a court of competent jurisdiction to result from the Litigation Trustee's or the Litigation Trust Committee's or its members' gross negligence, recklessness, fraud, or willful misconduct. The amounts necessary for such indemnification and reimbursement shall be paid by the Litigation Trustee out of the Litigation Trust assets, except as otherwise provided in the Plan. The Litigation Trustee shall not be personally liable for the payment of any Litigation Trust expense or claim or other liability of the Litigation Trust, and no Person shall look to the Litigation Trustee personally for the payment of any such expense or liability. This indemnification shall survive the death, dissolution, resignation or removal, as may be applicable, of the Litigation Trustee, or the termination of the Litigation Trust, and shall inure to the benefit of the Litigation Trustee's heirs and assigns. Further, the Litigation Trustee and the Litigation Trust Committee and its members shall be immune from any liability for any good faith actions taken in such capacity, or pursuant to advice of counsel, to the fullest extent permitted under applicable law.

(d) Any indebtedness or other amounts due to the Company from such dissociating Member will become immediately due upon the dissociation.

## **ARTICLE IX [RESERVED]**

## **ARTICLE X INDEMNIFICATION**

### **10.1 LIMITATION ON LIABILITY**

No Member, Officer, unitholder, employee or agent thereof, or Officer, employee or agent of the Company shall be liable, responsible or accountable in damages or otherwise to the Company or any Member for any act or omission by any such Person or by any employee or other agent of the Company if such Person acted in good faith and in a manner in which he, she or it believed to be in the best interests of the Company unless such conduct constitutes fraud, gross negligence, willful misconduct or a material breach of this Agreement.

### **10.2 INDEMNIFICATION**

To the fullest extent not prohibited by law, the Company shall indemnify and hold harmless each Member (including the "tax matters partner" in such Member's capacity as such) each officer, unitholder, employee or agent thereof, and each Manager, Officer, employee or agent of the Company from and against any and all losses, claims, demands, costs, damages, liabilities (joint and several), expenses of any nature (including attorneys' fees and disbursements), judgments, fines, settlements and other amounts arising from any and all claims, demands, actions, suits or proceedings, civil, criminal, administrative or investigative, in which such Person may be involved or threatened to be involved, as a party or otherwise, arising out of or incidental to any business of the Company transacted or occurring while such Person was a Member, Officer, Manager, unitholder, employee or agent thereof, or Officer, employee or agent of the Company regardless of whether such Person continues in such capacity at the time any such liability or expense is paid or incurred, except for fraud, willful misconduct, bad faith or gross negligence on the part of such Person. The indemnification provided by this Section 10.2 shall be in addition to any other rights to which those indemnified may be entitled under any agreement, as a matter of law or equity, or otherwise, and shall continue as to a Person who has ceased to serve in their capacity, and shall inure to the benefit of the heirs, successors, assigns and administrators of the Person so indemnified. With respect to the satisfaction of any indemnification of the above-mentioned Persons, only assets of the Company shall be available therefore and no Member or Manager or Officer shall have any personal liability therefore. Any indemnification required hereunder to be made by the Company shall be made promptly as the liability, loss, damage, cost or expense is incurred or suffered. The Members may establish reasonable procedures for the submission of claims for indemnification pursuant to this Section 10.2, determination of the entitlement of any Person thereto, and review of any such determination.

### 10.3 ADVANCEMENT OF EXPENSES

The right to indemnification conferred in this Article IX shall include the right to be paid by the Company the expenses incurred in defending any proceeding in advance of its final disposition (hereinafter an "advancement of expenses"). An advancement of expenses shall be made upon delivery to the Company of an undertaking (hereinafter an "undertaking"), by or on behalf of such indemnitee, to repay all amounts so advanced if it shall ultimately be determined by final judicial decision from which there is no further right to appeal that such indemnitee is not entitled to be indemnified for such expenses under this Section 10.3.

## ARTICLE XI TAX MATTERS

### 11.1 TAX MATTERS MEMBER

The Series A Preferred Member shall act as tax matters member of the Company to represent the Company (at the Company's expense) in connection with all examinations of the Company's affairs by tax authorities and to expend Company funds for professional services and costs associated therewith.

### 11.2 PARTNERSHIP REPRESENTATIVE

(a) For all Fiscal Years beginning on or after January 1, 2018, the Series A Preferred Member shall be designated as the "partnership representative" (the "**Partnership Representative**"), as defined in Code Section 6223 (as in effect following the effective date of its amendment by Section 1101 of H.R. 1314, the "**Bipartisan Budget Act of 2015**"), and the Company and the Members shall complete any necessary actions (including executing any required certificates or other documents) to effect such designation. Upon the termination of the Series A Preferred Member's interest in the Company in accordance with Section 3.2(b), or its earlier resignation as Partnership Representative, the Board of Managers shall appoint a replacement Partnership Representative.

(b) The Partnership Representative may make any elections available to be made as a partnership representative under the Code, including, without limitation, the election described in Code Section 6226(a)(1) (as in effect following the effective date of its amendment by Section 1101 of the Bipartisan Budget Act of 2015).

(c) If the Company becomes liable for any taxes, interest or penalties under Code Section 6225, (a) each Person that was a Member of the Company for the taxable year to which such liability relates shall indemnify, defend and hold harmless the Company for such Person's allocable share of the amount of such tax liability, including any interest and penalties associated therewith, (b) the Board of Managers may cause the Members (including any former Member) to whom such liability relates to pay, and each such Member hereby agrees to pay, such amount to the Company, and such amount shall not be treated as a Capital Contribution, and (c) without reduction to a Member's (or former Member's) obligations under this Section 11.2, any amount paid by the Company that is attributable to a Member, and that is not paid by such Member pursuant to clause (b) above, shall be treated for purposes of this Agreement as (A) a distribution to such Member under Section 4.1 and Section 13.3, and (B) a reduction to such Member's Capital Account balance.

**ARTICLE XII**  
**BOOKS, RECORDS, AND BANK ACCOUNTS**

**12.1 BOOKS AND RECORDS**

(a) The Company shall maintain with its books and records the following: (i) a current list of the full name and last known address of each Member and each member on the Board of Managers; (ii) a copy of the Articles, and all certificates or amendments thereto, together with executed copies of any powers of attorney pursuant to which any Articles has been executed; (iii) copies of the Company's federal, state and local tax and information returns and reports, if any, for the six most recent Fiscal Years; (iv) copies of this Agreement and any amendments thereto, together with executed copies of any powers of attorney pursuant to which any agreement or amendments have been executed; (v) copies of all financial statements for the Company for the three most recent Fiscal Years; (vi) information regarding the amount of cash and a description and statement of the agreed value of any other property or services contributed by each Member and which each Member has agreed to contribute in the future, and the date on which each Member became a Member of the Company; and (vii) the books and records of the Company as they related to the internal affairs of the Company for at least the current and past four Fiscal Years.

(b) The Company shall provide to each Member the Company's tax return and Schedule K-1 for such Member for each Fiscal Year, and such other information as may be necessary for the preparation of each such Member's United States federal and state income tax returns, and the Company shall use commercially reasonable efforts to provide such documents within 90 days after the end of each Fiscal Year.

**12.2 CAPITAL ACCOUNTS AND TAXABLE YEAR**

**12.3 [RESERVED]**

The Company shall be responsible for causing one or more accounts to be maintained in a bank (or banks), which accounts shall be used for the payment of expenditures incurred in connection with the business of the Company, and in which shall be deposited any and all cash receipts. All such amounts shall be received, held and disbursed by the Company for the purposes specified in this Agreement. There shall not be deposited in any of such accounts any funds other than funds belonging to the Company, and no other funds shall in any way be commingled with such funds.

**ARTICLE XIII**  
**DISSOLUTION AND LIQUIDATION**

**13.1 EVENTS OF DISSOLUTION**

The Company shall be dissolved:

(a) by a Majority Approval of the Common Members and the written consent of Series A Preferred Member; or

(b) upon the completion of the sale of all or substantially all of the assets of the Company.

The death, retirement, resignation, expulsion, bankruptcy or dissolution of any Member or the occurrence of any other event that terminates the continued membership of any Member shall not cause the Company to be dissolved or its affairs to be wound up, and upon the occurrence of any such event, the Company shall be continued without dissolution.

### **13.2 EFFECT OF DISSOLUTION**

Dissolution of the Company shall be effective on the date on which the event occurs giving rise to the dissolution, but the Company shall not terminate until the Articles are canceled and the assets of the Company are distributed as provided herein. Notwithstanding the dissolution of the Company, prior to the termination of the Company, the business of the Company and the affairs of the Members, as such, shall continue to be governed by this Agreement. Upon dissolution, the Board shall liquidate the assets of the Company, apply and distribute the proceeds thereof as contemplated by this Agreement, and cause the cancellation of the Articles.

### **13.3 DISTRIBUTIONS UPON LIQUIDATION**

(a) Upon a dissolution of the Company or other Liquidation Event, the Board or agent designated by the Board shall take full account of the Company liabilities and Company property and the Company property shall be liquidated as promptly as is consistent with obtaining the fair market value there, and the proceeds therefrom, to the extent sufficient therefore and in accordance with the Act, shall be applied and distributed in the following order and priority:

(b) The net cash proceeds resulting from a Liquidation Event shall be distributed and applied in the following order of priority:

(ii) to the setting up of any reserves that the Members determine are reasonably necessary for any contingent or unforeseen liabilities or obligations of the Company;

(iii) to the holders of Series A Preferred Units until the Series A Preferred Member has received an amount equal to its initial Capital Account on the Effective Date, plus the Preferred Return. If the assets and funds available for distribution to the holder of Series A Preferred Units shall be insufficient to pay the stated preferential amounts of this subsection (iii) in full, then the entire remaining assets and funds of the Company legally available for distribution, after the payment or provision of the amounts set forth in subsections (i) through (ii) above, shall be distributed to the holder of Series A Preferred Units.

(iv) After payment in full of the amounts set forth in subparagraphs (i) through (iii) above, all remaining assets of the Company legally available for distribution shall be distributed ratably among the holders of Common Units.

(c) The value of any securities to be delivered to the Members pursuant to this Section 13.3 shall be determined as follows:

(ii) If actively traded over the counter, the value shall be deemed to be the average of the closing bid prices over the thirty day period ending three days prior to the closing; and

#### **13.4 DEFICIT CAPITAL ACCOUNTS**

Notwithstanding anything to the contrary contained in this Agreement, and notwithstanding any custom or rule of law to the contrary, to the extent that the deficit, if any, in the Capital Account of any Member results from or is attributable to deductions and losses of the Company (including non-cash items such as depreciation), or distributions of assets pursuant to this Agreement to all Members, upon dissolution of the Company such deficit shall not be an asset of the Company and such Members shall not be obligated to contribute such amount to the Company to bring the balance of such Member's Capital Account to zero.

### **ARTICLE XIV MISCELLANEOUS**

#### **14.3 NO WAIVER**

The failure of any Member to insist on strict performance of any provision of this Agreement, irrespective of the length of time for which such failure continues, shall not be a waiver of such Member's right to demand strict compliance in the future. No consent or waiver, express or implied, to or of any

breach or default in the performance of any obligation hereunder shall constitute a consent or waiver to or of any other breach or default in the performance of the same or any other obligation.

#### **14.4 SIGNATURES**

Each Member shall become a signatory hereof by signing, directly or by an attorney-in-fact, (i) such number of counterpart signature pages to this Agreement or (ii) a subscription agreement which shall be treated as an addendum and amendment to this Agreement, and such other instrument or instruments, and in such manner and at such time, as the Members shall determine. By so signing, each Member shall be deemed to have adopted, and to have agreed to be bound by, all the provisions of this Agreement, as amended from time to time in accordance with the provisions of this Agreement.

#### **14.5 AMENDMENT TO AGREEMENT; CONSENT RIGHTS OF COMMON MEMBERS**

(a) If this Agreement shall be amended as a result of adding or substituting a Member as permitted hereunder, the amendment to this Agreement shall be signed by the Company and by the Person to be substituted or added.

(b) In addition to any amendments otherwise authorized herein, amendments may be made to this Agreement from time to time with the consent of (i) a Majority Approval of the Common Members and (ii) the Series A Preferred Member; provided, however, that without the consent of the Members to be adversely affected by the amendment, this Agreement may not be amended so as to (i) modify the limited liability of any Member; (ii) alter the interest of any Member in distributions or allocations of Net Income, Net Losses or other items of Company income, gain, loss or deduction; or (iii) otherwise materially adversely affect the rights, preferences, privileges or economic interests of any Member hereunder.

#### **14.6 COUNTERPARTS**

This Agreement may be executed in any number of counterparts, all of which together shall for all purposes constitute one agreement, binding on all the Members, notwithstanding that all the Members have not signed the same counterpart.

Each of the parties hereby irrevocably submits to the non-exclusive jurisdiction of the Circuit Court of the State of Oregon for Multnomah County and the United States District Court for the District of Oregon located in Multnomah County, Oregon, in connection with any litigation arising under this Agreement. Each party waives and will not assert as a defense in the litigation that (i) it is not subject to the jurisdiction of the court; (ii) the litigation cannot be brought or maintained in that court; (iii) the venue is not appropriate; or (iv) this Agreement may not be enforced in or by that court.

#### **14.8 ENTIRE AGREEMENT; NO THIRD PARTY BENEFICIARIES**
